

THE RETURN OF

# SWAMP THING

# Return Of Swamp Thing

**David M. Odorisio**

## **Return Of Swamp Thing:**

**The Return of Swamp Thing** Peter David,1989      The Return of Swamp Thing Peter David,Derek Spencer,Grant Morris,1989 Ashamed of his grotesque appearance Swamp Thing dwells alone in the swamp until the beautiful Abigail spurs him to battle the evil Dr Arcane who caused him misery a battle in which humanity hangs in the balance      **Spinegrinder** Clive Davies,2015-03-06 First came video and more recently high definition home entertainment through to the internet with its streaming videos and not strictly legal peer to peer capabilities With so many sources available today s fan of horror and exploitation movies isn t necessarily educated on paths well trodden Universal classics 1950s monster movies Hammer as once they were They may not even be born and bred on DAWN OF THE DEAD In fact anyone with a bit of technical savvy quickly becoming second nature for the born clicking generation may be viewing MYSTICS IN BALI and S S EXPERIMENT CAMP long before ever hearing of Bela Lugosi or watching a movie directed by Dario Argento In this world H G Lewis so called godfather of gore carries the same stripes as Alfred Hitchcock master of suspense SPINEGRINDER is one man s ambitious exhaustive and utterly obsessive attempt to make sense of over a century of exploitation and cult cinema of a sort that most critics won t care to write about One opinion 8 000 reviews or thereabouts      **The Films of the Eighties** Robert A. Nowlan,1991-01-01 The 1980s had more than its share of both emerging stars and final tributes paid to luminaries as well as smash hits and bombs memorable and boring performances and new trends and tried and true formula offerings The Film of the Eighties includes numerous examples of all of these Each entry has the year of release production company country of origin U S U K Australian Canadian leading performers and the characters they portrayed and comprehensive credits A brief description review and evaluation of the film s cinematic values if any are also provided      *The Worst Movie Sequels Of All Time* Scott Dylan,2023-07-17 Sequels are not always a bad thing They don t have to be terrible We can all think of great sequels But for every good sequel there are a host of truly terrible sequels Sequels to films that didn t even need a sequel sequels that were rushed into production with no script sequels so preposterously belated no one could even remember the original film If there is one constant in the world of film it is unnecessary and terrible sequels So let s lift the veil over the most misguided and inept sequels ever produced and explore the worst sequels of all time      **A Critical Companion to Wes Craven** John Darowski,Fernando Gabriel Pagnoni Berns,2023-08-08 In A Critical Companion to Wes Craven contributors use a variety of theoretical frameworks to analyze distinct areas of Craven s work including ecology auteurism philosophy queer studies and trauma This book covers both the successes and failures contained in Craven s extensive filmography ultimately revealing a variegated portrait of his career Scholars of film studies horror and ecology will find this book particularly interesting      **Superheroes Smash the Box Office** Shawn Conner,2023-09-06 In 1997 the superhero movie was all but dead The last Superman flick had been released a decade earlier to disastrous reviews and ticket sales The most recent Batman film was a franchise killing bomb And an oft promised Spider Man feature was grounded Yet a mere five

years later this once derided genre would be well on its way to world domination at the box office and even critical respectability How did this happen And why two decades later does the phenomenon show no sign of abating Here for the first time is an extensively researched soup to nuts history of the superhero movie from the first bargain basement black and white serials to today's multiverse blockbusters Chronicling eight decades of stops and starts controversies and creators good guys and bad guys onscreen and off this entertaining account explains how and why our entertainment universe came to be overpowered by costumed crimefighters and their nefarious counterparts [The American Superhero](#) Richard A. Hall, 2019-02-06 This compilation of essential information on 100 superheroes from comic book issues various print and online references and scholarly analyses provides readers all of the relevant material on superheroes in one place The American Superhero Encyclopedia of Caped Crusaders in History covers the history of superheroes and superheroines in America from approximately 1938 to 2010 in an intentionally inclusive manner The book features a chronology of important dates in superhero history five thematic essays covering the overall history of superheroes and 100 A-Z entries on various superheroes Complementing the entries are sidebars of important figures or events and a glossary of terms in superhero research Designed for anyone beginning to research superheroes and superheroines The American Superhero contains a wide variety of facts figures and features about caped crusaders and shows their importance in American history Further it collects and verifies information that otherwise would require hours of looking through multiple books and websites to find

