Revolution Of Their Own Voices Of Women In Soviet History

Daniel Bertaux, Anna Rotkirch, Paul Thompson

Revolution Of Their Own Voices Of Women In Soviet History:

A Revolution Of Their Own Barbara Engel,1997-11-28 The stories of these eight Russian women offer an extremely rare perspective into personal life in the Soviet era Some were from the poor peasantry and working class groups in whose name the revolution was carried out and who sometimes gained unprecedented opportunities after the revolution Others born to misfortune as the daughters of nobles parish priests or those peasants termed well to do suffered bitterly as enemies to a new government The women interviewed here speak candidly about family life work sexual relations marriage and divorce childbirth and childbearing and legalized abortion and the underground pursuit of such services after abortion was outlawed in 1936 As no previous book has done A Revolution of Their Own illuminates the harsh reality of women s daily lives in the Soviet Union as well as reveals the accomplishments made possible by the expanded opportunities that the new Soviet government provided for women Their stories show why many Russian women continue to take pride in the public achievements of the Soviet period despite or perhaps because of the painful price each was made to pay

A Revolution Of Their Own Barbara Engel,2019-05-20 The stories of these eight Russian women offer an extremely rare perspective into personal life in the Soviet era Some were from the poor peasantry and working class groups in whose name the revolution was carried out and who sometimes gained unprecedented opportunities after the revolution Others born to misfortune as the daughters of nobles

On Living Through Soviet Russia Daniel Bertaux,Anna Rotkirch,Paul Thompson,2004-08-02 For a period of over seventy years after the 1917 revolutions in Russia talking about the

past either political or personal became dangerous The new policy of glasnost at the end of the 1980s resulted in a flood of reminiscence almost nightly on television and more formally collected by new Russian oral history groups and western researchers This book is a fascinating collection of life stories and family history interview material collected by the editors and two Russian groups of interviewers *Resilient Russian Women in the 1920s & 1930s* Marcelline Hutton, 2015-07 The stories of Russian educated women peasants prisoners workers wives and mothers of the 1920s and 1930s show how work marriage family religion and even patriotism helped sustain them during harsh times The Russian Revolution launched an economic and social upheaval that released peasant women from the control of traditional extended families It promised urban women equality and created opportunities for employment and higher education Yet the revolution did little to eliminate Russian patriarchal culture which continued to undermine women's social sexual economic and political conditions Divorce and abortion became more widespread but birth control remained limited and sexual liberation meant greater freedom for men than for women The transformations that women needed to gain true equality were postponed by the poverty of the new state and the political agendas of leaders like Lenin Trotsky and Stalin **The Routledge Handbook of the Global 1980s** Jonathan Davis, 2025-08-18 The 1980s was a decade of enormous global change Upheaval from the top of governments to the bottom of societies saw a new world order begin to emerge A new form of capitalism redefined global economics on both the right and left as market forces were unleashed The ideological conflict of the previous four decades petered out as superpower relations improved A more interconnected world introduced new consumer products and forms of popular culture to societies across the globe And protest movements saw new battles fought and new alliances forged in an increasingly interdependent world The Routledge Handbook of the Global 1980s brings together specialists from across the world to examine how the decade was shaped by these changes to politics economics culture societies and protest movements The Handbook is divided into five parts focusing on the global environment globalisation and neoliberalism politics and society culture and society and the closing stages of the global Cold War By taking an international approach to the history of the 1980s this book offers a wide ranging and important new perspective of this hugely transformative decade It will appeal to students and scholars alike as well as all those interested in the political social economic and cultural shifts of the 1980s **When Sonia Met Boris** Anna Shternshis, 2017-01-16 Soviet Jews lived through a record number of traumatic events the Great Terror World War II the Holocaust the Famine of 1947 the Doctors Plot the antisemitic policies of the postwar period and the collapse of the Soviet Union But like millions of other Soviet citizens they married raised children and built careers pursuing life as best as they could in a profoundly hostile environment One of the first scholars to record and analyze oral testimonies of Soviet Jews Anna Shternshis unearths their everyday life and the difficult choices that they were forced to make as a repressed minority living in a totalitarian regime Drawing on nearly 500 interviews with Soviet citizens who were adults by the 1940s When Sonia Met Boris describes both indirect Soviet control mechanisms such as

