Return To Terror:

Return to Terror Tower R. L. Stine, 1998-05-01 The reader travels back in time to the Middle Ages and is trapped in Terror Tower and must find the way past dragons and soldiers to get out **The Return** Walter De la Mare, 1922 Return to Terror Freda Mary Hurt, 1974 The Return Walter de la Mare, 2023-07-17 After visiting a graveyard a man finds his appearance has mysteriously changed Returning home only to be received with horror and suspicion by his family he must reckon with the social consequences of his bizarre transformation while searching for an explanation and solution Walter de la Mare has a reputation for crafting ghost stories of philosophical depth and haunting ambiguity The Return one of only two of his long form supernatural works follows this trend and sees de la Mare exploring ideas of personal identity spirituality and the consequences of living in blind adherence to social expectations Functioning as a fantastical agent of mid life crisis Arthur Lawford's condition uproots the foundations of his existence and casts into doubt all he had taken for granted about himself and his place in the world There are no cheap scares or easy answers in The Return It's a work rich with enigmatic detail describing a struggle to find meaning in a world where nothing is certain a theme as relevant and recognizable now as when the novel was first published in 1910 **Ambril's Tale, The Return of the Dullaith**, Jihad Hussein Solomon, 2013-01-01 What are the factors which have made South Africa so appealing to terrorist and radical Islamic organisations What role has South Africa played within global Jihad This book examines how South Africa has come to play a major role in global terror networks stemming from growing criminality and corruption within state structures It also examines the interaction between local and foreign extremist elements which undermine South Africa's security The author brings the discussion beyond the usual mundane academic treatise to the sharp reality of the global dangers of politicised Islam a Muslim talking candidly about Islam Thoughts on Machiavelli Leo Strauss, 1978 Leo Strauss argued that the most visible fact about Machiavelli's doctrine is also the most useful one Machiavelli seems to be a teacher of wickedness Strauss sought to incorporate this idea in his interpretation without permitting it to overwhelm or exhaust his exegesis of The Prince and the Discourses on the First Ten Books of Livy We are in sympathy he writes with the simple opinion about Machiavelli namely the wickedness of his teaching not only because it is wholesome but above all because a failure to take that opinion seriously prevents one from doing justice to what is truly admirable in Machiavelli the intrepidity of his thought the grandeur of his vision and the graceful subtlety of his speech This critique of the founder of modern political philosophy by this prominent twentieth century scholar is an essential text for students of both authors Niketas Choniates Alicia Simpson, 2013-09-26 Niketas Choniates History is the single most important source for a crucial period in Byzantine history which began with the death of Alexios I Komnenos in 1118 and culminated with the capture of Constantinople by the armies of the Fourth Crusade in 1204 In this first book length study of the History in English Simpson reviews the complex manuscript tradition and transmission of the text and examines the substantial differences in style content and purpose

between the two main versions in which it has been preserved Investigating issues related to historical narrative and imperial biography including genre and characteristic features narrative structure and character depiction the volume also explores the sources from which Niketas Choniates compiled his account and the literary models and historical concepts which guided him It emphasizes his literary mimesis of earlier writers his creative and often innovative use of rhetorical forms and techniques and his historical methodology and outlook Finally the book delves into the author s world in order to uncover his personal prejudices and preoccupations and takes into account his other works namely the orations and letters as well as the theological treatise the Dogmatike Panoplia

Proceedings Before the Permanent Court of Arbitration , 1912 The Path of Handsome Lake Dr. Alf H. Walle, 2004-08-01 This group of essays is written to provide a series of suggestions to Native people who seek to deal with alcoholism from the perspective of their unique heritages and with an understanding that the pressures to which Native traditions and societies have been subjected may trigger dysfunctional behavior such as excessive drinking

The Abyssal Menace G Minerva, 2025-09-04 The Abyssal Menace is a gripping thriller that plunges into the terrifying consequences of human technological ambition and nature s fierce retaliation The story opens on a serene and popular beach where tranquility shatters with the sudden and horrifying attack of a colossal blue whale Chaos erupts leaving many injured and several dead The sheer unpredictability of the attack and the whale s mysterious disappearance leave everyone bewildered After a temporary closure the beach eventually reopens attempting to return to normalcy However the terror is far from over The whale strikes again this time with even greater ferocity This second assault galvanizes the authorities leading to the implementation of stringent surveillance A determined team of heroes comprising both men and women delves deep into the mystery Their relentless investigation uncovers a shocking truth hidden far beneath the ocean s surface lies a secret research laboratory It is here that the blue whale was artificially created and specifically trained for these destructive attacks This isn t a natural phenomenon it s a terrifying weapon crafted by human hands The protagonist and their companions overcoming immense odds manage to eliminate the whale But their mission doesn t end there They realize the true danger isn t the whale itself but the clandestine laboratory behind it Venturing into the ocean s depths they launch a perilous assault on the facility and after a fierce battle succeed in completely destroying it The Abyssal Menace is more than just a tale of a whale attack it s a chilling exploration of the repercussions of misusing science and technology a formidable threat to humanity s existence
