The tribulation i.e. the apocalypse is divided into two parts the first part occurs during this generation and the second part occurs in the distant future During the first part of the tribulation many difficulties trouble the whole world war civil unrest famine death from a variety of causes But the last afflictions of this part of the tribulation are even more severe Then all of these sufferings culminate with the most severe event of the first part of the tribulation the Three Days of Darkness An understanding of this event can be found in Sacred Scripture if it is read with faith Many Saints and other holy persons also prophesied about this future affliction Even the Blessed Virgin Mary in the apparitions at La Salette spoke about this terrible event and the many deaths that would result And so both Divine Revelation and private revelation can inform us about the Three Days of Darkness After the Three Days of Darkness all is not lost Immediately a time of great peace and holiness ensues and the survivors rebuild society in devout fear of God For the Three Days of Darkness is the last event of the first part of the tribulation after which occurs a brief time of peace lasting about 25 years This time of peace is the beginning of the inter tribulation period This booklet is divided into three sections 1 The Three Days of Darkness in Sacred Scripture 2 The Three Days of Darkness in Private Revelation 3 A Brief Time of Peace Holiness and Rebuilding This booklet is based on the author's longer work entitled The First Part of the Tribulation Ronald L Conte Jr is the translator of the Catholic Public Domain Version of the Bible and the author of several works of Roman Catholic eschatology His other books cover diverse subjects in theology including Mariology Biblical chronology ethics and other topics *Christians Will Go Through the Tribulation* James M. McKeever, Jim McKeever, 1978 *The Great Tribulation; Or, The Things Coming on the Earth* John Cumming, 1860 The LAST Prophecies Bill Salhus, 2019-09-15 *The Great Battle Has Begun* Kelly Bowring, 2013-01-15 Behold I am coming soon Blessed is the one who keeps this prophetic message Revelation 22:7 This book is about the events leading up to the Second Coming of Jesus Christ An easily readable well researched and inspiring book about the divine plan to bring true peace to the world this book uses solid sources like the Bible solid Christian prophecy and regarded heavenly prophecies to detail the coming events of the last great battle as

described in the Book of Revelation This book discusses the Middle East war against Israel the one world government led by the Antichrist with his new global economic system and its mark and the False Prophet who deceives the people of the earth influencing them to worship the Antichrist It discusses the rising power of China the Red Dragon and Russia the Beast like a bear the rebellion of the European Union Babylon and the great apostasy in the Church And it shows how all of this is in the plans of divine Providence As God has not remained despondent to our times He is sending us heavenly messengers including the Blessed Virgin Mary to give us warning and guidance through these ominous times This book analyzes the credible reported heavenly messages related to our times which reveal the details of the Bible prophecies that include the full battle plan and the great victory to come Finally this book discusses what Heaven is telling us about how we can approach these times with peace Jesus said You will see the Son of Man coming upon the clouds of heaven with power and great glory When you see all these things know that he is near at the gates Amen I say to you this generation will not pass away until all these things have taken place Matthew 24 30 34 We are the generation of the fulfillment of the biblical prophecies of the end times and we will experience the new beginning of the era of peace with the new heavens and new earth The time of the great battle is upon us The great victory awaits **How to Survive the Great Tribulation** James Thomas Lee, Jr., 2016-07-30

This book is a fictional account of what it might be like to live through the Great Tribulation In the first part of the book eighteen different characters are introduced and then followed through the events of the Tribulation This book accepts a basically literal interpretation of the various events So it tries to give realistic scenarios for each situation When reading the book of Revelation one will read about seven seal judgments seven trumpet judgments and seven vial judgments One will also read many seemingly unrelated events that are also happening The way to understand the whole book is to realize that the Apostle John as author had been describing two timelines that had both been happening at the same time In other words the whole Tribulation lasts for seven years The seal trumpet and vial judgments run consecutively and also last for seven years The second timeline which presents more about the activities of the antichrist also runs for seven years Therefore the apostle had overlapped the two timelines into the one book of Revelation The next thing that one might note in this text is that the eighteen people about which the story will be presented have been given some fairly ridiculous names However those names are symbolic because they have been used to describe the types of people The hope in writing this book is that the Lord will be glorified by the study and the presentation of His Word His Word is truth So every attempt has been made to accurately and intelligently present those truths An obvious goal is to encourage anyone that does not know the Lord as personal savior to come to Him by faith right away to be saved He will receive anyone that comes to Him in the right spirit and with the right attitude To further support that goal Appendix A has been included at the end of the text to explain what it means to be truly saved True biblical salvation occurs when one seeks the Lord with all of his or her heart commits his or her life to Him trusts in Him and then enters into a personal relationship with Him So if a person reads this whole text and fails to see the

importance of giving oneself wholly unto the Lord then an important goal will have been missed Another goal is to encourage the saints of God to live each day for the Lord It is their job to try to reach the lost people of this world for Christ so that no one will have to go through the Great Tribulation or an eternal separation from the Lord That is a very ambitious goal But it is well worth pursuing A last goal of this text is to be both instructive and even a little bit entertaining Because the saints of God will not go through the Great Tribulation it can be interesting reading But being able to understand what will happen after the rapture and also have an order for when some of those things actually happen can be enlightening It can also help one see just how bad it will all be This text concludes with two chapters that give an idea of what it will be like to die SAVED and what it will be like to die LOST It will obviously be much better and much smarter to come to the Lord to be SAVED so that one can leave this existence in the former situation rather than in the latter So it is sincerely and prayerfully hoped that each reader will also arrive at that conclusion too

The Soon Coming World War 3 - The Great Tribulation and Rapture Constantin Rusu,2014-07-02 We read in the book of Revelation chapter 6 that a quarter of the world population will die soon from war famine and pestilences Can you grasp this It is mind boggling and it could start in 2014 or 2015 The Lord says in Matthew 24 8 All these are the beginning of sorrows All the signs we see in the world today are clearly telling us that we live in the very last days I believe that we are the last generation before Jesus s coming Aren t you excited Look up Your redemption is near If you love your soul and want to go to heaven when you die then this book is for you If you want to overcome in the soon coming nuclear war and famine great tribulation and persecution then I beseech you read this book

The Great Tribulation George Gutchess,2014-10-15 Many Bible teachers today are proclaiming that Christ will come at any moment to take the Christians to heaven leaving the non Christians behind to endure seven years of great tribulation Others teach that Christ came spiritually in AD 70 when the city of Jerusalem was destroyed by the Romans Is there any other view Here is an older interpretation that was commonly held before those which prevail today The first part of The Great Tribulation is a verse by verse commentary on Matthew 24 written in readable nontechnical style The second part of the book contains nine articles related to the second coming of Christ and end time events The Great Tribulation provides insight on these questions What does Matthew 24 really teach Will Christs coming be in two stages Does Daniel teach that there will be a seven year tribulation Who is the antichrist and will he appear in a rebuilt temple What is the abomination of desolation Was the kingdom of God postponed Will there be a thousand year period called the millennium Will some be taken and others left behind What is the generation that Christ spoke of that is going to see it all

For Then Shall Be Great Tribulation Elisha Israel,2019-04-20 The Great Tribulation will occur prior to the Second Coming of Christ This period will be a time like no other human history A time during which the Antichrist will emerge and wreak havoc throughout the earth This book For Then Shall Be Great Tribulation provides insight into the tumultuous time For Then Shall Be Great Tribulation offers insight into the signs that lead up to the tribulation identifies the Antichrist and clears up misconceptions concerning

the Great Tribulation time frame as well as rapture doctrine If you are interested in Biblical prophecy For Then Shall Be
Great Tribulation is a must read