**The Pleasure and Pain of Cult Horror Films** Bartłomiej Paszyk, 2009-06-08 The horror genre harbors a number of films too bold or bizarre to succeed with mainstream audiences but offering unique startling and often groundbreaking qualities that have won them an enduring following Beginning with Victor Sjostrom's *The Phantom Carriage* in 1921 this book tracks the evolution and influence of underground cult horror over the ensuing decades closing with William Winckler's *Frankenstein vs the Creature from Blood Cove* in 2005 It discusses the features that define a cult film trends and recurring symbols and changing iconography within the genre through insightful analysis of 88 movies Included are works by popular directors who got their start with cult horror films including Oliver Stone David Cronenberg and Peter Jackson

**Opposable Thumbs** Matt Singer, 2023-10-24 Once upon a time if you wanted to know if a movie was worth seeing you didn't check out Rotten Tomatoes or IMDB You asked whether Siskel Ebert had given it two thumbs up On a cold Saturday afternoon in 1975 two men who had known each other for eight years before they'd ever exchanged a word met for lunch in a Chicago pub Gene Siskel was the film critic for the Chicago Tribune Roger Ebert had recently won the Pulitzer Prize the first ever awarded to a film critic for his work at the Chicago Sun Times To say they despised each other was an understatement When they reluctantly agreed to collaborate on a new movie review show with PBS there was at least as much sparring off camera as on No decision from which films to cover to who would read the lead review to how to pronounce foreign titles was made without conflict but their often antagonistic partnership which later transformed into genuine friendship made for

great television In the years that followed their signature Two thumbs up would become the most trusted critical brand in Hollywood In Opposable Thumbs award winning editor and film critic Matt Singer eavesdrops on their iconic balcony set detailing their rise from making a few hundred dollars a week on local Chicago PBS to securing multimillion dollar contracts for a syndicated series a move that convinced a young local host named Oprah Winfrey to do the same Their partnership was cut short when Gene Siskel passed away in February of 1999 after a battle with brain cancer that he d kept secret from everyone outside his immediate family including Roger Ebert who never got to say goodbye to his longtime partner But their influence on in the way we talk about and think about movies continues to this day [Horror Film Directors, 1931-1990](#)

Dennis Fischer,2024-10-17 This is an exhaustive study of the major directors of horror films in the six decade period For each director there is a complete filmography including television work a career summary critical assessment and behind the scenes production information Fifty directors are covered in depth but there is an additional section on the hopeless the obscure the promising and the up and coming **Wes Craven** John Kenneth Muir,1998-01-01 Filmmaker Wes Craven has

consistently and imaginatively scared movie audiences since the early 1970s His films encompass a variety of styles elements and themes from the nihilistic existentialism of The Last House on the Left to the successful A Nightmare on Elm Street which sent horror in a bold new direction to the hallucinatory dreamscapes of The Serpent and the Rainbow And in the nineties Craven returned with the Scream films which were simultaneously funny clever and scary films that overturned the horror cliches of the eighties The present work provides a history of Craven s film career since 1972 examining all the themes and techniques the filmmaker explored For each film a synopsis cast and credits historical context and critical commentary are provided Also covered in detail are Craven s forays into television including movies such as Stranger in the House and work on such series as The New Twilight Zone [The Motion Picture Annual](#) ,1990 **Total Cults: How to**

**Love Movies You Probably Shouldn't** Doctor Gogol,James Trick,2014-11-25 Remember that movie You know the one where the guy in the rubber sea creature outfit drives a quad bike into a reactor at the centre of an alien spaceship The one that despite its lack of production value terrible script and wobbly politics still fills you full of warmth when you think of it Well we at TotalCults com are right there with you So join us as we review dissect and discuss all manner of crazy movies and weird TV shows in a celebration of all that is looked down upon in the world of cult entertainment *Slimetime* Steven Puchalski,2002 Utilising in depth reviews cast and plot details Slimetime wallows in those films which the world has deemed it best to forget everything from cheesy no budget exploitation to the embarrassing efforts of Major Studios Many of these films have never seen a major release some were big hits and others have simply vanished To compliment the wealth of reviews on sci fi schlock flower power and puppet people films are detailed essays on specific sleaze genres such as Biker Blaxploitation and Drug movies Fully updated and revised with new reviews and new illustrations [Comics and the U.S. South](#) Brannon Costello,Qiana J. Whitted,2012-01-20 Comics and the U S South offers a wide ranging and long overdue

