

Paul Revere

**Charles Ferris Gettemy**

## **Paul Revere:**

*Who Was Paul Revere?* Roberta Edwards, Who HQ, 2011-09-01 In 1775 Paul Revere of Boston made his now famous horseback ride warning colonists of an impending attack by the British. This event went largely unnoticed in history until Longfellow celebrated it in a poem in 1861. So who was Paul Revere? In addition to being an American patriot, he was a skilled silversmith and made false teeth from hippo tusks. This biography with black and white illustrations throughout brings to life Paul Revere's thrilling ride as well as the personal side of the man and the exciting times in which he lived. [The True Story of Paul Revere](#) Charles Ferris Gettemy, 1905 **The Life of Colonel Paul Revere** Elbridge Henry Goss, 1898

**Let's Ride, Paul Revere!** Peter Roop, Connie Roop, 2004 Discusses the events in Paul Revere's life up until he made his famous midnight ride. **Paul Revere and the Midnight Ride** Danielle Smith-Llera, 2021 Many know Paul Revere by the infamous words "The British are coming." But did he really say that? Primary sources and infographics help readers learn the facts and the fiction behind Paul Revere's midnight ride. *Paul Revere and the World He Lived In* Esther Forbes, 1999 Recounts the life and times of Paul Revere of Massachusetts. *Paul Revere* Augusta Stevenson, 1986-10-31 Using simple language that beginning readers can understand, this lively, inspiring, and believable biography looks at the childhood of patriot Paul Revere. *And Then What Happened, Paul Revere?* Jean Fritz, 1996-05-07 A true American story for young readers by the Newbery Honor-winning author. Everyone knows about Paul Revere's midnight ride, but not everyone knows the harrowing details and narrow escapes that occurred along the way. This timeless and witty book highlights little-known facts about patriot Paul Revere. **Paul Revere** Barbara Ford, 2014-12-15 Renowned for his silversmithing, his ride from Boston to Lexington, Massachusetts, to warn that the British were attacking, made Paul Revere famous. However, Paul Revere was also involved with other events that led to the American Revolution. *Paul Revere* Jim Whiting, 2020-02-11 Paul Revere was an expert silversmith. He became one of America's first industrialists. He was active in the movement that led to American independence. Yet Paul Revere's fame rests almost entirely on the few hours that he sped through the Massachusetts countryside in the early morning of April 19, 1775. He was warning the inhabitants that the British regulars were on their way. It marked the beginning of the Revolutionary War. Few people outside the Boston area knew of his exploit. It took another war, the Civil War, to make him famous throughout the country. A famous poet named Henry Wadsworth Longfellow wanted to prevent the Civil War. He showed his fellow Americans a hero they could all admire. To him and to millions of others after him, Paul Revere was that hero. **Paul Revere** Heather Lehr Wagner, 2013 Profiles the life and career of Paul Revere, known for his midnight ride warning colonists of approaching British troops. **Paul Revere** Rose McCarthy, 2003-12-15 Provides an overview of the contributions Paul Revere made to American history, including his famous ride. [Paul Revere's Ride](#) Lucia Raatma, 2003-09 Profiles the life of Paul Revere, silversmith and patriot, best known for his ride through the Massachusetts countryside warning that the British were coming. [Who was Paul Revere?](#) Roberta

