Paul Struggles With His Congregation The Pastoral Message Of The Letters To The Corinthians:

Paul Struggles with His Congregation Hans Urs von Balthasar, 1992-01-01 Commenting on the pastoral questions taken up by Saint Paul in his letters to the Corinthians Hans Urs von Balthasar offers a meditative interpretation of Paul's writings and difficulties with the Christians at Corinth He discusses the different roles of pastors and believers and we see how the problems are resolved through Paul's advice example and prayerful patience

Pastor Paul (Theological Explorations for the Church Catholic) Scot McKnight, 2019-09-03 Being a pastor is a complicated calling Pastors are often pulled in multiple directions and must become all things to all people 1 Cor 9:22 What does the New Testament say or not say about the pastoral calling And what can we learn about it from the apostle Paul According to popular New Testament scholar Scot McKnight pastoring must begin first and foremost with spiritual formation which plays a vital role in the life and ministry of the pastor As leaders pastors both create and nurture culture in a church The biblical vision for that culture is Christoformity or Christlikeness Grounding pastoral ministry in the pastoral praxis of the apostle Paul McKnight shows that nurturing Christoformity was at the heart of the Pauline mission The pastor's central calling then is to mediate Christ in everything McKnight explores seven dimensions that illustrate this concept friendship siblings generosity storytelling witness subverting the world and wisdom as he calls pastors to be conformed to Christ and to nurture a culture of Christoformity in their churches

Second Corinthians and Paul's Gospel of Human Mortality Richard I. Deibert, 2017-01-30 How does Paul's bodily mortality both collapse his apostolic authority in Corinth and yet confirm his gospel Richard I Deibert explores the vital relationship between Paul's experience of death and his theology of death Back cover

The Letter to the Colossians Scot McKnight, 2018-02-26 The Letter to the Colossians offers a compelling vision of the Christian life its claims transcend religion and bring politics culture spirituality power ethnicity and more into play Delving deeply into the message of Colossians this exegetical and theological commentary by Scot McKnight will be welcomed by preachers teachers and students everywhere

Mary's Bodily Assumption Matthew Levering, 2014-11-24 In Mary's Bodily Assumption Matthew Levering presents a contemporary explanation and defense of the Catholic doctrine of Mary's bodily Assumption He asks How does the Church justify a doctrine that does not have explicit biblical or first century historical evidence to support it With the goal of exploring this question more deeply he divides his discussion into two sections one historical and the other systematic Levering's historical section aims to retrieve the rich Mariological doctrine of the mid twentieth century He introduces the development of Mariology in Catholic Magisterial documents focusing on Pope Pius XII's encyclical *Munificentissimus Deus* of 1950 in which the bodily Assumption of Mary was dogmatically defined and two later Magisterial documents Vatican II's *Lumen Gentium* and Pope John Paul II's *Redemptoris Mater* Levering addresses the work of the neo scholastic theologians Joseph Duhr Alo's Janssens and R ginald Garrigou Lagrange before turning to the great theologians of the nouvelle th ologie Karl Rahner Hans Urs von Balthasar Louis Bouyer Joseph Ratzinger and their emphasis on biblical

typology Using John Henry Newman as a guide Levering organizes his systematic section by the three pillars of the doctrine on which Mary's Assumption rests biblical typology the Church as authoritative interpreter of divine revelation under the guidance of the Holy Spirit and the fittingness of Mary's Assumption in relation to the other mysteries of faith Levering's ecumenical contribution is a significant engagement with Protestant biblical scholars and theologians it is also a reclamation of Mariology as a central topic in Catholic theology

Was the Reformation a Mistake? Matthew Levering, 2017-09-26

Was the Reformation a mistake In its actual historical context it hardly seems fair to call the Reformation a mistake In 1517 the Church was in need of a spiritual and theological reform The issues raised by Renaissance humanism and by the profound corruption of the Church's leaders the Avignon papacy and the Great Schism in the fourteenth and fifteenth centuries lingered unresolved What were key theological problems that led to the Reformation Theologian Matthew Levering helps readers see these questions from a Catholic perspective Surveying nine key themes Scripture Mary Eucharist Monasticism Justification and Merit Saints Priesthood and Scripture he examines the positions of Martin Luther and makes a case that the Catholic position is biblically defensible once one allows for the variety of biblically warranted modes of interpreting Scripture At the same time Levering makes clear that he cannot prove the Catholic case The book concludes with a spirited response by mere Protestant theologian Kevin J Vanhoozer X

