*The Hanging Valley* Peter Robinson, 2008-12-02 The fourth installment of Robinson's internationally bestselling Inspector Banks series It began with a faceless maggot ridden corpse in a tranquil hidden valley above the village of Swainshead Or did it really begin with the unsolved murder in the same area over five years earlier The villagers especially those who frequent the White Rose are annoyingly silent Among the suspects are the Collier brothers Stephen and Nicholas from the wealthiest and most powerful family in Swainsdale John Fletcher a local farmer Sam Greenock owner of the village's best guest house and his unhappy wife Katie who knows more than she realizes When the Colliers use their influence to slow down the investigation and the others clam up Inspector Banks heads for Toronto to track down the killer He soon finds himself in a race against time as events rush towards the shocking conclusion

national identities influenced their new lives and helped shape their memories Their stories contribute to our understanding of postwar immigration and fill a significant gap in the history of English migration to Canada
