## Return Of The Goddess:

Return of the Goddess Edward C. Whitmont, 1997 Argues that modern society is turning away from the male concepts of power an agressiveness and returning to feminine values such as instinct intuition and emotion *The Return of the Goddess* Elixirs de Sagesse, 2023-03-17 This story you are about to read is the story of your future In the course of this reading you will undergo a total transformation of your being in the purest and most rightful universal manner View this book as the energy of Love shining through each page every sentence and each word that you read It is time for Humanity to reveal itself to itself through this unique flow which is the only way to Be until the old secrets are revealed once again on your planet This is a testimony of a reality that will open itself to you at the end of this book Humans of Earth see this testimony as the purest representation of our Love for you Allow yourself to be carried along in this harmonious flow so that you may recognize yourselves and when you do I will be there reaching out to you Let this Love be Absolute Isis **Rebirth of the Goddess** Carol P. Christ, 1998-10-15 First published in 1999 One of the most unexpected developments of the late twentieth century is the rebirth of the religion of the Goddess in western cultures Though we were taught that the Gods and Goddesses died with the triumph of Christianity the re emergence of the Goddess is not as surprising as it might seem This book explores the meaning of the Goddess and the questions we ask as well as the ways we answer them The Return of the Gods Jonathan Cahn, 2022-09-06 NEW YORK TIMES Best Selling Author From the author that brought you 6 New York Times best selling books including The Harbinger The Book of Mysteries The Oracle and The Harbinger II Is it possible that behind what is taking place in America and the world lies a mystery that goes back to the gods of the ancient world and that they now have returned The Return of the Gods is the most explosive book Jonathan Cahn has ever written It is so explosive and so revealing that no description here could do it justice Jonathan Cahn is known for revealing the stunning mysteries many from ancient times that lie behind and are playing out in the events of our times But with The Return of the Gods Cahn takes this to an entirely new level and dimension The Return of the Gods Cahn takes the reader on a journey from an ancient parable the ancient inscriptions in Sumer Assyria and Babylonia that become the puzzle pieces behind what is taking place in our world to this day specifically in America Is it possible that what we in the modern world take as nothing more than ancient mythology could actually possess a reality beyond our fathoming Who is the Possessor The Enchanter The Destroyer And the Sorceress Could a sign that has appeared all over America and the world be linked to the gods of Mesopotamia And if so what does it actually mean Could the gods have returned to New York City and an ancient mythology played out on the streets in real time Is it possible that the gods lie behind everything from what appears on our computer monitors our televisions and movie screens to the lessons given in our classrooms to the breakdown of the family to wokism to the occult to our addictions to the Supreme Court to cancel culture to children s cartoons to every force and factor that has transformed the parameters of gender to that which appears in our stores on our T shirts and on our coffee mugs to that which is at this

very moment transforming America and much of the world Is it possible that behind all these things are ancient mysteries that go back to the Middle East and ancient Mesopotamia This and so much more most of which we can t even reveal in this description will be uncovered The Return of the Gods is not only one of the most explosive books you ll ever read but also one of the most profound It will reveal the most stunning secrets and truths behind what is happening before your eyes in America and the nations You will see things even in your world in a whole new light With such chapters as The House of Spirits The Avatar The Masters The Deep Magic and The Day of the Goddess The Return of the Gods will take readers on a fascinating unforgettable and mind blowing journey that will leave them stunned and with the ability to see the world as they never have before Be prepared to be blown away as you open up Jonathan Cahn s most explosive book ever The Return of the Gods

**The Return of the Goddess** Elizabeth Cunningham,2023-08-15 The Goddess is returning She takes shape in the hands of an Episcopal priest s shy retiring wife She invades the dreams of a grande dame who thinks women priests are a scandal She lures a poker playing ex convict onto unfamiliar terrain literally Then there is the mysterious old man in the wood who s been watching waiting for a sign of her return Who is the Goddess Where has she been for so long What does she want from the four human beings whose lives she is turning upside down and inside out As they confront these questions Esther Spencer Marvin and Fergus find themselves drawn together forging friendships across boundaries of age class and race discovering and recovering powerful erotic passions All their encounters with themselves and each other lead them deeper into Blackwood an old estate that shelters an imperiled grove of trees sacred to the Goddess a grove it becomes their mission to save The Return of the Goddess A Divine Comedy marks Cunningham s first explicit exploration of Christianity and the power of a divine feminine long forgotten obscured and suppressed by the Church She went on to write The Maeve Chronicles featuring her iconic outspoken Celtic Magdalen The Return of the Goddess takes the reader inside the world of Cunningham s origins where a gap in a wall leads from the church to the sacred grove Twenty six years after its first publication The Return of the Goddess A Divine Comedy remains a classic in what has become a movement both within established religions and beyond to reclaim the goddess and to embody her return

