Revolution X A Survival Guide For Our Generation:

Revolution X Rob Nelson, Jon Cowan, 1994 The twentysomething generation s call to arms from apathy to activism Revolution X contains an action kit that lists ways to get involved advocacy organizations alternative media how to get in touch with state and national leaders information on voter registration a brief guide to the Internet and the 100 Harshes Facts About Your Future

The Next Generation Gary Zustiak, 1996 Generation X has been called the least wanted generation of all time Things such as abortion and the pill have limited their numbers Zustiak puts a spin on the X factor an unknown quantity If this generation will find their value in Christ they could accomplish great things for Christ *Emerging Hope* Jimmy Long, 2004-08-18 How do we do church in this era of cynicism Jimmy Long looks at the connections between postmodernism and the emerging generations GenXers and millennials highlighting implications for evangelism and discipleship Here is a hopeful strategy for ministry that will appeal to a generation starved for belonging

GenXegesis John McAllister Ulrich, Andrea L. Harris, 2003 Resituating the term in its neglected sub cultural context this work offers a critical assessment of the Generation X phenomenon and its relation to the fashioning of different identities within and against the mainstream Topics include punk subculture the Internet and alternative music *Grassroots* Jennifer Baumgardner, Amy Richards, 2005-01-12 From the authors of Manifesta an activism handbook that illustrates how to truly make the personal political Grassroots is an activism handbook for social justice Aimed at everyone from students to professionals stay at home moms to artists Grassroots answers the perennial question What can I do Whether you are concerned about the environment human rights violations in Tibet campus sexual assault policies sweatshop labor gay marriage or the ongoing repercussions from 9 11 Jennifer Baumgardner and Amy Richards believe that we all have something to offer in the fight against injustice Based on the authors own experiences and the stories of both the large number of activists they work with as well as the countless everyday people they have encountered over the years Grassroots encourages people to move beyond the generic three check writing calling congresspeople and volunteering and make a difference with clear guidelines and models for activism The authors draw heavily on individual stories as examples inspiring readers to recognize the tools right in front of them be it the office copier or the family living room in order to make change Activism is accessible to all and Grassroots shows how anyone no matter how much or little time they have to offer can create a world that more clearly reflects their values

Intergenerational Communication Across the Life Span Angie Williams, Jon F. Nussbaum, 2013-02-01 Individuals of all ages interact with one another and their interactions have significance throughout their lives This distinctive volume acknowledges the importance of these interactions and provides a life span developmental view of communication and aging attempting to capture the many similarities and changes that occur in people s lives as they age The authors move the study of intergenerational contact closer to the actual participants examining what happens within intergenerational interactions and how people evaluate their intergenerational experiences

The volume concentrates on the micro context of the intergenerational interaction and the cognitions language and relationship behaviors related to intergenerational communication across the life span The volume employs the perspective that the understanding of human behavior across the life span is enhanced by studying communicative behavior in intergenerational interaction The authors integrate research from multiple disciplines concerned with intergenerational communication which is framed by several unique theoretical perspectives drawn from the communication discipline As a resource for the study of intergenerational communication across the life span this monograph offers important insights to scholars students and all who are involved in intergenerational communication

Americans at Midlife Rosalie G. Genovese,1997-05-30 *Americans at Midlife* is an exploration of the middle years within the framework of trends in the larger society including longer life expectancy and an aging population changes in marriage divorce and family composition increased participation of women in the labor force and the growth of two income families Major interests at midlife center around work and careers current and future economic well being and planning for retirement Other major concerns involve relationships with younger and older generations boomerang kids who leave home and return and aging parents often healthy and active now who may need care in their later years The book begins with a discussion of how demographic and social changes affect midlife followed by chapters on work and retirement planning or looking for the good years the not so empty nest and aging parents A chapter on mid life women considers the implications of

combining work and caregiving and raises concerns about their economic well being given their longer life expectancy and often more limited resources The book ends with a consideration of policy issues that may affect midlife in the future

Annual Review of the Sociology of Religion. Volume 1 (2010) Giuseppe Giordan, 2010-10-01 The purpose of the Annual Review of the Sociology of Religion ARSR is to investigate the new role of religion in the contemporary world which is characterized by cultural pluralism and religious individualism It is the aim of the ARSR to combine different methods within the social scientific study of religion The ARSR employs an interdisciplinary and comparative approach at an international level to describe and interpret the complexity of religious phenomena within different geopolitical situations highlighting similarities and discontinuities Dealing with a single theme in each volume the ARSR intends to tackle the relationship between the practices and the dynamics of everyday life and the different religions and spiritualities within the framework of the post secular society This volume presents the religious and spiritual life of the young an ever new and complex world which highlights the changes that are happening in the field of religion in general With an outlook which is opened to various international contexts its chapters offer a picture of the current situation between religion and the young suggesting possible future trends

Thirty-Three Academic Reflections on the Emerging Church Kenneth Harley, 2006-06 In these academic reflections I will talk about some of issues that directly or indirectly contribute to the Emerging Church of today and tomorrow and those that are part of the emerging Body of Christ now and in the near future Christians need to find effective ways to share our Faith and to become better at communicating the Gospel of Jesus not just for the survival of the Church but for the betterment of every man woman and child in the world This book hopefully will start you on a journey to learn how you can communicate the Gospel the Good News of Jesus Christ to the next generations more effectively