Aquinas's Eschatological Ethics and the Virtue of Temperance Matthew Levering, 2019-11-15

Matthew Levering offers a biblical and Thomistic portrait of the cardinal virtue of temperance and its allied virtues in dialogue with an ecumenical range of theologians and scholars In Aquinas's Eschatological Ethics and the Virtue of Temperance Levering argues that Catholic ethics make sense only in light of the biblical worldview that Jesus has inaugurated the kingdom of God by pouring out his spirit Jesus has made it possible for us to know and obey God's law for human flourishing as individuals and communities He has reoriented our lives toward the goal of beatific communion with him in charity which affects the exercise of the moral virtues that pertain to human flourishing Without the context of the inaugurated kingdom Catholic ethics as traditionally conceived will seem like an effort to find a middle ground between legalistic rigorism and relativistic laxism which is especially the case with the virtue of temperance the focus of Levering's book After an opening chapter on the eschatological biblical character of Catholic ethics the ensuing chapters engage Aquinas's theology of temperance in the Summa theologiae which identifies and examines a number of virtues associated with temperance Levering demonstrates that the theology of temperance is profoundly biblical and that Aquinas's theology of temperance relies for its intelligibility upon Christ's inauguration of the kingdom of God as the graced fulfillment of our created nature The book develops new vistas for scholars and students interested in moral theology

Understanding the Religious Priesthood Christian, OSB Raab, Brian E., SJ Daley, 2020-10-14

Most contemporary theologies of Holy Orders consider priesthood mainly in its diocesan context and most contemporary theologies of religious life do not consider how ordained ministry functions when it is internal rather than external to religious life Understanding

the Religious Priesthood provides a history and theology of religious priesthood that contributes to our understanding of this vocation's identity and mission. It uncovers what religious priesthood shares with diocesan priesthood and non-ordained religious life and what makes it different from both those other vocations. Christian Raab begins by tracing the history of religious priesthood from its origins in the early Church to the eve of the Second Vatican Council. He demonstrates that religious priests often faced questions about how to reconcile their two callings but that they also provided answers in their theologies and spiritualities of priesthood and religious life. Meanwhile they made key contributions to the Church's life and mission. Raab then investigates the teachings of the Second Vatican Council on priesthood and religious life. Observing that the Council presented priesthood according to a diocesan typology and presented religious life without sacerdotal associations, he argues that the lack of imagery of religious priesthood contributed to a post-conciliar vocational identity crisis among religious priests. He then seeks to remedy this lacuna by appealing to the biblical images for religious priesthood. Hans Urs von Balthasar offered in his theology of vocations. Raab argues that Balthasar's imagery is a promising way forward for understanding the identity and mission of religious priesthood. In a final part, Raab provides a substantial theological articulation of religious priesthood which illuminates its liturgical signification, ecclesial mediation and mission, and ministerial identity. Here he draws not only from Balthasar but also from Pope John Paul II, Yves Congar, Jean Marie Tillard, Brian Daley and Guy Mansini to construct his profile. Christ and the Catholic Priesthood Matthew Levering, 2010

Anatomy of Transcendence: Mental Excess and Rapture in the Thought and Life of Thomas Aquinas Peter Kwasniewski, 2025-02-12. Man is created by God for an eternal glory that surpasses his nature. Even now he is called to a graced participation in divine life that draws him above and beyond himself, conforming him to the one in whose image he is made. In his theological writings, Thomas Aquinas explored this order of excess that characterizes God's elevation of the rational creature, discerning in its most extreme instances mystical transport, ecstasy, and rapture, the essential contours of the ordering of Christian life to the transcendent union of beatific vision. This same ordering is witnessed in Aquinas's own experience where, toward the end of his life, he was raised to a contemplative vision surpassing all language and further study. In *Anatomy of Transcendence*, Peter A. Kwasniewski examines the intersection of Aquinas's theological writings and mysticism, establishing a vocabulary and topography for the Angelic Doctor's study and experience of ecstasy and excess in God's raising of the human mind to divine things. While drawing on the full scope of the saint's corpus, the study pays particular attention to his engagement with Scripture, especially the rapture of Paul related in 2 Corinthians, thus contributing to the recovery of Aquinas not only as spiritual theologian but also as biblical theologian. **Roland Allen II** Steven Richard Rutt, 2018-01-01. In *Roland Allen: A Theology of Mission*, a companion work with *Roland Allen: A Missionary Life*, Steven Richard Rutt completes a portrait of Roland Allen (1868-1947) in this intellectual biography. Extensive archival evidence discloses how apostolic principles formed the basis for Allen's missionary theology. Although it is well known that Allen's