Edwards,2011 In 1775 Paul Revere of Boston made his now famous horseback ride warning colonists of an impending attack by the British This event went largely unnoticed in history until Longfellow celebrated it in a poem in 1861 So who was Paul Revere In addition to being an American patriot he was a skilled silversmith and made false teeth from hippo tusks This biography with black and white illustrations throughout brings to life Paul Revere s thrilling ride as well as the personal side of the man and the exciting times in which he lived **The Midnight Ride of Paul Revere** Ellen Min,2015-07-15 Paul Revere was a respected Boston citizen an artisan and a patriot However he is best known for his ride through Boston on horseback warning the citizens to assemble in an effort to ward off the advancing British army This book presents the story of Revere s life and his midnight ride in a fun and engaging way with primary source documents and full color images to enrich the learning experience **The True Story of Paul Revere** Charles Gettemy,1906-12-02 Paul Revere December 21 1734 May 10 1818 was an American silversmith engraver early industrialist and a patriot in the American Revolution He is most famous for alerting the Colonial militia to the approach of British forces before the battles of Lexington and Concord as dramatized in Henry Wadsworth Longfellow s poem Paul Revere s Ride Revere was a prosperous and prominent Boston silversmith who helped organize an intelligence and alarm system to keep watch on the British military Revere later served as a Massachusetts militia officer though his service culminated after the Penobscot Expedition one of the most disastrous campaigns of the American Revolutionary War for which he was absolved of blame Following the war Revere returned to his silversmith trade and used the profits from his expanding business to finance his work in iron casting bronze bell and cannon casting and the forging of copper bolts and spikes Finally in 1800 he became the first American to successfully roll copper into sheets for use as sheathing on naval vessels *The Secret Life of Paul Revere | Hero of the American Revolution | Biography 6th Grade | Children's Biographies* Dissected Lives,2020-04-01 Did you know that some of the heroes of the American Revolution were not military men Take for instance the case of Paul Revere Paul was a silversmith and engraver He is well known for his midnight ride in order to alert the colonial militia in 1775 He was very brave that he dared approach the British forces before the Battles of Lexington and Concord too Enjoy the read [Paul Revere's Ride](#) David Hackett Fischer,1994-04-14 Paul Revere s midnight ride looms as an almost mythical event in American history yet it has been largely ignored by scholars and left to patriotic writers and debunkers Now one of the foremost American historians offers the first serious look at the events of the night of April 18 1775 what led up to it what really happened and what followed uncovering a truth far more remarkable than the myths of tradition In Paul Revere s Ride David Hackett Fischer fashions an exciting narrative that offers deep insight into the outbreak of revolution and the emergence of the American republic Beginning in the years before the eruption of war Fischer illuminates the figure of Paul Revere a man far more complex than the simple artisan and messenger of tradition Revere ranged widely through the complex world of Boston s revolutionary movement from organizing local mechanics to mingling with the likes of John Hancock and Samuel Adams When the fateful night

arrived more than sixty men and women joined him on his task of alarm an operation Revere himself helped to organize and set in motion Fischer recreates Revere s capture that night showing how it had an important impact on the events that followed He had an uncanny gift for being at the center of events and the author follows him to Lexington Green setting the stage for a fresh interpretation of the battle that began the war Drawing on intensive new research Fischer reveals a clash very different from both patriotic and iconoclastic myths The local militia were elaborately organized and intelligently led in a manner that had deep roots in New England On the morning of April 19 they fought in fixed positions and close formation twice breaking the British regulars In the afternoon the American officers switched tactics forging a ring of fire around the retreating enemy which they maintained for several hours an extraordinary feat of combat leadership In the days that followed Paul Revere led a new battle for public opinion which proved even more decisive than the fighting itself When the alarm riders of April 18 took to the streets they did not cry the British are coming for most of them still believed they were British Within a day many began to think differently For George Washington Thomas Jefferson John Adams and Thomas Paine the news of Lexington was their revolutionary Rubicon Paul Revere s Ride returns Paul Revere to center stage in these critical events capturing both the drama and the underlying developments in a triumphant return to narrative history at its finest

*Paul Revere's Ride* Henry Wadsworth Longfellow,2011-04-01 The classic poem in a newly illustrated edition Paul Revere and his famous ride were immortalized by Henry Wadsworth Longfellow in a poem published in 1861 more than eighty years after the event Longfellow wrote the poem at the time of the Civil War He hoped that his story of an ordinary citizen who comes to the aid of his country would stir patriotic feelings and support for the Union He was right In fact if it hadn t been for Longfellow Paul Revere may have remained a local legend The poem fired the imaginations of Americans and a national hero was born This illustrated edition of the classic poem features vivid oil paintings by Monica Vachula whose research into period and place can be seen in the smallest detail A concluding note by historian Jayne Triber author of *A True Republican The Life of Paul Revere* explores the poem and Paul Revere s place in American history

*Paul Revere* Wil Mara,2015-09 Paul Revere is one of America s earliest heroes He is most famous for his midnight ride when he warned patriot leaders that British soldiers were coming However Revere did much to further the cause of American independence He made gunpowder for
