Return Of Messiah:

The Soon Return of Jesus the Messiah: are you ready? Dr. Albert Nucciarone, 2019-05-29 Many volumes on end time Biblical prophecies have been written by theologians and scholars In his third book Albert Nucciarone does not claim to be a theologian or a scholar His interest in Biblical prophecy and seeing the signs of His coming he is passionate to reach people with the good news of the Gospel of Jesus Christ Living and working in the Biblical Lands confirms the authenticity of the Bible and helps to understand its message The living reality of Israel and the Jewish people are a sign of His soon coming Pastor Al s study of the Bible his interest in historical and current events the prophecies being fulfilled before his eyes prompts him to write this book As a warning and encouragement to believers and non believers alike Get ready for the soon return of Jesus the Messiah *The Return of Jesus ...* Carlyle Boynton Haynes, 1943 God and His World Prophecies of Christ s First Coming The Messiah of the Jews The Virgin Born The Substitutionary Death The Living Christ The God Man The World s Redeemer [The Messiah'S Imminent Return](#) DeLinda N. Baker, 2017-11-13 Throughout both the Old and New Testament there are numerous prophecies pointing to the return of the Messiah in power and glory In the early church a prevailing message was Jesuss promise to return in the clouds The knowledge that the Messiah would someday return and deliver Israel and the saints from the evils of this world has been a tremendous source of encouragement over the ages The questions have been and continue to be When will Jesus return Have the signs of his return been fulfilled Is the Messiahs return imminent In this book we will explore the scriptures that outline the signs that will precede the return of Jesus Christ in power and glory In addition to looking at scriptures on the topic we will look at current and historical events that may be significant Also we will ask how this impacts Christians and how we should respond In Matthew 25 Jesus tells a parable of a bridegroom and ten virgins The bridegrooms return was delayed so that the wedding party became drowsy and fell asleep When he returned late in the night only those who were ready went with him to the wedding feast The others were left behind As Christians we need to be ready for Jesuss return Come prepared to dig deep into scriptures and look forward to Jesuss return **The Return of the Lord Jesus** R. A. Torrey, 2012-07-02 What Will Happen to You Jesus could return at any moment Here are the scriptural answers to questions about the time manner and results of His return including What will be going on when Jesus returns Will non Christians have a chance to repent How can I be ready for the rapture When will I receive my heavenly reward When will I receive my new body Who will reign with Christ What will happen to believers who have died Many people view Christ s return to the earth as either improbable or dreadful However for those who know Him personally His return will be a day of joy transformation and reunion You can be ready for the greatest day the world has ever seen **When Will the Messiah Return?** J. K. McKee, 2009-01-01 *When Jesus actually returns | A dialogue between The Messiah & Google's A.I* Jean Paul Martienz, 2023-07-30 In a world on the brink of chaos because of a meltdown a messiah emerges to lead humanity into a new era of peace and prosperity But as the messiah s power grows so too does his

doubt Can he really be the one to save humanity or is he just another false prophet When the messiah meets with Bard the world s most powerful AI he is confronted with questions that challenge his beliefs and force him to question his own purpose Questions that have puzzled philosophers for centuries such as the meaning of life the purpose of suffering and the future of humanity They explore these questions in a way that has never been done before They draw on the wisdom of the ages as well as the latest insights from science and technology In the process they uncover truths that will change the course of history They learn that the future of humanity is not predetermined and that they have the power to shape their own destiny The Jesus actually returns is a gripping and thought provoking dialogue that will challenge your beliefs and change the way you see the world It is a story about the power of faith the importance of free will and the potential of AI to shape the future of humanity When the messiah meets with Bard the world s most powerful AI he is confronted with questions that he has never even considered What is the meaning of life What is the purpose of suffering And what is the future of humanity As the messiah and Bard engage in a long and deep conversation they explore the most fundamental questions of existence They discuss the nature of good and evil the role of free will and the possibility of a higher power They also explore the impact of AI on society and the potential for AI to become a threat to humanity In the process the messiah and Bard uncover truths that will change the course of history They learn that the future of humanity is not predetermined and that they have the power to shape their own destiny They also learn that AI is not a threat to humanity but rather a tool that can be used for good or evil The Messiah and the AI is a gripping and thought provoking novel that will challenge your beliefs and change the way you see the world It is a story about the power of faith the importance of free will and the potential of AI to shape the future of humanity

The Second Coming John MacArthur, 2006-01-09 And if I go and prepare a place for you I will come again and will take you to myself that where I am you may be also John 14:3 ESV Jesus Christ was very clear One day He will return and none of us knows when Vocal fanatics claim to know the details of the Second Coming causing many Christians to all but ignore the good news that Jesus is coming again Yet God s own Word commands us to know the signs of the times to remain watchful and to be ready whenever Christ comes This book is a straightforward in depth exploration of the key biblical texts regarding the Second Coming most notably Christ s longest and most important eschatological message the Olivet Discourse As you study what the Word of God says about these matters it will stir in your heart an earnest longing for Christ s return as well as a certainty about how to live expectantly until He comes again

The Return of Jesus in Early Christianity John T. Carroll, 2000 The goal is not to construct a systematic eschatology for today that will convince everyone an impossible task but to understand the diversity of Christian teaching by illuminating the historical social and theological settings of the early Christian writings on the topic
