**Retrospect, the Memoirs of Rt. Hon. Viscount Simon** John Allsebrook Simon Simon (Viscount),1952      **Retrospect**,1952      The Marquess of Londonderry N.C. Fleming,2024-02-22 Charles Stewart Henry Vane Tempest Stewart the seventh Marquess of Londonderry has long been a divisive figure in British and Irish history Was he an anti Semitic Nazi sympathizer as some have argued or did he seek to preserve peace in Europe Should he be blamed for the breakdown of the World Disarmament Conference as the Labour party maintained or did he help to preserve the Royal Air Force that ultimately secured victory in the Battle of Britain Was he the founding father of integrated education in Northern Ireland or the friendly face of a sectarian government In the paperback edition of The Marquess of Londonderry N C Fleming answers these questions and more This updated and expanded biography draws extensively from private family papers and state papers as well as new scholarship to provide an illuminating and rounded study of an infamous and often misunderstood aristocrat It contains new details about his household and wealth his travels across the British Empire and his ownership of collieries in County Durham Londonderry s political beliefs are fully examined including his attitudes to democracy capitalism women s rights religion trade unions and anti-Semitism It charts his diplomatic efforts at the League of Nations and his promotion of Anglo German understanding in response to the aggressive policies of Adolf Hitler Fleming places Londonderry s political career in the context of aristocratic decline and growing calls for social equality He demonstrates how Londonderry defied contemporary expectations by holding on to high office and how he continued to have the attention of powerful figures even after his removal from the government      **Retrospect** John Allsebrook Simon 1st Viscount Simon,1952      The Triumph of the Dark Zara Steiner,2011-03-31 In this magisterial narrative Zara Steiner traces the twisted road to war that began with Hitler s assumption of power in Germany Covering a wide geographical canvas from America to the Far East Steiner provides an indispensable reassessment of the most disputed events of these tumultuous years Steiner underlines the far reaching consequences of the Great Depression which shifted the initiative in international affairs from those who upheld the status quo to those who were intent on destroying it In Europe the 1930s were Hitler s years He moved the major chess pieces on the board forcing the others to respond From the start Steiner argues he intended war and he repeatedly gambled on Germany s future to acquire the necessary resources to fulfil his continental ambitions Only war could have stopped him an unwelcome message for most of Europe Misperception miscomprehension and misjudgment on the part of the other Great Powers leaders opened the way for Hitler s repeated diplomatic successes It is ideology that distinguished the Hitler era from previous struggles for the mastery of Europe Ideological presumptions created false images and raised barriers to understanding that even good intelligence could not penetrate Only when the leaders of Britain and France realized the scale of Hitler s ambition and the challenge Germany posed to their Great Power status did they finally declare war      *H. H. Asquith* V. Markham Lester,2019-07-08 H H Asquith Last of the Romans chronicles the life of H H Asquith 1852 1928 the

longest serving British prime minister between Lord Liverpool and Margaret Thatcher In this study V Markham Lester argues that the key to understanding Asquith is to recognize the classical virtues he acquired early in his education Employing unpublished sources and documents made public since the last full scale biography of Asquith was published more than forty years ago Lester challenges many interpretations in earlier biographies Previous studies of Asquith have often glossed over his education and early years contending that his development did not contribute materially to his mature outlook On the contrary by examining thoroughly Asquith s early career particularly his tenure as home secretary and his time as a barrister this book offers unappreciated insights into Asquith s character and development as a political leader Lester further challenges the previous conclusions that Asquith failed as a war leader demonstrating that Asquith succeeded in meeting the novel challenges of World War I and that his accomplishments have been insufficiently understood He explains how Asquith s lifelong reliance on rational thought eloquence and self control produced the impressive leadership required to hold the fragile government together as it struggled to handle the unexpected and unprecedented challenges of world war and to lay the foundation for ultimate victory in the Great War      **British Foreign Secretaries in an Uncertain World, 1919-1939** Michael Hughes,2006 This book examines the careers of the men who served as British Foreign Secretary between 1919 and 1939 focusing in particular on the ways in which they sought to mould foreign policy

**Modern England 1901-1970** Alfred Havighurst,1976-05-13 This is a comprehensive bibliography of all printed books articles and standard texts on England Ireland Scotland the Commonwealth and the colonies up to 1970 This handbook will serve as a useful guide to scholars teachers at all levels advanced students and the general reader interested in examining the period in some depth      The Birth of British Airpower Peter John Dye,2024-10-15 The Birth of British Airpower describes how Hugh Trenchard a man with few leadership skills became a much loved and inspirational commander who laid the foundation for British airpower on the Western Front in World War I and created the preconditions for the establishment of the world s first independent air service the Royal Air Force Author Peter Dye explores how friendship can overcome significant personal and character deficiencies and how by assembling the right senior leadership team Trenchard achieved greatness The book also examines how the development of airpower doctrine in World War I owed as much to chance as to careful planning and how air superiority was achieved only through sustained effort underpinned by an effective and responsive logistic system Finally it explains how the ethos of the postwar air force was built around these experiences and the collective effort of all those involved in the air war      The Myth of Judicial Independence Mike McConville,Luke Marsh,2020-06-28 Through an examination of the history of the rules that regulate police interrogation the Judges Rules in conjunction with plea bargaining and the Criminal Procedure Rules this book explores the Westminster Model under which three arms of the State parliament the executive and the judiciary operate independently of one another It reveals how policy was framed in secret meetings with the executive which then actively misled parliament in contradiction to its ostensible

