Personnel Director's Legal Guide Steven C. Kahn, Brent E. Zepke, 1984 **Personnel Director's Legal Guide** Steven C. Kahn, 1990 **The Physician Manager's Handbook** Robert J. Solomon, 2008 Physicians are increasingly taking on new roles as executives and managers in today's health care delivery system. As such, management skills should be an essential part of every physician's repertoire. The Legal Guide for Religious Institutions David Blaikie, Diana Ginn, 2010-01-01 Providing both a comprehensive legal overview and practical advice, this is an essential reference work for every pastor, church administrator, and parish council member. The US is the most litigious country in the world. The sex abuse scandal has virtually bankrupted the American Roman Catholic Church. The breakup of the American Episcopal Church threatens innumerable lawsuits over ownership of church property. Every religious community in the US has reason to be concerned about its legal liability. Wrongful dismissal, potential liability for the actions of employees or volunteers, a parishioner slipping on icy church steps—these are just some of the other legal issues that should be of concern to every Christian church and parish community in America. Recognizing that most people working in the church need guidance when confronting church-related legal issues, lawyers and long-term church members David Blaikie and Diana Ginn have adapted their popular *Legal Guide for Canadian Churches* for the American religious community. This handy reference book takes readers step by step through all the legal implications of the daily operation of a church and parish community. Blaikie and Ginn explain different areas of the law, including administrative law, property law, employment law, and civil liability. This book provides a legal context for understanding and responding to relevant legal issues while, at the same time, providing answers and directions on specific legal questions. *The Legal Guide for Religious Institutions* provides a comprehensive legal overview coupled with practical advice that will be required reading for every American pastor, church administrator, and parish council member. *Laws of the State of New York Passed at the ...
