Pauls Gospel And Mission The Outlook From His Letter To The Romans

Michael D. Barram

Paul's Gospel And Mission The Outlook From His Letter To The Romans:

Paul's Gospel and Mission Arland J. Hultgren, 1985 Mission and Moral Reflection in Paul Michael D. Barram, 2006

The Apostle Paul sought to exert his influence and authority over the congregations he founded long after they had been established. Such ongoing oversight by Christianity's prototypical evangelist has not been adequately understood. In a brief 1987 article, W. Paul Bowers challenged John Knox's assertion that Paul's pastoral and administrative work irked him and that he wanted to be free of it. This book confirms and significantly develops Bowers's little-known thesis, examining a wide range of passages in the apostle's undisputed letters and highlighting crucial implications of Paul's broadly conceived vocation for understanding his mission and moral reflection.

Paul's Letter to the Romans Arland J. Hultgren, 2011-05-16 Building on his own translation from the Greek, Hultgren walks readers through Romans verse by verse, illuminating the text with helpful comments, probing into major puzzles and highlighting the letter's most inspiring features. He also demonstrates the forward-looking missional character of Paul's epistle, written as Hultgren suggests to introduce Roman Christians to the major themes of Paul's theology and to inspire in them both confidence in the soundness of his teaching and support for his planned missionary efforts in Spain.

Dictionary of Paul and his letters GERALD F. HAWTHORNE, RALPH P. MARTIN, DANIEL G. REID, 2020-05-21 The Dictionary of Paul and his letters is a one-of-a-kind reference work. Following the format of its highly successful companion volume, the Dictionary of Jesus and the Gospels, this Dictionary is designed to bring students, teachers, ministers, and laypeople abreast of the established conclusions and significant recent developments in Pauline scholarship. No other single reference work presents as much information focused exclusively on Pauline theology, literature, background, and scholarship. In a field that recently has undergone significant shifts in perspective, the Dictionary of Paul and His Letters offers a summa of Paul and Pauline studies. In-depth articles focus on individual theological themes such as law, resurrection, and Son of God; broad theological topics such as Christology, eschatology, and the death of Christ; methods of interpretation such as rhetorical criticism and social scientific approaches; background topics such as apocalypticism, Hellenism, and Qumran; and various other subjects specifically related to the scholarly study of Pauline theology and literature, such as early catholicism, the centre of Paul's theology, and Paul and his interpreters since F. C. Baur. Separate articles are also devoted to each of the Pauline letters, to hermeneutics, and to preaching Paul today. The Dictionary of Paul and His Letters takes its place alongside the Dictionary of Jesus and the Gospels in presenting the fruit of evangelical New Testament scholarship at the end of the twentieth century, committed to the authority of Scripture, utilising the best of critical methods, and maintaining dialogue with contemporary scholarship and challenges facing the church.

A Theology of Paul and His Letters Douglas J. Moo, 2021-10-26 A landmark study of the apostle's writings by one of the world's leading Pauline scholars. Winner of the 2022 ECPA Christian Book Award for Bible Reference Works. This highly anticipated volume gives pastors, scholars, and all serious students of the New Testament exactly what they need for in-depth study and engagement with one of Christian history's

most formative thinkers and writers *A Theology of Paul and His Letters* is a landmark study of the apostle's writings by one of the world's leading Pauline scholars Douglas J Moo. Fifteen years in the making, this groundbreaking work is organized into three major sections. Part 1 provides an overview of the issues involved in doing biblical theology in general and a Pauline theology in particular. Here Moo also sets out the methodological issues, formative influences, and conceptual categories of Paul's thought. Part 2 moves on to Paul's New Testament writings where Moo describes each Pauline letter with particular relevance to its theology. Part 3 offers a masterful synthesis of Paul's theology under the overarching theme of the gift of the new realm in Christ. Engaging, insightful, and wise, this substantive evangelical treatment of Paul's theology offers extensive engagement with the latest Pauline scholarship without sacrificing its readability. This volume brings insights from over thirty years of experience studying, teaching, and writing about Paul into one comprehensive guide that will serve readers as a go-to resource for decades to come.

ABOUT THE SERIES The Biblical Theology of the New Testament (BTNT) series provides upper college and seminary level textbooks for students of New Testament theology, interpretation, and exegesis. Pastors and discerning theology readers alike will also benefit from this series. Written at the highest level of academic excellence by recognized experts in the field, the BTNT series not only offers a comprehensive exploration of the theology of every book of the New Testament, including introductory issues and major themes, but also shows how each book relates to the broad picture of New Testament Theology.

The Letters of Paul Charles B. Puskas, 1993. A Michael Glazier book. Includes bibliographical references. p. 194-216.