Roll Over Adorno Robert Miklitsch, 2012-02-01 What happens when Theodor Adorno the champion of high classical artists such as Beethoven comes into contact with the music of Chuck Berry the de facto king of rock n roll In a series of readings and meditations Robert Miklitsch investigates the postmodern nexus between elite and popular culture as it occurs in the audiovisual fields of film music and television ranging from Gershwin to gangsta rap Tarantino to Tongues Untied Tony Soprano to Buffy the Vampire Slayer Miklitsch argues that the aim of critical theory in the new century will be to describe and explain these commodities in ever greater phenomenological detail without losing touch with those evaluative criteria that have historically sustained both Kulturkritik and classical aesthetics

Anthropology and Social Theory Sherry B. Ortner, 2006-11-30 The award winning anthropologist Sherry B Ortner draws on her longstanding interest in theories of cultural practice to rethink key concepts of culture agency and subjectivity

Payment Due Timothy J Penny, 2018-02-12 T he generational wars are about to begin competing for entitlements wrestling over taxes dancing around the deficit Today s children and grandchildren are tomorrow s taxpayers and social fabric The authors of Payment Due contend that our current policies of federal overspending are setting those children up for economic disaster Former Representative Tim Penny D MN

knows how volatile the politics of the situation are he retired because he couldn't locate in Congress at large the institutional will or stomach to deal with the issues squarely Political scientist Steven Schier understands the way in which the politics work against economics to solve the problem Together they take us inside the Capitol corridors to show us the lobbying arm twisting and pork barrel politicking that goes on to derail policies designed to reduce the federal deficit We get to play the Washington Monument game along with the worst of the offenders and to see firsthand how three schools of deficit thought the wolves pussycats and termites approach the prospect of cutting back federal outlays and weaning the great middle class from its own welfare dependency A hallmark of the book is its three tiered set of long term entitlement reform proposals complete with careful documentation of the contribution each recommended item makes toward reducing the federal deficit or at least slowing its increase Along with suggested short term plans these proposals give students the opportunity to try to solve both short and long term problems Students will appreciate the timeliness and relevance of the book's argument to their generation's future plight and all readers will benefit from the clear presentation of complex economic concepts and arguments essential to understanding the federal deficit debate and to confronting the political social and moral payments now coming due

Guys and Guns Amok Douglas Kellner, 2015-12-03 From the recent shootings at Virginia Tech University to the tragedies at Columbine and Oklahoma City certain common traits can be traced through all of these events In *Guys and Guns Amok* media and cultural critic Douglas Kellner provides a fascinating diagnostic reading of these acts of domestic terrorism Skillfully connecting each case with the current environment for male socialization and the search for identity in an American culture obsessed with guns and militarism Kellner's work is a sobering reflection on these tragedies and the pervasive power of media and popular culture as well as a wake up call for the future

Aged by Culture Margaret Morganroth Gullette, 2004-01-15 Reveals that aging doesn't start in our chromosomes but in midlife downsizing the erosion of workplace seniority threats to Social Security or media portrayals of aging Xers and greedy Baby Boomers To combat the forces aging us prematurely Gullette invites us to change our attitudes our life storytelling and our society An impassioned manifesto against the pernicious ideologies that steal hope from every stage of our lives publisher web site

Communicating Prejudice Michael L. Hecht, 1998-04-13 Prejudice pervades our society in many guises from pejorative remarks to acts of violence *Communicating Prejudice* explores the many dimensions of prejudice It presents a new and integrative conceptual model of prejudice the layered perspective of cultural intolerance and uses this model to analyze the communication of prejudice in a variety of spheres such as racism sexism homophobia ageism and classism Drawing on multidisciplinary perspectives the first two chapters present the model and theoretical foundation for the book and subsequent chapters deal with specific foci of prejudice including personal prejudice and prejudice in relationships organizations and the media Included is a series of personal narratives to illustrate specific types and instances of prejudice This book will be useful as a supplementary text in upper level undergraduate and graduate level courses examining issues of

race gender and ethnicity Future survey annual : a guide to the recent literature of trends, forecasts, and policy proposals. 16.1996 Michael Marien,1996 **The NeXt Revolution** Charlotte Shelton,Laura Shelton,2005 Written by a Boomer mother and a Gen X daughter this perceptive book explores the deep dissatisfaction that professional Gen Xers are experiencing at work especially women who are expected to enter the equal opportunity workplace their feminist mothers fought for The College Student's Research Companion Arlene Rodda Quaratiello,2000 This thoroughly revised second edition of The College Student s Research Companion is a user friendly guide ideal for students faced with writing their first assignment using the college library and makes a perfect text for information skills classes and workshops The highly current manual covers everything college students need in all formats available including effective Web searching skills It begins with using the OPAC and understanding library organization and moves through essential reference books how to use periodical indexes to find articles CD ROM databases and how they are used in libraries an explanation of online databases and how they can help with research and an overview of how to cruise the Internet to find information