housing policies and unwritten quotas in educational institutions and personal strategies to overcome ignore or even take advantage of those limitations The interviews reveal how ethnicity was rapidly transformed into a negative characteristic almost a disability for Soviet Jewry in the postwar period Ultimately Shternshis shows after decades living in a repressive nominally atheistic state these Jews did manage to retain a complex sense of Jewish identity but one that fully disassociates Jewishness from Judaism and instead associates it with secular society prioritizing chess over Talmud classical music over Hasidic tunes Gracefully weaving together poignant stories intimate reflections and witty anecdotes When Sonia Met Boris traces the unusual contours of contemporary Russian Jewish identity back to its roots *Russia in World History* Barbara Alpern Engel, Janet Martin, 2015-05-01 Over the course of twelve centuries Russia's peoples overcame the constant challenges posed by geography climate availability of natural resources and devastating foreign invasions to become the world's second largest land empire and the largest in modern history This energetic introduction to Russia's history follows the development of local tribes into a federation of principalities centered at Kiev the shift of power to Moscow and the centralization of the state and Russia's pursuit of imperial ambitions It examines the circumstances that led to the foundation of the world's first communist society in 1917 and traces the global consequences of Russia's extensive confrontation with the United States Russia's arduous and costly climb to great power gains a personal dimension through the stories of individual women and men pivotal figures as well as common people illuminating the human consequences of sweeping historical change Peoples of many ethnicities became part of the Russian empire and suffered or benefitted from its leaders efforts to meld a multiethnic polity into a coherent political entity This book examines how Russia served as a conduit for people ideas and commodities owing between east and west north and south and how it came to play an increasingly important role on a global scale **Stalinism** Alter L. Litvin, John L. H. Keep, 2005 This volume the fruit of co operation between a British and Russian historian seeks to review comparatively the progress made in recent years largely thanks to the opening of the Russian archives in enlarging our understanding of Stalin and *Women and Gender in Central and Eastern Europe, Russia, and Eurasia* Mary Zirin, Irina Livezeanu, Christine D. Worobec, June Pachuta Farris, 2015-03-26 This is the first comprehensive multidisciplinary and multilingual bibliography on Women and Gender in East Central Europe and the Balkans Vol 1 and The Lands of the Former Soviet Union Vol 2 over the past millennium The coverage encompasses the relevant territories of the Russian Hapsburg and Ottoman empires Germany and Greece and the Jewish and Roma diasporas Topics range from legal status and marital customs to economic participation and gender roles plus unparalleled documentation of women writers and artists and autobiographical works of all kinds The volumes include approximately 30 000 bibliographic entries on works published through the end of 2000 as well as web sites and unpublished dissertations Many of the individual entries are annotated with brief descriptions of major works and the tables of contents for collections and anthologies The entries are cross referenced and each volume includes indexes *Nadezhda Krupskaya and the New*

View of Radical Society in Russia M. A. Iasilli, 2024-06-25 The Russian Revolution is typically studied from a perspective of power and authority The shadow of Communism tends to portray the revolutionary character of 1917 as an ominous path toward totalitarianism While the revolutionary story has been overshadowed by the authoritarianism of Stalinist regimes the Revolution has much more complex underpinnings that tie back to the nineteenth century Russian populist movement and the women who were drawn into it Nadezhda Krupskaya and the New View of Radical Society in Russia reexamines the fundamental ideas and moments that led to the revolution and its eventual bureaucratization from the perspective of Nadezhda Krupskaya Vladimir Lenin's wife Her involvement provides a new perspective in how we should consider the role of culture as opposed to ideology particularly the subordination of Communism as well as the women in Soviet politics M A Iasilli provides a nuanced view of the Russian Revolution that demonstrates a Bolshevik legacy and connection with their populist ancestors the Narodniks and argues that the revolution wasn't merely Marxist fanaticism but something much deeper and emotional

Russia at a Crossroads Nurit Schleifman, 2013-12-16 The meaning of Russia's past is in a process of continuous deconstruction reshaping and negotiation by various social and political groupings Of the deluge of group memories which have broken loose this collection focuses on several new voices which have never been heard in Russia in this way before women Tatars Cossacks as well as the voices of religious and provincial populations In addition the volume sheds light on the creation of a multi party system which paved the way for the expression of particular views and interests and generated much of memory's concepts and language

Popular Opinion in Totalitarian Regimes Paul Corner, 2009-10-01 Fascism Nazism and Communism dominated the history of much of the twentieth century yet comparatively little attention has focused on popular reactions to the regimes that sprang from these ideologies *Popular Opinion in Totalitarian Regimes* is the first volume to investigate popular reactions to totalitarian rule in the Soviet Union Fascist Italy Nazi Germany and the communist regimes in Poland and East Germany after 1945 The contributions written by internationally acknowledged experts in their fields move beyond the rather static vision provided by traditional themes of consent and coercion to construct a more nuanced picture of everyday life in the various regimes The book provides many new insights into the ways totalitarian regimes functioned and the reasons for their decline encouraging comparisons between the different regimes and stimulating re evaluation of long established positions

The Communist Youth League and the Transformation of the Soviet Union, 1917-1932 Matthias Neumann, 2012-05-23 The study of Soviet youth has long lagged behind the comprehensive research conducted on Western European youth culture In an era that saw the emergence of youth movements of all sorts across Europe the Soviet Komsomol was the first state sponsored youth organization in the first communist country Born out of an autonomous youth movement that emerged in 1917 the Komsomol eventually became the last link in a chain of Soviet socializing agencies which organized the young Based on extensive archival research and building upon recent research on Soviet youth this book broadens our understanding of the social and

political dimension of Komsomol membership during the momentous period 1917-1932. It sheds light on the complicated interchange between ideology, policy and reality in the league's evolution, highlighting the important role ordinary members played. The transformation of the country shaped Komsomol members and their league's social identity, institutional structure and social psychology, and vice versa, the organization itself became a crucial force in the dramatic changes of that time. The book investigates the complex dialogue between the Communist Youth League and the regime, unravelling the intricate process that transformed the Komsomol into a mere institution for political socialization serving the regime's quest for social engineering and control.