formal relationship with the legislature This analysis of Home Office archives shows how the worldwide significance of the Judges Rules was secured not simply by the standing of the English judiciary and the political power of the empire but more significantly by the false representation that the Rules were the handiwork of judges rather than civil servants and politicians The book critically examines the claim repeatedly advanced by judges that judicial independence is justified by principles arising from the rule of law and instead shows that the rule of law depends upon basic principles of the common law including an adversarial process and trial by jury and that the underpinnings of judicial action in criminal justice today may be ideological rather than based on principles

A Man For All Seasons: The Life Of K.M. Panikkar Narayani Basu, About the Book AN UNFLINCHING LOOK AT ONE OF INDIA S MOST FASCINATING FIGURES THE PUBLIC INTELLECTUAL AND DIPLOMAT WHO HELPED SHAPE A POST COLONIAL INDIA K M Panikkar was a multifaceted man one of India s first public intellectuals as India won its independence His imprint is all over India s colonial and post colonial history from constitutional reform in the princely states where he was a strong advocate for India s current federal model to charting India s maritime policy as a free country He believed in an essential Hindu culture that held his land together yet he was a committed secularist He was Gandhi s emissary and the founder of the Hindustan Times He was independent India s first and most controversial ambassador to both Nationalist China and the People s Republic of China He was Nehru s man in Cairo and France and a member of the States Reorganisation Commission He had enemies in the CIA as well as in India s own Ministry of External Affairs He frustrated his admirers as much as he provoked their reluctant respect From the British Raj to the Constituent Assembly across two world wars and an ensuing Cold War K M Panikkar was India s go to man in all seasons Through it all he never stopped writing on Indian identity nationalism history and foreign policy material that remains as relevant today as it was seven decades ago Yet about the man himself strangely little is known In A Man for All Seasons Narayani Basu bridges that gap Drawing on Panikkar s formidable body of work as well as on archival material from India to England from Paris to China and from Israel to the United Nations as well as on first time interviews with Panikkar s family Basu presents a vivid irresistibly engaging portrait of this most enigmatic of India s founding fathers Featuring a formidable cast of characters from Jawaharlal Nehru Mahatma Gandhi and Sardar Patel to Zhou Enlai Chairman Mao and Gamal Abdel Nasser A Man for All Seasons is as much a sweeping history of a young India finding its place in the world as it is the story of a man who was impossible to ignore then and remains so now

Coffee With Hitler Charles Spicer, 2022-09-06 The fascinating story of how an eccentric group of intelligence agents used amateur diplomacy to penetrate the Nazi high command in an effort to prevent the start of World War II How might the British have handled Hitler differently remains one of history s greatest what ifs Coffee with Hitler tells the astounding story of how a handful of amateur British intelligence agents wined dined and befriended the leading National Socialists between the wars With support from royalty aristocracy politicians and businessmen they hoped to use the recently founded Anglo German Fellowship as a vehicle to civilize and

enlighten the Nazis At the heart of the story are a pacifist Welsh historian a World War I flying ace and a butterfly collecting businessman who together offered the British government better intelligence on the horrifying rise of the Nazis than any other agents Though they were only minor players in the terrible drama of Europe's descent into its second twentieth century war these three protagonists operated within the British Establishment They infiltrated the Nazi high command deeper than any other spies relaying accurate intelligence to both their government and to its anti appeasing critics Straddling the porous border between hard and soft diplomacy their activities fuelled tensions between the amateur and the professional diplomats in both London and Berlin Having established a personal rapport with President Franklin D Roosevelt they delivered intelligence to him directly too paving the way for American military support for Great Britain against the Nazi threat The settings for their public efforts ranged from tea parties in Downing Street banquets at London's best hotels and the Coronation of George VI to coffee and cake at Hitler's Bavarian mountain home champagne galas at the Berlin Olympics and afternoon receptions at the Nuremberg Rallies More private encounters between the elites of both powers were nurtured by shooting weekends at English country homes whisky drinking sessions at German estates discreet meetings in London apartments and whispered exchanges in the corridors of embassies and foreign ministries Shaw A M Gibbs,1990-06-14