Paul's Understanding of the Church's Mission Robert L. Plummer, 2006-06-01. Did Paul expect his churches to engage in evangelistic activity which mirrored his own? Or have modern readers of the Bible wrongly projected Paul's apostolic passion upon the communities that he founded? Such is the charge of several recent authors, and if their thesis is correct, nothing could have larger implications for how the modern church engages in mission. In this book, Robert L. Plummer engages in a careful study of Paul's letters to determine if the apostle expected the communities to which he wrote to engage in outward directed missionary activity. Plummer helpfully summarizes the discussion to date on the debated issue, judiciously handles contested texts, and provides a way forward in addressing this critical question. While admitting that Paul rarely explicitly commands the communities he founded to evangelize, Plummer amasses significant incidental data to provide a convincing case that Paul did indeed expect his churches to engage in outward directed missionary activity. Throughout the study, Plummer progressively builds a theological basis for the church's mission that is both compelling and distinctively Pauline.

The Divine-Human Relationship in Romans 1-8 in the Light of Interdependence Theory Yoonjong Kim, 2020-11-12. Yoonjong Kim analyses the divine-human relationship in Paul's theology, focusing on Paul's portrayal of the relationship in Romans 1-8. Kim stresses that previous studies of this relationship have not paid sufficient attention to the fact that it is not static but rather exhibits progression and development towards a goal. To address the significance of the human agent's role in the relationship, Kim employs a social psychological theory, interdependence theory.

offering a consistent analytic framework for diagnosing the interactions in a dyadic relationship in terms of the dependency created by each partner's expectations of outcomes Kim explores several key stages of the divine human relationship and the direction in which the relationship develops throughout Romans 1:8 in order to highlight the significance of the human partners in the course of the development He focuses in particular on betrayal 1:18-3:20 restoration 3:21-5:11 the oppressive relationship with Sin 5:12-8:11 and the investment for the future 8:12-39 and concludes that although the foundation of the relationship rests on God's initiative the divine outworking guides the relationship so that it facilitates mutual participation of the human partners in the restoration and development of the relationship toward the ultimate goal

The Background And Contents Of Paul's Cultic Atonement Metaphors Stephen Finlan, 2004 This examination of Gentile and Jewish religious and literary descriptions of sacrificial and expulsion rituals provides a useful background to the study of Paul's metaphorical use of sacrifice and scapegoat to characterize the significance of the death of Jesus In addition to offering an overview of Paul's use of cultic metaphors and an assessment of Paul's synthesis of martyrology and cultic metaphor this work shows how Paul uses still other metaphors acquittal reconciliation adoption to picture the beneficial after effects of that death Paperback edition is available from the Society of Biblical Literature www.sbl-site.org

Reclaiming Mission as Constructive Theology Paul S. Chung, 2012-03-09 Reclaiming Mission as Constructive Theology offers a compelling case for the need to integrate God's mission and missional church conversation with a public and post colonial study of World Christianity Driven by a commitment to publicly engaged theology that takes seriously the reality of Global Christianity Paul Chung presents a vital new model for understanding the mission of God as a dynamic word event This is argued in conversation with contemporary missional theology and analysis of the development of Global Christianity and as such brings important transcultural issues to bear on contemporary American conversations about the missional church All of this serves to innovatively stimulate this missional church conversation and more directly address the various questions that arise in pursuing mission in a multiculturalized American society

Election of the Lesser Son David R. Wallace, 2014 Chapters 9-11 of Romans remains one of the most contested biblical texts in scholarship today Theological discussions often limit the focus of this passage to God's sovereignty or to Paul's defense of God's faithfulness but less attention has been devoted to the form and style Wallace demonstrates how Paul weaves two distinct Jewish literary forms together lament and midrash into a logical narrative concerning Israel's salvation Attention is given to Paul's poetical structures key literary terms and use of Old Testament contexts

Studies in Paul, Exegetical and Theological Richard N. Longenecker, 2004

Maccabean Martyr Traditions in Paul's Theology of Atonement Jarvis J. Williams, 2010-01-01 In an age in which scholars continue to produce books on the nature and significance of Jesus's death books that often assume the Old Testament cult was the New Testament authors primary background for their conception of Jesus's death Jarvis J Williams offers a fresh and novel contribution regarding both the nature of and background influences behind Paul's conception of