Gender in Twentieth-Century Eastern Europe and the USSR Catherine Baker, 2016-09-29. A concise and accessible introduction to the gender histories of eastern Europe and the Soviet Union in the 20th century. These essays juxtapose established topics in gender history such as motherhood, masculinities, work and activism with newer areas such as the history of imprisonment and the transnational history of sexuality. By collecting these essays in a single volume, Catherine Baker encourages historians to look at gender history across borders and time periods, emphasising that evidence and debates from Eastern Europe can inform broader approaches to contemporary gender history.

Girls' Secondary Education in the Western World J. Goodman, R. Rogers, J. Albisetti, 2010-05-10. The collection's focus is on girls' secondary education and hence the gendered cultural expectations of the middle classes and upper classes will provide the dominant narrative given the relatively recent democratization of European educational systems.

The Cambridge History of Russia: Volume 3, The Twentieth Century Maureen Perrie, Ronald Grigor Suny, 2006-11-02. A major history of twentieth century Russia by leading scholars in the field.

Marriage, Household and Home in Modern Russia Barbara Alpern Engel, 2021-08-12. Barbara Alpern Engel's *Marriage, Household and Home in Modern Russia* is the first book to explore the intricacies of domestic life in Russia across the modern period. Surveying the period from 1700 right up to the present day, the book explores the marital and domestic arrangements of Russians at multiple levels of society and the impact of broader historical developments including war and revolution upon them. It also traces the evolution of marriage, household and home as institutions over three centuries whilst also highlighting the inter-relationship between public policy and private life in what is a wholly original historical assessment of domesticity in modern Russia. In the process, the author expertly synthesizes the key works, arguments and discussions in the field, mapping out the historiographical landscape of this compelling aspect of Russian social history. *Marriage, Household and Home in Modern Russia* is crucial reading for any student or scholar of modern Russian history.

A Companion to Gender History Teresa A. Meade, Merry E. Wiesner-Hanks, 2008-04-15. A Companion to Gender History surveys the history of women around the world, studies their interaction with men in gendered societies and looks at the role of gender in shaping human behavior over thousands of years. An extensive survey of the history of women around the world, their interaction with men and the role of gender in shaping human behavior over thousands of years. Discusses family history, the history of the body and sexuality and cultural history alongside women's

history and gender history Considers the importance of class region ethnicity race and religion to the formation of gendered societies Contains both thematic essays and chronological geographic essays Gives due weight to pre history and the pre modern era as well as to the modern era Written by scholars from across the English speaking world and scholars for whom English is not their first language

Women in World History Bonnie G. Smith, 2019-10-31 Women in World History brings together the most recent scholarship in women's and world history in a single volume covering the period from 1450 to the present enabling readers to understand women's relationship to world developments over the past five hundred years Women have served the world as unfree people often forced to migrate as slaves trafficked sex workers and indentured laborers working off debts Diseases have migrated through women's bodies and women themselves have deliberately spread religious belief and fervor as well as ideas They have been global authors soldiers and astronauts encircling the globe and moving far beyond it They have written classics in political and social thought and crafted literary and artistic works alongside others who were revolutionaries and reform minded activists Historical scholarship has shown that there is virtually no part of the world where women's presence is not manifest whether in archives oral testimonials personal papers the material record evidence of disease and famine myth and religious teachings and myriad other forms of documentation As these studies mount the idea of surveying women's past on a global basis becomes daunting This book aims to redress this situation and offer a synthetic world history of women in modern times

Revolution Of Their Own Voices Of Women In Soviet History Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Revolution Of Their Own Voices Of Women In Soviet History free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Revolution Of Their Own Voices Of Women In Soviet History free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Revolution Of Their Own Voices Of Women In Soviet History free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Revolution Of Their Own Voices Of Women In Soviet History. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project

Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Revolution Of Their Own Voices Of Women In Soviet History any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Revolution Of Their Own Voices Of Women In Soviet History Books

What is a Revolution Of Their Own Voices Of Women In Soviet History PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Revolution Of Their Own Voices Of Women In Soviet History PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Revolution Of Their Own Voices Of Women In Soviet History PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Revolution Of Their Own Voices Of Women In Soviet History PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Revolution Of Their Own Voices Of Women In Soviet History PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on

the circumstances and local laws.
