Reverse Time Travel The Exciting Revelation That Travelling Backwards Through Time Is Possible:

Lifting the Scientific Veil Paul Sukys, 1999 Lifting the Scientific Veil has been written to afford the nonscience student the same meaningful opportunity to explore germane scientific topics as is generally given the science student to learn about the humanities and social sciences Since nonscientists are generally responsible for making laws financing research or at the very least for voting it is essential that they understand the significant impact that science has on everyday life The book is designed to introduce nonscientists in an informative and comprehensible manner to four of the most significant scientific theories of the twentieth century the big bang quantum physics relativity and evolution After each theory is explained informally the book shows how that theory and related technology impact upon one's personal life Legal and political aspects of these theories are explored as well as philosophical and theological implications Forthcoming Books Rose

Dark Candle R.J. Hore, 2025-01-06 A party at the home of a respectable socialite sets in motion a sequence of events which lead a group of reluctant companions on a quest for King Arthur s tomb Martin Owen is a mild mannered accountant ignored and disrespected even by his own family But an experiment in hypnotic regression awakens a mysterious long dormant spirit from the time of Arthur Intrigued the party s guests are drawn in further slowly forming an impromptu team on the trail of buried Roman treasure and the forbidden secrets of Camelot Each interrogation of the sleeping spirit leaves it encroaching further and further upon Martin s life until

we are unsure who is controlling who Meanwhile the romances ambitions illicit affairs and secrets of each of the party members are exposed as the shadow from the past inexorably leads them to glory or doom Breaking The Rules ,

Uncanny Cinema Murray Pomerance,2022-10-20 Murray Pomerance s latest book explores an encyclopedic range of films and television shows to demonstrate the difficulty of conveying the experience of viewing cinema through words and the medium of text From On the Waterfront to Marriage Story Uncanny Cinema illuminates that words and writing are in perilous waters when applied to cinema similar to ungestured talk The book begins with this problem using Julian Jaynes s thoughts on vocality and imagination before delving into three exploratory movements arranged to alternately challenge inspire and confound the reader to question if we know what we think we know or even see what we think we see The viewer is faced with disturbances ruptures and surprises that occur during the viewing experience which Pomerance analyzes to stretch the sense of what we do and do not or possibly cannot know particularly as we think talk and write about cinema
