Revelation Divine Fire:

Revelation Brad Steiger, 2006 *Revelation The Divine Fire* A Biblical prediction says that In the latter days your sons and daughters shall prophesy Brad Steiger has communicated with literally hundreds of individuals who claim to have received messages directly from God or from spacemen angels spirit guides or other superhuman entities It would be easy to dismiss these latter day prophets as deluded but amazingly their revelations all have an internal consistency a common theme a time of judgment is at hand and humankind must change its ways to avert disaster Moreover contemporary housewives business executives and Jesus people are experiencing the same symptoms of revelation a blinding light a voice out of nowhere an impulse to take on a new name and a new life On the track of the elusive source of these messages Steiger examines the spread of glossolalia and faith healing the folklore of elves and leprechauns the awesome cases where a revelator's body is briefly occupied by an outside personality the mysterious Elijah tradition of the Bible that suggests that the great prophets perhaps even Jesus were possessed by a single entity and the latest laboratory research into consciousness expansion *Revelation The Divine Fire* presents actual warnings predictions and messages from a wide spectrum of contemporary revelators In addition there are interviews and evaluations from a number of clergymen scientists and psychics who have met the Divine Fire Steiger's divine fire is something which from the beginning of recorded history down to the present has communicated a revelation to man Steiger is properly objective in his evaluation of the significance of such phenomena setting forth the opinions of various scientific or at least thoughtful observers on the subject and where necessary synthesizing such opinions Kirkus Reviews In the tradition of William James *Varieties of Religious Experiences* we have an important collection of valuable data that should be read and considered by any one interested in the pursuit of man his meaning and destiny For me this book was an exciting adventure Paul Severson *Fate* magazine Steiger enormously expands the definition of revelation What emerges is an engrossing compilation of esoteric events reported by those experiencing them *Library Journal* Brad Steiger has written a shelf full of books on psychic phenomena Many people throughout the country first developed an interest in extrasensory perception through the work of this prolific author Martin Ebon *OCCULT* magazine *Divine Fire* Vernon Schmid, 2011-06-01 **Divine Revelation of** Evang. Lewis, 2020-07-03 Few topics are as broad or as daunting as the God of Israel that deity of the world's three monotheistic religions Judaism Christianity and Islam who has been worshiped over millennia In the Hebrew Bible God is characterized variously as militant beneficent inscrutable loving and judicious Who

is this divinity that has been represented as masculine and feminine mythic and real transcendent and intimate The Origin and Character of God is Theodore J Lewis s monumental study of the vast subject that is the God of Israel In it he explores questions of historical origin how God was characterized in literature and how he was represented in archaeology and iconography He also brings us into the lived reality of religious experience Using the window of divinity to peer into the varieties of religious experience in ancient Israel Lewis explores the royal use of religion for power prestige and control the intimacy of family and household religion priestly prerogatives and cultic status prophetic challenges to injustice and the pondering of theodicy by poetic sages A volume that is encyclopedic in scope but accessible in tone The Origin and Character of God is an essential addition to the growing scholarship of one of humanity s most enduring concepts On Behalf of the Mystical Fool John P. Dourley, 2009-09-30 Jung s explanation of the religious tendency of the psyche addresses many sides of the contemporary debate on religion and the role that it has in individual and social life This book discusses the emergence of a new mythic consciousness and details ways in which this consciousness supersedes traditional concepts of religion to provide a spirituality of more universal inclusion On Behalf of the Mystical Fool examines Jung s critique of traditional western religion demonstrating the negative consequences of religious and political collective unconsciousness and their consequent social irresponsibility in today s culture The book concludes by suggesting that a new religiosity and spirituality is currently emerging in the West based on the individual s access to the sense of ultimacy residual in the psyche and seeking expression in a myth of a much wider compass This book will be of interest to scholars and students at all levels who are engaged in the expanding field of Jungian studies It will also be key reading for anyone interested in the theoretical and therapeutic connections between the psyche and religious experience *Doc and the Judge* Gary M Granger, 2008-12 Friendship with the Judge came at a pivotal time in Doc s life he quickly became the closest truest most generous brother Doc ever knew They were a chemical reaction when they came together with a thought an idea or a plan to pull off another coup As the saying goes There s synergy creating energy that s stronger than the sum of its parts That was Doc and the Judge the Judge was fire Doc was water The Judge was all reaction and Doc was all control Doc and the Judge redefined business as usual They didn t just break on through to the other side as Jim Morrison urged in his hypnotic sixties reverie they crashed and crashed on through They made tons of money for the grey suits that supported and funded them and a tidy pile of cash for themselves along the way Though it was truly not about the money for them it was about being dudes They defined themselves daring the world to defy their ability to turn cultural trends into big money returns for the true believers who backed them They never compromised never shrank from a battle and never feared losing it all Their business acumen and inherent credibility was inextricably linked to their integrity and musical and business authenticity Doc watched over the Judge for his own good and the Judge knew and respected his faith The Judge was a searing shooting star flashing blindingly across the night sky and defiantly demanding acceptance on his own terms The Doc executed the business and kept it real

