Finley, 2000 Revelation Charles A. Neal, 2000 Through this metaphysical interpretation of the book of Revelation you will be filled with inspiration hope and guidance as we enter the new millennium Following the Lamb Christina Le Moignan, 2000 Introduces a fascinating yet little read book to the non specialist and faces squarely some of the difficulties which present day readers may have with Revelation **The Millennium and the Book of Revelation** R. J. McKelvey,1999 The book begins with an introductory survey of the better known and more influential millennium thinkers and movements through history It shows how the

millennium was interpreted as a utopia and expressed in violent ways in the fifteenth and sixteenth centuries and by the Branch Davidians in Waco and the Aum Shinrikyo sect in Japan It also examines the teachings of the Jehovah's Witnesses and the New Age movement on the millennium Part Two is devoted to the millennium in the Revelation of StJohn It strips the millennium of utopian fantasies and the other accretions it has acquired through the centuries It sets the millennium within the context of the whole of Revelation and its attack on the deceptive and oppressive ideology propagated by the Roman Empire and John's alternative interpretation of reality It demonstrates that far from being an isolated reference the millennium is integral to the whole of Revelation It shows that the millennium is a metaphor for God's vindication of those who pay the ultimate price in witnessing to truth and justice i e the martyrs and indicates the relevance of the millennium in the world we live in today The book is aimed at the general reader wanting an accessible introduction to recent thinking on the millennium There is nothing here to help those who want to set the doomsday clock but plenty to encourage those who are going through difficult times and the book will challenge all to help today's victims of oppression and injustice For those who wish to pursue the subject further a bibliography of scholarly works is included