hermeneutical ideas were born of Pauline principles Steven Richard Rutt expounds the ways in which Allen's missionary experiences had profoundly impacted Allen's theological beliefs Allen wrote about his findings in letters sermons articles and books some of which were never published Allen's writings tenaciously challenged the methodology of colonial missionary societies and exposed the causes hindering Church expansion failures occurred in missions due to the imposition of Western missionary paternalism and institutional devolution Allen advocated the empowerment of indigenous churches to apply the principles of self government and self support He asserted the importance of the Pauline concept of Spirit and order which encompasses both the doctrine of the Holy Spirit as well as that of the Church Allen's diagnosis of the missionary situation and the proposed ways to restore apostolic order presented contemporary controversy but since his death we have seen the importance of Allen's ideas in Mission studies grow steadily With an expert evaluation of Allen's theological insight Roland Allen *A Theology of Mission* also offers a superb contribution to the discipline of historical theology and historical missiology as Rutt delves into a contextual assay into the missionary landscape of the nineteenth and the twentieth centuries

A Trinitarian Anthropology Michele M. Schumacher, 2014-11-10 Schumacker systematically expositis the Trinitarian theological anthropology of von Speyr as it emerges through her vast corpus in parallel with a development of the same theme in Balthasar's work Finally the volume expositis Aquinas's own doctrine on theological discourse in view of initiating a dialogue with his disciples publisher's description

[Ressourcement after Vatican II](#) Matthew Levering, 2019-10-31 Beginning with a personal recollection of the achievements of Fr Joseph Fessio S J by David L Schinder this work includes twelve essays by theologians who acknowledge a debt to Father Fessio and Ignatius Press These twelve essays treat topics such as the Church as the mystical body the liturgy Christian apologetics in post modern culture public theology analogy Scriptural interpretation marriage and the Trinity theological dramatics Pope Benedict XVI's sources Tradition and development of doctrine Among the major 20th century figures treated in these essays are Hans Urs von Balthasar Louis Bouyer Henri de Lubac Joseph Ratzinger and Josef Pieper The contributors hope that the topics of the essays represent a large swath of the interests of Father Fessio from his early scholarly work on the Church his commitment to liturgical renewal and Catholic catechesis through his devotion to Ignatian spirituality and his appreciation for Thomistic philosophy and his lifelong engagement with the theology of von Balthasar and Ratzinger

The Eucharistic Form of God Jonathan Martin Ciraulo, 2022-03-15 This study presents Hans Urs von Balthasar's theology of the Eucharist and shows its significance for contemporary sacramental theology Anyone who seeks to offer a systematic account of Hans Urs von Balthasar's theology of the Eucharist and the liturgy is confronted with at least two obstacles First his reflections on the Eucharist are scattered throughout an immense and complex corpus of writings Second the most distinctive feature of his theology of the Eucharist is the inseparability of his sacramental theology from his speculative account of the central mysteries of the Christian faith In *The Eucharistic Form of God* the first book length study to explore Balthasar's eucharistic theology in English Jonathan

Martin Ciraulo brings together the fields of liturgical studies sacramental theology and systematic theology to examine both how the Eucharist functions in Balthasar's theology in general and how it is in fact generative of his most unique and consequential theological positions. He demonstrates that Balthasar is a eucharistic theologian of the highest caliber and that his contributions to sacramental theology although little acknowledged today have enormous potential to reshape many discussions in the field. The chapters cover a range of themes not often included in sacramental theology including the doctrine of the Trinity the Incarnation and soteriology. In addition to treating Balthasar's own sources Origen Gregory of Nyssa Pascal Catherine of Siena and Bernanos Ciraulo brings Balthasar into conversation with contemporary Catholic sacramental theology including the work of Louis Marie Chauvet and Jean Yves Lacoste. The overall result is a demanding but satisfying presentation of Balthasar's contribution to sacramental theology. The audience for this volume is students and scholars who are interested in Balthasar's thought as well as theologians who are working in the area of sacramental and liturgical theology.

Paul's Letters to the Corinthians Rick Joyner, 2012-03-10. These letters encompass everything from practical church life including church discipline to the purpose of love and the importance of sound doctrine on the resurrection of the dead. The Apostle Paul was devoted to not merely giving instructions but also to sharing with believers why the instructions were important. This is in keeping with the core purpose of the Gospel to change people's hearts not just their behavior. For this reason no other writings ever penned have changed more hearts than the letters of the Apostle Paul. These two letters to the Corinthians stand as the most powerful of all.