They took on the world bought and sold it many times over laughing ALL THE WAY TO THE BANK They were inseparable during the decade of the 70 s Butch and the Kid many called them The Judge always swore he ruled his court Doc smiles at these memories suspecting that even now he s hanging out with God and is slipping a wickedly powerful toke or perhaps a St Pauli s girl to the Apostles when the big G isn t looking

Show Me Your Glory Rebecca G. S. Idestrom,2023-02-10 What does Scripture mean when it speaks of the glory of God The answer to this question is not as straightforward as we might think In *Show Me Your Glory* Rebecca Idestrom invites the reader on a journey to discover what the Old Testament teaches us about God s glory While exploring this biblical theme she examines various scriptural passages about the glory of the LORD within their larger narrative context in each biblical book

She also considers the different key words used for glory as well as the many diverse images and themes connected to God's glory. This thematic investigation demonstrates that the Old Testament Scriptures present a deeply profound and multifaceted portrait of the glory of God. Although it is impossible to fully capture what the Bible says about God's majestic glory, *Show Me Your Glory* yields many wonderful insights into its depiction, meaning, and significance, resulting in a deep and rich biblical theology of divine glory.

Channeling Joel Bjorling, 2019-06-19. Originally published in 1992. *Channeling* is a comprehensive bibliography on the subject of channeling. The book defines channeling as any message received or conveyed from transcendent entities and covers material on the history of channeling, those that have claimed to transcend death, contact with UFOs, and contemporary channeling groups. The book acts as a research guide and seeks to outline the historical roots of channeling, explaining its major teachings and considering its significance as a spiritual movement. It provides sources from books, booklets, articles, and ephemeral material and offers a comprehensive list of both primary and secondary materials related to channeling. The bibliography takes the most diverse and useful sources of the time. This volume, although published almost 30 years ago, still provides a unique and insightful collection for academics of religion, in particular those researching spiritualism and the occult.

Her Gates Will Never Be Shut Brad Jersak, 2010-01-01. Everlasting hell and divine judgment, a lake of fire, and brimstone—these mainstays of evangelical tradition have come under fire once again in recent decades. Would the God of love, revealed by Jesus, really consign the vast majority of humankind to a destiny of eternal conscious torment? Is divine mercy bound by the demands of justice? How can anyone presume to know who is saved from the flames and who is not? Reacting to presumptions in like manner, others write off the fiery images of final judgment altogether. If there is a God who loves us, then surely all are welcome into the heavenly kingdom, regardless of their beliefs or behaviors in this life. Yet given the sheer volume of threat rhetoric in the Scriptures and the wickedness manifest in human history, the pop universalism of our day sounds more like denial than hope. Mercy triumphs over judgment; it does not skirt it. *Her Gates Will Never Be Shut* endeavors to reconsider what the Bible and the Church have actually said about hell and hope, noting a breadth of real possibilities that undermines every presumption. The polyphony of perspectives on hell and hope offered by the prophets, apostles, and Jesus humbles our obsessive need to harmonize every text into a neat theological system. But they open the door to the eternal hope found in Revelation 21:22, the City whose gates will never be shut, where the Spirit and Bride perpetually invite the thirsty who are outside the city to come drink of the waters of life.
