Paul McCartney Many Years:

Paul McCartney Barry Miles,1998-10-15 A definitive authorized portrait of Paul McCartney draws on hundreds of hours of exclusive interviews and access to personal archives to chronicle the private life and successful career of one of the world's most famous musicians the world of the Beatles his partnership with John Lennon and more **Paul McCartney** Paul McCartney,Barry Miles,2000 Based on hundreds of exclusive interviews over a period of five years by Barry Miles and on complete access to McCartney's own archives this is Paul McCartney in his own words McCartney recalls the genesis of every song he and Lennon wrote together and talks in fascinating detail about how they worked and who was responsible for which line which melody **The Beatles and the Historians** Erin Torkelson Weber,2016-04-28 Hundreds of books have been written about The Beatles Over the last half century their story has been mythologized and de mythologized and presented by biographers and journalists as history Yet many of these works do not strictly qualify as history and the story of how the Beatles mythology continues to be told has been largely ignored This book examines the band's historiography exploring the four major narratives that have developed over time The semi whitewashed Fab Four account the acrimonious breakup era Lennon Remembers version the biased Shout narrative in the wake of John Lennon's murder and the current Mark Lewisohn orthodoxy Drawing on the most influential primary and secondary sources Beatles history is analyzed using historical methods **Long and Winding Roads, Revised Edition** Kenneth Womack,2022-12-15 In Long and Winding Roads The Evolving Artistry of the Beatles Revised Edition Kenneth Womack brings the band's story vividly to life from their salad days as a Liverpool Skiffle group and their apprenticeship in the nightclubs and mean streets of Hamburg through their early triumphs at the legendary Cavern Club and the massive onslaught of Beatlemania itself By mapping the group's development as an artistic fusion Womack traces the Beatles creative arc from their first primitive recordings through Abbey Road and the twilight of their career In this revised edition Womack addresses new insights in Beatles related scholarship since the original publication of Long and Winding Roads along with hundreds of the group's outtakes released in the intervening years The updated edition also affords attention to the Beatles musical debt to Rhythm and Blues as well as to key recent discoveries that vastly shift our understanding of formative events in the band's timeless story **The Last Days of John Lennon** James Patterson,2020-12-07 Discover one of the greatest true crime stories in music history as only James Patterson can tell it With the Beatles John Lennon surpasses his youthful dreams achieving a level of superstardom that defies classification We were the best bloody band there was he says There was nobody to touch us Nobody except the original nowhere man Mark David Chapman Chapman once worshipped his idols from afar but now harbors grudges against those like Lennon whom he feels betrayed him He's convinced Lennon has misled fans with his message of hope and peace And Chapman's not staying away any longer By the summer of 1980 Lennon is recording new music for the first time in years energized and ready for it to be Just Like Starting Over He can't wait to show the world what he will do Neither can

Chapman who quits his security job and boards a flight to New York a handgun and bullets stowed in his luggage The greatest true crime story in music history as only James Patterson can tell it Enriched by exclusive interviews with Lennon s friends and associates including Paul McCartney The Last Days of John Lennon is the thrilling true story of two men who changed history One whose indelible songs enliven our world to this day and the other who ended the beautiful music with five pulls of a trigger *That Was Me* Richard D. Driver,2023-07-24 Paul McCartney has lived an extraordinary life in popular music and popular culture His careers as a Beatle as a solo musician and band leader in Wings and in areas outside music have varied tremendously and are well documented That Was Me explores the impact of Paul McCartney as a musician outside the Beatles identifying the continued excitement in generations of fans and listeners and his perennial efforts to perform and record music Richard Driver argues that his solo career is multi faceted and extremely diverse ranging from breaking sharply with the style and output of the Beatles to experimenting in orchestral and operatic music and returning to music designed to emulate and reproduce the style success and popularity of the Beatles Through McCartney we can literally and symbolically view and revisit the popular music phenomenon that was the Beatles and popular music from the 1950s to today **Paul McCartney** Peter Ames Carlin,2009-11-03 From the acclaimed biographer who brought you the rock biography of Bruce Springsteen comes the life of musician Paul McCartney from his groundbreaking years with the Beatles to Wings to his work as a solo artist and activist More than a rock star more than a celebrity Paul McCartney is a cultural touchstone who helped transform popular music as one half of the legendary Lennon McCartney songwriting duo In this definitive biography Peter Ames Carlin examines McCartney s entire life casting new light not just on the Beatles era but also on his years with Wings and his thirty year relationship with his first wife Linda McCartney He takes us on a journey through a tumultuous couple of decades in which Paul struck out on his own as a solo artist reached the top of the charts with a new band and once again drew hundreds of thousands of screaming fans to his concerts Carlin presents McCartney as a musical visionary but also as a layered and conflicted figure as haunted by his own legacy and particularly his relationship with John Lennon as he was inspired by it Built on years of research and fresh revealing interviews with friends bandmates and collaborators spanning McCartney s entire life Carlin s lively biography captures the many faces of the living legend

