Principles of Leadership Troy P. Zehnder, 2016-06-16 There is a common perception that leaders only exist in an organizational structure but this viewpoint does a disservice to the role of spouse parent and friend A few simple principles that make a leader successful in the professional world are the exact same principles that should be employed in the personal world as well It is not a coincidence that these principles find their roots in Scripture and their examples set by the most popular biblical figures