Elenchus of Biblica Robert North, 1997. The Catholic Study Bible Donald Senior, John Joseph Collins, Mary Ann Getty-Sullivan, 2011. This landmark resource now available in the NABRE translation contains all the authoritative study notes expanded essays and informational sidebars for which it is known and trusted. References and background information are clearly laid out in the margins of the text guiding the reader to a fuller understanding of the Bible. Other outstanding features include a 15 page glossary of special terms complete Sunday and weekday lectionary readings for the liturgical years of the Church 32 beautiful pages of full color Oxford Bible Maps come with a place name index for easy reference. Printed on smooth durable paper and bound with the highest quality materials the Catholic Study Bible is an incredible value. It is available in three attractive and affordable bindings black bonded leather hardcover and paperback.

The New American Bible Revised Edition. The New American Bible Revised Edition NABRE brings to culmination the work of nearly 100 scholars including translators editors and a subcommittee of Catholic bishops who provided extensive review of the biblical text over a period of many years. The NABRE is the first major amendment to the New American Bible translation since 1991. It features the first update of the Old Testament since 1970 taking into account recent archaeological and textual discoveries. Complete revision of the Psalter.

A Critical Introduction to the New Testament Carl R. Holladay, 2011-07-01. This book introduces the New Testament in two senses it not only

provides basic literary and historical information on each of the twenty seven writings but also orients readers to the religious theological and ethical issues related to the message and meaning of Jesus Christ The overall goal is to help interested readers of the New Testament become informed responsible interpreters of these writings and thereby enrich their personal faith and understanding By giving special emphasis to how the New Testament has helped shape the church s identity and theological outlook throughout the centuries as well as the role it has played within the broader cultures of both East and West this introduction also seeks to assist readers in exercising creative informed leadership within their own communities of faith and in bringing a deeper understanding of early Christianity to their conversations with the wider public Along with separate chapters devoted to each New Testament writing there are chapters explaining how this collection of texts emerged as uniquely authoritative witnesses to the church s faith why they were recognized as canonical whereas other early Christian writings were not how the four canonical Gospels are related to one another including a discussion of the Synoptic Problem how the Jesus tradition his teachings stories from his ministry and the accounts of his suffering death and resurrection originated and developed into Gospels written in narrative form and how the Gospels relate to Jesus Christ as he was and is Also included is a chapter on the writings of Paul and how they emerged as a collection of authoritative texts for the church This chapter includes a discussion of ancient letter writing special considerations for interpreting the Pauline writings and Paul s decisive influence within the history of the church and western culture

Paulist Biblical

Commentary, The Aguilar Chiu, José Enrique, Clifford, Richard J. SJ, Dempsey, Carol J. OP, Schuller, Eileen M. OSU, Stegman, Thomas D., SJ, Witherup, Ronald D., PSS, 2018 The Paulist Biblical Commentary PBC is a one volume commentary on the books of the Bible designed for a wide variety of Bible readers especially those engaged in pastoral ministry The volume consists of a commentary on each of the seventy three books of the Catholic canon of the Bible along with twelve general articles While based on classical approaches to Scripture the commentaries and articles are not limited to historical literary issues but draw upon relevant theological and pastoral ideas found in the text The Paulist Biblical Commentary presents Solid exegesis of the biblical text A useful tool for preaching and spiritual nourishment An essential aid to deepen the understanding of Scripture Current biblical research that is relevant to pastoral or spiritual ministry The Commentary brings together the collaboration of more than seventy international biblical scholars each with expertise in their area of study drawn from their experience and interest in pastoral or spiritual ministry

Paul and His Letters: Exploring the Theology of the New Realm in Christ Juliet Manning, 2025-04-17 This book explores the revolutionary theological landscape painted by the Apostle Paul a landscape where the old categories of Jew and Gentile slave and free are radically reimagined in light of the life death and resurrection of Jesus Christ It grapples with the profound implications of Paul s teachings on grace law and the new life found in Christ offering a fresh perspective on these timeless themes Through careful examination of key passages and themes within Paul s letters this work illuminates his understanding of the new realm inaugurated by Christ It

explores the complexities of justification by faith the ongoing struggle between the flesh and the Spirit and the glorious future promised to all who are united to Christ This book invites readers to encounter the power and relevance of Paul s message for themselves wrestling with its challenges and embracing its transformative potential More than just an academic exercise this work seeks to bridge the gap between scholarly study and practical application It encourages reflection on the implications of Paul s thought for our understanding of God ourselves and the world around us