Jesus's death He argues that Paul's conception of Jesus's death both as an atoning sacrifice and as a saving event for Jews and Gentiles was significantly influenced by Maccabean Martyr Theology To argue his thesis Williams engages in an intense exegesis of 2 and 4 Maccabees while also interacting with other Second Temple Jewish texts that are relevant to his thesis Williams further interacts with relevant Old Testament texts and the key texts in the Pauline corpus He argues that the authors of 2 and 4 Maccabees present the deaths of the Jewish martyrs during the reign of Antiochus Epiphanes IV as atoning sacrifices and as a saving event for Israel He further argues that although the Old Testament's cultic language certainly influenced Paul's understanding of Jesus's death at certain junctures in his letters the Old Testament cult alone which emphasized animal sacrifices cannot fully explain why or even how Paul could conceive of Jesus's death a human sacrifice as both an atoning sacrifice and a saving event for Jews and Gentiles Finally Williams highlights the lexical theological and conceptual parallels between Martyr Theology and Paul's conception of Jesus's death Even if scholars disagree with Williams's thesis or methodology serious Pauline scholars interested in the background influences behind and the nature and significance of Jesus's death in Paul's theology will want to interact with this work Biblical Theology of the New Testament Peter Stuhlmacher, 2018-08-16 First English edition of an iconic work of German scholarship Since its original publication in German Peter Stuhlmacher's two volume *Biblische Theologie des Neuen Testaments* has influenced an entire generation of biblical scholars and theologians Now Daniel Bailey's expert translation makes this important work of New Testament theology available in English for the first time Following an extended discussion of the task of writing a New Testament theology Stuhlmacher explores the development of the Christian message across the pages of the Gospels the writings of Paul and the other canonical books of the New Testament The second part of the book examines the biblical canon and its historical significance A concluding essay by Bailey applies Stuhlmacher's approach to specific texts in Romans and 4 Maccabees Dictionary of Mission Karl Muller, Theo Sundermeier, Stephen B. Bevans, Richard H. Bliese, 2006-01-30 Conceived and developed by two of Europe's most eminent missiologists in the country where the scientific and sustained study of mission first took shape the *Dictionary of Mission* represents the finest of the chorus of voices that comprise contemporary missiology The choice of topics and the authors to address them reflects what Christian mission has become a genuinely worldwide and ecumenical phenomenon That there would be entries on regional theological developments is indicative of how the world church is developing A host of other topics here explored show too how the landscape of mission is changing Taken as a whole then the *Dictionary of Mission* is a road map through this exciting and challenging terrain from the Foreword **Paul's Early Period** Rainer Riesner, 1998 This monumental work by German scholar Rainer Riesner examines both biblical and extra biblical sources to establish the chronology of Paul's early ministry and also illumines our understanding of his work by portraying him in his cultural context The New Testament Donald A. Hagner, 2012-11-15 This capstone work from widely respected senior evangelical scholar Donald Hagner offers a substantial introduction to the

New Testament Hagner deals with the New Testament both historically and theologically employing the framework of salvation history. He treats the New Testament as a coherent body of texts and stresses the unity of the New Testament without neglecting its variety. Although the volume covers typical questions of introduction such as author, date, background, and sources, it focuses primarily on understanding the theological content and meaning of the texts, putting students in a position to understand the origins of Christianity and its canonical writings. Throughout, Hagner delivers balanced conclusions in conversation with classic and current scholarship. The book includes summary tables, diagrams, maps, and extensive bibliographies.

The Apostle Paul and His Letters Edwin D. Freed, 2014-12-05. The Apostle Paul and His Letters presents a detailed examination of the apostle's seminal writings in the Book of Acts. Paul was writing primarily to converts who had joined church communities only recently, mostly forsaking either Judaism or paganism. Paul's emphases on faithfulness toward God, the faithfulness of Jesus, and his moral teachings are always primary themes. The book discusses a range of topics: the circumstances that led Paul to write each letter; Paul's emphasis on the morality of the believers to whom he was writing; the influence of Old Testament, Qumran, and pagan writings on Paul's own thought; the intellectual and cultural context of the time; and how careful attention to Paul's language can shed light on his meaning. This book is written for a wide range of interested readers, including students, pastors, church workers, and others interested in learning about Paul as a person and his work.

Romans (Baker Exegetical Commentary on the New Testament) Thomas R. Schreiner, 1998-12-01. A fresh analysis of the Book of Romans for scholars, pastors, and students that blends scholarly depth with readability.

Ephesians, Philippians, Colossians, Philemon Clinton E. Arnold, Frank S. Thielman, Steven M. Baugh, 2016-04-05. Brimming with lavish full-color photos and graphics, the Zondervan Illustrated Bible Backgrounds Commentary walks you verse by verse through all the books of the New Testament. It's like slipping on a set of glasses that lets you read the Bible through the eyes of a first-century reader. Discoveries await you that will snap the world of the New Testament into gripping immediacy. Things that seem mystifying, puzzling, or obscure will take on tremendous meaning when you view them in their ancient context. You'll deepen your understanding of the teachings of Jesus. You'll discover the close, sometimes startling interplay between God's kingdom and the practical affairs of the church. Best of all, you'll gain a deepened awareness of the Bible's relevance for your life. Written in a clear, engaging style, this beautiful set provides a new and accessible approach that more technical expository and exegetical commentaries don't offer.
