*The DD Group* David Marshall, 2005-03-16 I am told that the first two names I recognized as a child were President Eisenhower and Marilyn Monroe Hopefully for my parents sake this was after I understood who Mama and Daddy were To be truthful I m not at all certain By the time the newsman interrupted my cartoons on Sunday morning August 5 1962 to tell me that Marilyn Monroe had been found dead of an overdose at the age of 36 she had become such a natural part of my daily life that I could not quite grasp the concept of a world where she was not still out there going about her surely incredible life To even begin to attempt to understand that someone as big as Marilyn Monroe could actually die threw my seven year old brain into serious philosophical doubt I kept a close watch on my parents my teachers even my close friends The way I saw it if Marilyn Monroe could die everyone was up for grabs author David Marshall from the introduction to *The DD Group* An Online Investigation Into the Death of Marilyn Monroe *Sensitive Issues* Timothy V. **Judy & I: My Life with Judy Garland** Sid Luft, 2018-04-19 Sid Luft amateur boxer producer and Judy Garland's third husband was the one man in her life who stuck around helping her achieve a meteoric comeback in the 1960s It was Luft who reversed the fortunes of an apparently faded career seeing her triumph at Carnegie Hall in *A Star Is Born* and *The Judy Garland Show* Previously unpublished Sid Luft's intimate autobiography tells their story in hard boiled yet elegant prose It begins on a fateful night in New York City when the not quite divorced Judy and the not quite divorced Sid meet at Billy Reed's Little Club A straight talking sharp shooter Sid fell for Judy hard and fast and the romance persisted through separations reconciliations and later divorce However her drug dependencies and suicidal tendencies put a tremendous strain on the relationship Sid did not complete his memoir it ended in 1960 after Judy hired David Begelman and Freddie Fields to manage her career But Randy L Schmidt acclaimed editor of *Judy Garland on Judy Garland* seamlessly pieced together the final section of the book from extensive interviews with Sid most previously unpublished Despite everything Sid never stopped loving Judy and never forgave himself for not being able to save her from the demons that ultimately drove her to an early death at age forty seven in 1969 Sid served as chief conservator of the Garland legacy until his death at the age of eighty nine in 2005 This is his testament to the love of his life In prose so brassy that it bruises the sensibilities Luft illuminates the dark side of life in the spotlight and dispels any sentimental illusions about the glories of show business in Hollywood's classic age *The New Yorker*