*Vital Crossroads* Reynolds Mathewson Salerno,2002 Most international historians present the outbreak of World War II as the result of an irreconcilable conflict between Great Britain and Germany This ubiquitous Anglo German perspective fails to recognize complex causes and repercussions of international events misappropriates historical responsibilities and overlooks many global and imperial factors of the war's origins Reynolds M Salerno shows that the situation in the Mediterranean played a decisive role in the European drama of the late 1930s and profoundly influenced the manner in which the Second World War unfolded *Vital Crossroads* is the result of the author's remarkable access to and extensive research in twenty eight archives in five different countries Concentrating on the period from the Mediterranean crisis of 1935 to Italy's declaration of war in June 1940 Salerno demonstrates that the international politics of pre World War II Europe particularly in the Mediterranean can only be understood as the multilateral interaction of British French German and Italian foreign and defense policies Control of the Mediterranean he asserts was a central concern for the European powers in 1935-40 and a fundamental reason why Europe went to war and why the conflict unfolded as it did As a result France and Italy influenced and often determined the nature and direction of Allied and Axis policy to an extent disproportionate to their nations military and economic strength Salerno contends that the Allies reluctance to take decisive action against Fascist Italy in 1939-40 contributed to the fall of France in 1940 Britain's desperate situation in 1940-41 and the post war collapse of Britain as a world power At a time when the Allied powers dreaded the ability of the German military to march across the European continent they also feared that the Italian armed forces would strive to fulfill Mussolini's grand imperial ambitions in the Mediterranean **The English and Colonial Wars in the Nineteenth Century** Daniel

Duman,2023-05-03 *The English and Colonial Bars in the Nineteenth Century* 1983 explores the impact of a changing society on the legal profession Of central concern is the practising bar of England and Wales and its evolution from a small highly centralised profession to a mass body that had lost much of its corporate unity This study also examines the role of the inns of court as forging members of the governing elite and looks at the participation of barristers in the world of business as well as considering the structure of the colonial legal profession Political Anti-Semitism in England 1918-1939 G.

Lebzelter,1978-06-17 *Chocolate on Trial* Lowell Joseph Satre,2005 At the turn of the twentieth century Cadbury Bros Ltd was a successful Quaker owned chocolate manufacturer in Birmingham England celebrated for its model village modern factory and concern for employees In 1901 the firm learned that its cocoa beans purchased from Portuguese plantations on the island of S o Tom off West Africa were produced by slave labor *Chocolate on Trial* Cadbury Slavery and the Economics of Virtue in Imperial Britain gives a lively and highly readable account of the events surrounding the libel trial in which Cadbury Bros Ltd sued the London Standard following the newspaper s accusation that the firm was hypocritical in its use of slave grown cocoa As compelling now as at the turn of the previous century the issues probed by Lowell J Satre give invaluable historical background to contemporary issues of business ethics corporate social responsibility and globalization The story Satre tells illuminates what a stubbornly persistent institution slavery was and shows how Cadbury a company with a well regarded brand name and logo endured ethical dilemmas and challenges to its record for social responsibility *Chocolate on Trial* brings to life the age old conflict between economic interests and the value of human life Satre illuminates the stubborn persistence of the institution of slavery and shows how Cadbury a company with a well regarded brand name from the nineteenth century faced ethical dilemmas and challenges to its record for social responsibility *Chocolate on Trial* brings to life the age old conflict between economic interests and regard for the dignity of human life Alternatives to Appeasement

Andrew David Stedman,2014-12-16 Neville Chamberlain s policy of appeasing Hitler s Germany has been widely condemned However historians and politicians have been divided about the viability of alternative courses of action Andrew David Stedman s illuminating new study of British foreign policy before World War II systematically analyses the various alternatives to appeasement from isolationism to collective security to outright war and examines their origins risks and feasibility It surveys the advocates of other strategies including key thinkers and decision makers such as Churchill Eden Amery Beaverbrook and Halifax and outlines the complexities of the decisions they faced which have previously been largely overlooked Marking a valuable new contribution to appeasement historiography this is the first work to synthesise all the alternatives available to Chamberlain as well as illuminating policy debate within the British government Stedman provides a vigorous analysis of Chamberlain s assessment of each rival policy and shows why ultimately he opted for appeasement Also contributing to debates on the use of appeasement in the modern world this book will be essential reading for historians of World War II and the twentieth century as well as scholars of International Relations Anglo-American Strategic Relations

*and the Far East, 1933-1939* Greg Kennedy,2013-01-11 This volume charts how the national strategic needs of the United States of America and Great Britain created a parallel but not joint relationship towards the Far East as the crisis in that region evolved from 1933 39 In short it is a look at the relationship shared between the two nations with respect to accommodating one another on certain strategic and diplomatic issues so that they could become more confident of one another in any potential showdowns with Japan