Stories of the Goddess Marit Clementz,Ingvild Forbord,2024-05-14 The well known archaeologist Marija Gimbutas found through her excavations and research in Europe from prehistoric times that there have been societies that lived in peace for millennia and where the highest deity was feminine Gimbutas believed women played a central role in the religions and society of what she called ancient Europe In societies where the goddess was the supreme deity life was celebrated not death and men and women were equal People lived in harmony with nature and built their cities on fertile plains The knowledge of a possible peaceful society where the goddess ruled and where the union between man and woman was sacred

has made women and men believe that a better world is possible On this background Clementz and Forbord try to find traces of the Great Goddess in symbolism that recurs in myths and fairy tales The book reproduces a selection of these and sheds new light on them with the help of religious historical theory We join the goddess Inanna to the underworld hear the legend of Kuan Yin follow the tracks of the black Madonnas investigate the Grail mysteries look into the Great Goddess of the North and see fairy tales about true love in a new light The interested reader can look forward to many moments of realization in the company of the authors and their interpretations of known and unknown myths and fairy tales all from a female perspective Ingvild Forbord is a teacher with a major in the history of religion Marit Clementz is a teacher and professional storyteller Together they run the Women s Academy which organizes workshops and travels related to the themes in this book They have an online course called Eve s Apples and lead Wise Women Circles online once a month

[Return of the Divine Sophia](#) Tricia McCannon,2015-03-06 An initiatic journey into the Mysteries of the Goddess and humanity s return to an age of peace and celestial light Details the ceremonies and rituals of initiation into the Fellowship of Isis Reveals the lost teachings of Jesus about the Divine Mother and Father and how the goddess Sophia is connected to Mary Magdalene as the Female Christ Explores the many archetypes of the Goddess including Isis Brigit and the Black Madonna and how we can transform into Homo luminous spiritual beings of light Called through her dreams by the Priestesses of Isis Tricia McCannon set out on a spiritual journey into the Mysteries of the Goddess After a fateful encounter with a high initiate of the ancient Fellowship of Isis she began researching the history of Judaism and Christianity to find out how and when the Divine Feminine became lost She discovered a forgotten age when the Creator was honored as female and humanity lived in peaceful societies completely free of war She shows how we can return to an age of peace and celestial light if we work to bring the masculine and feminine energies of the world back into balance Sharing her journey into the heart of the Divine Mother McCannon details her initiation into the Fellowship of Isis a process rich with ceremony ritual and myths of the Goddess from ancient Egyptian Celtic Greek Hebrew and Native American traditions She reveals how the many archetypes of the Goddess including Isis Ishtar Brigit and the Black Madonna can become our allies for self transformation She explores Mysteries at the heart of Christianity that have remained hidden for nearly 2 000 years and how the Gnostic goddess Sophia is tied to the Second Coming Mary Magdalene and the Female Christ She reveals the lost teachings of Jesus about the Divine Mother and Father and about the Divine Daughter and Son Through her story and her in depth research McCannon takes us on a journey to awaken the creative power of the Divine Feminine within each of us Equipped with the teachings of the Goddess we gain the mastery to overcome the deeply rooted masculine feminine imbalance of the patriarchy and to embark into the future as Homo luminous beings of light

**The Return of Astraea** Frederick A. de Armas, 2021-03-17 In classical mythology Astraea the goddess of justice chastity and truth was the last of the immortals to leave Earth with the decline of the ages Her return was to signal the dawn of a new Golden Age This myth not only survived the Christian Middle Ages but also became a commonplace in the Renaissance when courtly poets praised their patrons and princes by claiming that Astraea guided them The literary cult of Astraea persisted in the sixteenth century as writers saw in Elizabeth I of England the imperial Astraea who would lead mankind to peace through universal rule This and other late flowerings of the Astraea myth should not be taken as the final phases of her history Frederick A de Armas documents in this book what may well be the last great rebirth of Astraea one that is probably of greater political religious and literary significance than others previously described by historians and literary critics The Return of Astraea focuses on the seventeenth century Spanish playwright Pedro Calder n de la Barca and analyzes the deity's presence in thirteen of his plays including his masterpiece La Vida es Sueo Her popularity in this period is partially attributed to political motives reflecting the aspirations and fears of the Spanish monarch Philip IV In this broad study grounded on such diverse fields as astrology iconography history mythology and philosophy de Armas explains that Astraea adopts many guises in Calder n's dramas Ranging from the Kabbalah to Platonic thought and from satires on Olivares to cosmogonic myths he analyzes and reinterprets Calder n's theater from a wide range of perspectives centered on the playwright's utilization of the myth of Astraea The book thus represents a new view of Calder n's dramaturgy and also documents the popularity and significance of this astral imperial myth during the Spanish Golden Age

**Gleanings** Christine Downing, 2006-06 Gleanings is a gathering of hitherto uncollected essays written by Christine Downing during the quarter century since the publication in 1981 of her seminal book The Goddess Mythological Images of the Feminine Many of the essays continue her exploration of Greek goddess traditions and other aspects of Greek mythology Others grow out of her ongoing involvement with the thought of both Freud and Jung The interrelationship between polis and psyche city and soul is a central theme of several of these papers including those that focus on the Holocaust Various facets of lesbian and gay experience are also examined