Powers of Two Joshua Wolf Shenk,2014-08-05 The power of collaboration from Lennon and McCartney to Wozniak and Jobs An inspiring book that also happens to be a great read Daniel H Pink author of Drive Throughout history partners have buoyed each other to better work though often one member is little known to the general public See Warren Buffett and Charlie Munger or Vincent and Theo van Gogh Powers of Two draws on neuroscience social psychology and cultural history to present the social foundations of creativity with the pair as its primary embodiment Revealing the six essential stages through which creative intimacy unfolds this book shows how pairs begin to talk think and even look like each other how the most successful ones thrive on conflict and why some cease to work together while others carry on At once intuitive and

deeply surprising Powers of Two will reshape the way you view individuals relationships and society itself A rare glimpse into the private realms of duos A natural storyteller The New York Times A book about magic about the Beatles about the chemistry between people about neuroscience and about the buddy system it examines love and hate harmony and dissonance and everything in between Wise funny surprising and completely engrossing Susan Orlean We sometimes think of creativity as coming from brilliant loners In fact it more often happens when bright people pair up and complement each other Shenk s fascinating book shows how to spark the power of this phenomenon Walter Isaacson Surprising compelling Shenk banishes the idea of solitary genius by demonstrating that our richest art and science come from collaboration we need one another not only for love but also for thinking and imagining and growing and being Andrew Solomon *The Encyclopedia of Popular Music* Colin Larkin,2011-05-27 This text presents a comprehensive and up to date reference work on popular music from the early 20th century to the present day **The Beatles Encyclopedia** Kenneth Womack,2016-11-21 This condensed paperback encyclopedia documents the enduring cultural impact and musical legacy of the Beatles providing readers with a one stop resource to the Fab Four s compelling story and breadth of achievements Legendary in music and popular culture the Beatles were one of the most successful bands of all time The collective achievements of the Fab Four affect a broad demographic that includes today s children Millennials Gen Xers and Baby Boomers This one volume condensed paperback edition of The Beatles Encyclopedia brings the Beatles dramatic story alive highlighting the humanity of the quartet of artists that has made them an enduring artistic and social phenomenon The entries in this condensed encyclopedia provide in depth biographical information about the Beatles and their circle as well as fascinating historical background and key details about their most important works giving readers broad coverage that addresses the major aspects of the band s and its individual members phenomenal achievement The easy to use A Z resource also includes a biographical chronology and a discography as well as a bibliography that directs readers to excellent sources of additional information in print and online **The Cambridge Companion to the Beatles** Kenneth Womack,2009-11-12 From Please Please Me to Abbey Road the fascinating story of the Fab Four s creation works and enduring musical legacy Lennon and McCartney Thomas MacFarlane,2022-09-30 Lennon and McCartney Painting with Sound explores the work of two of the most influential composers of the twentieth century Five decades after the breakup of the Beatles the music of John Lennon and Paul McCartney continues to fascinate and inspire Evidence suggests that their uniquely eclectic approach can be traced back to the Liverpool College of Art Following on that idea this book explores the creative dialogue between John Lennon and Paul McCartney both with the Beatles and on their own that grew out of that early influence The book is presented in three sections I Stretching the Canvas considers the Liverpool College of Art as the backdrop for John and Paul s early collaborations with painter and musician Stuart Sutcliffe This is followed by discussions of select works created by the Beatles between 1962 69 II Extending the Space focuses on the long distance creative dialogue between Lennon and

