Practicing the Presence of the Living God Jean Maalouf, 2011-07-13 This book Practicing the Presence of the Living God intends to be a guide for a spiritual journey It can be used in a retreat center at home or at work when you are able to secure a few moments of quiet solitude and silence It is structured around seven days the number of days normally used for a spiritual retreat However the seven days can be reduced to a weekend if this is all the time you can afford It can also be spread to a much longer time if your circumstances do not allow you to have this amount of hours at the same time All that you need is your total self God is totally present to you and you should be totally present to God also It is based on Brother Lawrence of the Resurrection s little book The Practice of the Presence of God The content of Brother Lawrence s book encompasses a lifelong application that is life changing Its message is transformative in its utmost clarity and simplicity because it reveals the heart and soul of everyone s life purpose and work to live joyfully in

the presence of God no matter what our circumstances are In his book Brother Lawrence reveals a very ordinary life that most of us would not really desire and yet as he fulfilled his everyday duties in the midst of the most mundane and tedious tasks he learned to live the happiest and most rewarding life With his gracious humility he thought only of doing little things for the love of God since he was not capable of doing great things Indeed he modeled a life lived in the glory of God's love peace and joy No wonder his book was called a little spiritual classic a devotional masterpiece an unparalleled classic and a book relevant and timeless Jean Maalouf in his thorough knowledge of Brother Lawrence's teachings becomes an exceptional guide for a retreat with Brother Lawrence

Resting Place Jane Rubietta, 2009-12 A PERSONAL RETREAT We've never needed it more We run from one place to the next from meetings and appointments to our kids soccer practice from work to class to choir rehearsal from the grocery store to small group and then drop into bed later than we hoped exhausted and dreading the morning We want to slow down but don't know how and don't really believe that we can And often the idea of a personal retreat time for solitude and silence makes us feel as anxious as all our frenzied rushing What in the world would we do with an hour an afternoon or gulp a whole day of solitude with God But what is the cost of our frantic pace What are we missing by not slowing down for reflection and meditation on Scripture What kind of toll does our anxious running take on those around us and even more deeply on our own soul In Resting Place retreat speaker Jane Rubietta addresses soul matters with retreat topics such as dealing with our fear of abandonment wrestling with discontent overcoming our attempts to control others fulfilling our deep desire to be loved Spiritual retreats help us enter Psalm 23 rest a place of true rest and trust in our loving gentle Shepherd With Scripture to meditate on quotes to contemplate questions prayer and journaling ideas and creative exercises Resting Place leads us to and through times of rest The silence and solitude will follow us into our everyday world as we allow Jesus to guide comfort and restore us Come to the Shepherd and find the true rest your soul longs for