[Greek Myths and Mesopotamia](#) Charles Penglase, 2003-10-04 The Mesopotamian influence on Greek mythology in literary works of the epic

period is considerable yet it is a largely unexplored field In this book Charles Penglase investigates major Mesopotamian and Greek myths His examination concentrates on journey myths A major breakthrough is achieved in the recognition of the extent of Mesopotamian influence and in the understanding of the colourful myths involved The results are of significant interest especially to scholars and students of ancient Greek and Near Eastern religion and mythology **The Goddesses' Mirror** David R. Kinsley,1989-01-01 Discusses the cultural background and meaning of ten goddesses including Aphrodite Isis Athena Durga Lakshmi and Sita Goddesses and the Divine Feminine Rosemary Ruether,2006-11-20 The scholarship in this book is superior revealing a depth of insight and a scope of knowledge possible only from a scholar who has lived with the concerns of feminist theology for decades Ruether is a gifted storyteller and lucidly translates complex ideas and debates This work is of the highest importance and Ruether asks the right questions at the right time The text is groundbreaking Nancy Pineda Madrid Saint Mary's College of California Ruether has provided a valuable introduction to an important feminist topic what can we know about sacred female imagery in Western culture She guides us through contemporary feminist scholarship providing engaging narrative and venturing her own interpretations Ruether calls for feminists to move beyond divisions created by our different interpretations of prehistory and work together towards our common project of a more peaceful just and ecological world Carol Hepokoski Meadville Lombard Theological School *The IOS Annual Volume 22: "Telling of Olden Kings"* ,2022-12-28 The IOS Annual volume 22 Telling of Olden Kings brings forth studies devoted to a wide array fields and disciplines of the Middle East The Ancient Near East section is devoted to Neo Babylonian Mesopotamia and the Achaemenid Empire Da Riva and Novotny Levavi Tavernier and Azzoni Zadok The Semitic section includes three articles dealing with contact between various languages of the Semitic language group and between Semitic languages and dialects and other language groups Castagna Cerqueglini Klimiuk and Lipnicka The Arabic section contains two articles two articles about Modern Iraqi and Egyptian Poetry Khoury and the image of Rahav the harlot in early Muslim traditions Yavor *Horror Fiction in the Global South* Ritwick Bhattacharjee,Saikat Ghosh,2021-04-30 Horror Fiction in the Global South Cultures Narratives and Representations believes that the experiences of horror are not just individual but also simultaneously cultural Within this understanding literary productions become rather potent sites for the relation of such experiences both on the individual and the cultural front It's not coincidental then that either William Blatty's *The Exorcist* or Gabriel Garcia Marquez's *One Hundred Years of Solitude* become archetypes of the representations of the way horror affects individuals placed inside different cultures Such an affectation though is but a beginning of the ways in which the supernatural interacts with the human and gives rise to horror Considering that almost all aspects of what we now designate as the Global North and its concomitant the Global South political historical social economic cultural and so on function as different paradigms the experiences of horror and their telling in stories become functionally different as well Added to this are the variations that one nation or culture of the east has from another The present anthology of essays in such a scheme of

things seeks to examine and demonstrate these cultural differences embedded in the impact that figures of horror and specters of the night have on the narrative imagination of storytellers from the Global South If horror has an everyday presence in the phenomenal reality that Southern cultures subscribe to it demands alternative phenomenology The anthology allows scholars and connoisseurs of Horror to explore theoretical possibilities that may help address precisely such a need

**Susa and Elam. Archaeological, Philological, Historical and Geographical Perspectives** Katrien De Graef, Jan Tavernier, 2012-12-03 In December 2009 an international congress was held at Ghent University in order to investigate exactly 20 years after the 36th RAI M sopotamie et Elam the present state of our knowledge of the Elamite and Susean society from archaeological philological historical and geographical points of view The multidisciplinary character of this congress illustrates the present state of research in the socio economic historical and political developments of the Suso Elamite region from prehistoric times until the great Persian Empire Because of its strategically important location between the Mesopotamian alluvial plain and the Iranian highlands and its particular interest as point of contact between civilizations Susa and Elam were of utmost importance for the history of the ancient Near East in general

**The Theology of Hathor of Dendera** Barbara A. Richter, 2016-04-15 The Ptolemaic period witnessed an enormous increase in the number of hieroglyphic signs and iconographic elements composite crowns scepters and cult objects The ancient scribes exploited this complexity when composing the reliefs used in temple decoration selecting particular words hieroglyphic signs and iconographic elements in order to create interconnected multiple layers of meaning forming a tapestry of sound and sight The Theology of Hathor of Dendera examines these techniques on both micro and macro levels from their smallest details to their broadest thematic connections foregrounding individual techniques to determine the words and phrases singled out for emphasis By synthesizing their use in the three dimensional space of the most important cult chamber in the Temple of Hathor at Dendera this new method of analysis not only reveals the most essential characteristics of the local theology but also shows how the ancient scribes envisioned the universe and the place of humankind within it
