## Return Of The Twelves:

*The Return of the Twelves* Pauline Clarke,2001-02 In his new home a young boy finds twelve old wooden soldiers with definite personalities and a fascinating history that once belonged to the famous Bront children *The Return of the Twelves* Pauline 1921- Clarke,2021-09-09 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public To ensure a quality reading experience this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy to read typeface We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **The Return of the Twelves** Pauline Mosby,1963 *Yachting* ,1988-11 How the Heather Looks Joan Bodger,2022-05-17 A feast for any lover of English children s books Christian Herald Over sixty years ago Joan Bodger her husband and their two children traveled to the UK for the adventure of a lifetime There they sought to discover the lands they knew from their beloved children s books Come along and see for yourself the people and places behind the stories we love In Edinburgh they stand outside the childhood home of Robert Louis Stevenson They discover the countryside that inspired Caldecott s illustrations in Whitworth In the Lake District the farm where Jemima Puddle duck laid her eggs And in Winnie the Pooh Country Mrs Milne herself shows the way to that enchanted place on the top of the Forest where a little boy and his Bear will always be playing Join their adventures from sleeping in a wagon to messing about in boats on the Thames While not all their quests end in victory like any marvelous story how they get there is what matters While we can t all make the journey ourselves we can let Joan Bodger take us along As Emily Dickinson says even if we have never seen a moor we can still imagine how the heather looks *How the Heather Looks* has been called the book most often stolen by retiring children s librarians This new edition features the stunning art by Mark Lang and the authors afterword written thirty years after the book was first released **Norfolk and Western Magazine** ,1964 **Arms and the Woman** Helen M. Cooper,Adrienne Auslander Munich,Susan Merrill Squier,2000-11-15 Although the themes of women s complicity in and resistance to war have been part of literature from early times they have not been fully integrated into conventional conceptions of the war narrative Combining feminist literary criticism with the emerging field of feminist war theory this collection explores the role of gender as an organizing principle in the war system and reveals how literature perpetuates the ancient myth of arms and the man The volume shows how the gendered conception of war has both shaped literary texts and formed the literary canon It identifies and interrogates the conventional war text with its culturally determined split between warlike men and peaceful women and it confirms that women s role in relation to war is much more complex and

complicitous than such essentializing suggests The contributors examine a wide range of familiar texts from fresh perspectives and bring new texts to light Collectively these essays range in time from the Trojan War to the nuclear age The contributors are June Jordan Lorraine Helms Patricia Francis Cholakian Jane E Schultz Margaret R Higonnet James Longenbach Laura Stempel Mumford Sharon O'Brien Jane Marcus Sara Friedrichsmeyer Susan Schweik Carol J Adams Esther Fuchs Barbara Freeman Gillian Brown Helen M Cooper Adrienne Auslander Munich and Susan Merrill Squier

When Toys Come Alive Lois R. Kuznets,1994-01-01 In this work the author studies the role of toy characters in works ranging from older classics such as Pinocchio and Winnie the Pooh to modern texts such as The Mouse and his Child and the comic strip Calvin and Hobbes science fiction with robots and cyborgs **The Theological and Miscellaneous Works.**

Brink,2002 One cause of the behavioral emotional and mental torment in a person's life is the psychological trauma that results from the actions and words of parents and others This volume examines the effect of such trauma on a child's development and how the resulting torment eventually brings this child as an adult to psychotherapy

Crow,2014-08-15 Even as we celebrate the return of our military from wars in the Middle East we are becoming increasingly aware of the struggles that await veterans on the home front Red White and True offers readers a collection of voices that reflect the experiences of those touched by war from the children of veterans who encounter them in their fathers recollections of past wars to the young men and women who fought in the deserts of Iraq and Afghanistan The diversity of perspectives collected in this volume validates the experiences of our veterans and their families describing their shared struggles and triumphs while honoring the fact that each person's military experience is different Leila Levinson's powerful essay recounts her father's experience freeing a POW camp during World War II Pulitzer Prize winning author Tracy Kidder provides a chilling account of being a new second lieutenant in Vietnam Army combat veteran Brooke King recounts the anguish of raising her young children by day while trying to distinguish between her horrific memories of IED explosions in Baghdad and terrifying dreams by night These individual stories of pain and struggle along with twenty nine others illustrate the inescapable damage that war rends in the fabric of society and celebrate our dauntless attempts to repair these holes