McCartney as demonstrated in their respective solo recordings of the 1970s III New Colours considers the final works of the Lennon and McCartney creative dialogue as well as various McCartney solo projects released in the years that followed Lennon's death in 1980 Here the focus is on Paul's development as a painter its effect on his creativity and his subsequent efforts to establish the Liverpool Institute for Performing Arts as a world class arts conservatory The Inner Light Susan Shumsky,2022-10-25 The hidden meanings of the Beatles most esoteric lyrics and sounds are revealed by a rare insider who spent two decades with the man who made meditation mantra and yoga household words Maharishi Mahesh Yogi I absolutely love this book Between the stories and the pictures many I've not seen before this is truly a spiritual journey Chris O Dell author of Miss O Dell My Hard Days and Long Nights with The Beatles The Stones Bob Dylan and the Women They Loved The spiritual journey of the Beatles is the story of an entire generation of visionaries in the sixties who transformed the world The Beatles turned Western culture upside down and brought Indian philosophy to the West more effectively than any guru The Inner Light illumines hidden meanings of the Beatles India influenced lyrics and sounds decoded by Susan Shumsky a rare insider who spent two decades in the ashrams and six years on the personal staff of the Beatles mentor Maharishi Mahesh Yogi With clarity depth and impeccable research an exceptionally comprehensive book filled with engaging tales and fresh insights that even diehard Beatles fans will find illuminating Philip Goldberg author of American Veda From Emerson and The Beatles to Yoga and Meditation How Indian Spirituality Changed the West This eye opening book draws back the curtain on the Beatles experiments with psychedelics meditation chanting and Indian music Among many shocking revelations never before revealed we discover who invented raga rock not the Beatles the real identity of rare Indian instruments and musicians on their tracks which Beatle was the best meditator not George why the Beatles left India in a huff John and George's attempts to return Maharishi's accurate prediction and who Sexy Sadie Jojo Bungalow Bill Dear Prudence Blackbird My Sweet Lord Hare Krishna and the Fool on the Hill really were This book reminds us in illuminating fashion why Susan is the premier thinker about India's key influence upon the direction of the Beatles art In vivid and stirring detail she traces the Fabs spiritual awakening from Bangor to Rishikesh and beyond Kenneth Womack author of John Lennon 1980 The Last Days in the Life Half a century later the Beatles have sold more records than any other recording artist A new generation wants to relive the magic of the flower power era and is now discovering the message of this iconic band and its four superstars For people of all nations and ages the Beatles mystique lives on The Inner Light is Susan Shumsky's gift to their legacy Fab Howard Sounes,2010-10-26 He is one of the most famous most wealthy people on the planet and yet he remains little known and understood as a personality At long last Paul McCartney is the subject of a major deeply researched psychologically acute biography It tells a story that will illuminate and surprise The publication finds McCartney who turns 70 in 2012 revitalized as a performer touring with a set of mostly Beatles songs and a man buffeted by profound changes in recent years the death of his first wife Linda the death of George Harrison a second marriage to Heather Mills and its

spectacular failure the fall out from which is still crashing around him *The Popular Music Teaching Handbook* B. Lee Cooper, Rebecca A. Condon, 2004-04-30 The function of print resources as instructional guides and descriptors of popular music pedagogy are addressed in this concise volume Increasingly public school teachers and college level faculty members are introducing and utilizing music related educational approaches in their classrooms This book lists reports dealing with popular music resources as classroom teaching materials and will stimulate further thought among students and teachers It focuses on the growing spectrum of published scholarship available to instructors in specific teaching fields art geography social studies urban studies and so on as well as on the multitude of general resources including biographical directories and encyclopedias of artist profiles Building on two recent publications *Teaching with Popular Music Resources* A Bibliography of Interdisciplinary Instructional Approaches Popular Music and Society XXII no 2 Summer 1998 and *American Culture Interpreted through Popular Music* Interdisciplinary Teaching Approaches Bowling Green State University Popular Press 2000 this volume focuses on the growing spectrum of published scholarship that is available to instructors in specific teaching fields art geography social studies urban studies and so on as well as on the multitude of general resources including biographical directories and encyclopedias of artist profiles **Artificial Paradise** Kevin Courrier, 2008-12-30 There is an epigram in this book from the Phil Ochs song *Crucifixion* about the Kennedy assassination that states I fear to contemplate that beneath the greatest love lies a hurricane of hate On February 11th 1963 the Beatles recorded *There's a Place* a dazzling unheralded tune which was included on their electrifying debut album *Please Please Me* This song firmly laid the foundation on which a huge utopian dream of the sixties would be built Within that dream however also lay the seeds of a darker vision that would emerge out of the very counterculture that the Beatles and their music helped create Thus even as their music attracted adoring fans it also enticed the murderous ambitions of Charles Manson and though the Beatles may have inspired others to form bands their own failed hopes ultimately led to their breakup The disillusionment with the sixties and the hopes associated with the group would many years later culminate in the assassination of John Lennon and the attempted slaying of George Harrison by deranged and obsessive fans In this incisive examination author Kevin Courrier *Dangerous Kitchen the Subversive World of Zappa* Randy Newman's *American Dreams* examines how the Fab Four through their astonishing music and comically rebellious personalities created the promise of an inclusive culture built on the principles of pleasure and fulfillment By taking us through their richly inventive catalogue Courrier illustrates how the Beatles' startling impact on popular culture built a bond with audiences that was so strong people today continue to either cling nostalgically to it or struggle and often struggle violently to escape its influence *All by Myself* Steve Hamelman, 2016-05-19 Thriving within a narrow niche in rock music is the recording on which one artist composes plays sings and often produces each track As a showcase of individual effort and talent the single artist rock album has been adopted by artists such as Neil Young Stevie Wonder and Prince to produce unique additions to their discographies To this

type of album Steve Hamelman has affixed the label AlphaSoloism In All by Myself Essays on the Single Artist Rock Album eleven scholars explore eleven different albums both well known and obscure released between 1970 and 2011 Their essays illuminate aesthetic technical and theoretical elements that distinguish AlphaSolo recordings from conventional ones In addition to providing historical background on studio live original and cover recordings released between the 1970 to the present the essays explore questions of intention craft performance and reception All by Myself marks the AlphaSolo subgenre s moment of origin as a musical category and academic field To date no study exists on this unique genre of music making and All by Myself serves as a call for future investigations into this present and growing phenomenon in rock culture
