Love Letters to a Sacred Prostitute Gary, 2012-11-08 A spiritual and knowledgeable woman once told me that I was a Sacred Prostitute She explained that a Sacred Prostitute is someone who soothes nurtures and heals another and then sends them on their way to find their true destiny a better more emotionally complete person for the experience I was initially confused but eventually relieved and elated by this possibility I sometimes felt guilty because it wasn't possible for me to ignore a woman who was strong or beautiful or talented or sweet I had many deep but relatively short lived relationships I was in love with many of these women I respected and admired every single one of them I found them simply amazing I was never looking for notches on a bedpost only searching for my one true Love Many left me and moved on found another I was left alone again and again wondering But maybe there was a reason for such an active love life Maybe I really am a Sacred Prostitute After all very few of the women seemed to hate me when we parted And most were married shortly after their time spent with me I can't tell you why I was chosen as a Sacred Prostitute I can't tell you how to become one yourself But in this book I share the journeys the thoughts and passions of 89 women that loved one in their own words **Fred & Nettie's Love Letters** Suzanne Fister Levine, 2016-12-06 Creative non fiction based upon the romance actual love letters between two Kentuckians from 1900 1904 Before radio television and autos they carried on their romance separated by 100 miles a full

day s round trip by train and not manageable by buggy or horseback Times and love were fraught with danger They faced deadly plagues putrid water systems horrific accidents violence murders and vicious political turmoil that included the assassinations of Kentucky Governor William Goebel and U S President William McKinley Women had no vote few rights and were blocked from many occupations Men were expected to be sole financial providers reliably smart brave and stable Life s choices thwarted dreams as both yearned for a bit of sweetness to make life bearable About the only reliable things they had were local daily newspapers and US Postal Service mail delivery 365 days a year 366 in leap years including Sundays and holidays Their letters engendered curiosity this book **An Englishwoman's Love-Letters** Laurence Housman,2020-09-28 It need hardly be said that the woman by whom these letter were written had no thought that they would be read by anyone but the person to whom they were addressed But a request conveyed under circumstances which the writer herself would have regarded as all commanding urges that they should now be given to the world and so far as is possible with a due regard to the claims of privacy what is here printed presents the letters as they were first written in their complete form and sequence Very little has been omitted which in any way bears upon the devotion of which they are a record A few names of persons and localities have been changed and several short notes not above twenty in all together with some passages bearing too intimately upon events which might be recognized have been left out without indication of their omission It was a necessary condition to the present publication that the authorship of these letters should remain unstated Those who know will keep silence those who do not will not find here any data likely to guide them to the truth The story which darkens these pages cannot be more fully indicated while the feelings of some who are still living have to be consulted nor will the reader find the root of the tragedy explained in the letters themselves But one thing at least may be said as regards the principal actors that to the memory of neither of them does any blame belong They were equally the victims of circumstances which came whole out of the hands of fate and remained so far as one of the two was concerned a mystery to the day of her death

Curious but unable to locate him to return the love letters she begins to read The letters all begin with the same greeting My Dearest Darling and they each end with Forever Jack The letters start to transform her life in ways that she never would have imagined She is thankful to the handsome stranger she met only once Katie knows exactly what she would say to him if she were to ever see him again until one day he reappears back in her life Their world begins to change once more but the letters have an awesome power over both of them until