assessment of how life and culture in the United States South is represented in serial comics graphic novels newspaper comic strips and webcomics Diverting the lens of comics studies from the skyscrapers of Superman's Metropolis or Chris Ware's Chicago to the swamps backroads small towns and cities of the U S South this collection critically examines the pulp genres associated with mainstream comic books alongside independent and alternative comics Some essays seek to discover what Captain America can reveal about southern regionalism and how slave narratives can help us reread Swamp Thing others examine how creators such as Walt Kelly Pogo Howard Cruse Stuck Rubber Baby Kyle Baker Nat Turner and Josh Neufeld A D New Orleans after the Deluge draw upon the unique formal properties of the comics to question and revise familiar narratives of race class and sexuality and another considers how southern writer Randall Kenan adapted elements of comics form to prose fiction With essays from an interdisciplinary group of scholars *Comics and the U S South* contributes to and also productively reorients the most significant and compelling conversations in both comics scholarship and in southern studies

*Children Beware!* Filipa Antunes, 2020-02-07 How does a culture respond when the limits of childhood become uncertain The emergence of pre adolescence in the 1980s which is signified by the new PG 13 rating for film disrupted the established boundaries between childhood and adulthood The concept of pre adolescence affected not only America's pillar ideals of family and childhood innocence but also the very foundation of the horror genre's identity its association with maturity and exclusivity Cultural disputes over the limits of childhood and horror were explicitly articulated in the children's horror trend 1980 1997 a cluster of child oriented horror titles in film and other media which included Gremlins The Gate the Goosebumps series and others As the first serious analysis of the children's horror trend with a focus on the significance of ratings this book provides a complete chart of its development while presenting it as a document of American culture's adaptation to pre adolescence Each important children's horror title corresponds to a key moment of ideological negotiation cultural power struggles and industrial compromise

**A New Gnosis** David M. Odorisio, 2023-01-01 Superhero phenomena exploded into 20th and 21st century popular culture by way of the visual medium of comic books In an increasingly secular yet spiritual culture that has largely renounced the gods and even religion what does the return of the superhero through our own pop cultural mythologies say to us or even about us This collection of essays from leading and up and coming scholars in the fields of comparative mythology and depth psychology considers the return of the superhero as representative of our own unique emergent modern mythology a wildly diverse pantheon that reflects back to us our most far reaching hopes and impossible super human desires In placing the interpretive tools of comparative mythology and depth psychology alongside the comic book phenomenon a super powered palette emerges that unveils the hidden potential of modern readers own heightened imaginations The essays in this anthology examine select comic book and superhero characters from the Silver Age 1960s through contemporary 21st century adaptations and innovations as readers are invited to discover and uncover what the re emergence of these perennial gods and goddesses have to say about our own secret super selves today

Leonard Maltin's 2009 Movie Guide Leonard Maltin, Luke Sader, Mike Clark, 2008 Offers readers a comprehensive reference to the world of film including more than ten thousand DVD titles along with information on performers ratings running times plots and helpful features

Encyclopedia of Film Themes, Settings and Series Richard B. Armstrong, Mary Willems Armstrong, 2015-07-11 The first edition was called the most valuable film reference in several years by Library Journal The new edition published in hardcover in 2001 includes more than 670 entries The current work is a paperback reprint of that edition Each entry contains a mini essay that defines the topic followed by a chronological list of representative films From the Abominable Snowman to Zorro this encyclopedia provides film scholars and fans with an easy to use reference for researching film themes or tracking down obscure movies on subjects such as suspended animation viral epidemics robots submarines reincarnation ventriloquists and the Olympics Excellent said Cult Movies The volume also contains an extensive list of film characters and series including B movie detectives Western heroes made for television film series and foreign film heroes and villains
