De Castro, 2020-10-20 Influenced by anarchism and especially by the anarcho syndicalist Georges Sorel the political praxis of Peruvian activist and scholar Jos Carlos Mari tegui 1894 1930 deviated from the policies mandated by the Comintern Mari tegui saw that new subjectivities would be required to bring about a revolution that would not recreate bourgeois or fascist structures A new society he argued required a new culture Thus Mari tegui not only founded the Peruvian Socialist Party but also created Amauta a magazine that brought together the writings of the political and cultural avant gardes In the spirit of this approach Bread and Beauty not only studies the political significance of cultural habits and products it also looks at the cultural underpinnings of the political proposals found in Mari tegui s writings and actions **The Oxford Handbook of Comparative Political Theory** Leigh K. Sendero Luminoso ideologically and emotionally This book provides a comprehensive overview of this guerrilla organization and the Peruvian government's dilemma in dealing with it and the emergence of narcoterrorism a mutually beneficial relationship between the cocaine syndicate and Sendero Luminoso The Peruvian cocaine syndicate and Sendero Luminoso have different objectives and ideologies but share a mutual enemy the Peruvian government and its armed services Hence they have combined forces to form a powerful and destructive alliance Gabriela Tarazona Sevillano assesses the impact of the Sendero Luminoso on Peruvian society a new democratic government already besieged by complex and far reaching problems The book presents a detailed understanding of the peculiar and very personal nature of Peru's affliction as well as its possible international repercussions Peruvian Political Perspective Marvin Alisky, 1975 *The Revolution is the Emergency Break* Michael Löwy, 2024-06-03 Winner of the 2020 European Walter Benjamin Prize The Revolution is the Emergency Break is a rich discussion of Walter Benjamin's lesser known writings by renowned social scientist Michael Löwy Translated into several languages but available in English for the very first time Löwy's book brings together the philosophical literary theological and cultural aspects of Benjamin's writings including his relation to figures such as Gershom Scholem and Franz Rosenzweig his interpretation of historical materialism surrealism anti fascism and anarchism his contribution to understanding capitalism as a religion and his relevance for Latin America and ecology today The concept of revolution in his writings not only the political ones but also those that deal with art literature or theology run through the work connecting the various chapters The Revolution is the Emergency Break also features four new chapters in this collection Written in a clear eyed accessible language The Revolution is the Emergency Break is a must read for researchers teachers and students interested in the works of this influential German intellectual **Cultural Identity and Social Liberation in Latin American Thought** Ofelia Schutte, 1993-03-02 El libro tiene dos grandes temas la identidad cultural sobre la que se expresan opiniones balanceadas entre los extremos posibles y la liberación social entendida en general como liberación con respecto a estructuras opresivas El itinerario de e **Liberating Spiritualities** Christopher D. Tirres, 2024-12-03 A new perspective on spirituality and social change as seen through the work of six visionary thinkers In *Liberating Spiritualities* Christopher D Tirres offers an in depth exploration of spirituality as a catalyst for social transformation showcasing the profound insights of six distinguished twentieth century liberation thinkers from across the Americas This thought provoking work examines the contributions of Marxist philosopher José Carlos Mariátegui renowned educator and philosopher Paulo Freire innovative constructive theologian Virgilio Elizondo influential cultural and feminist theorist Gloria Anzaldúa activist mujerista theologian and social ethicist Ada María Isasi Díaz and groundbreaking ecofeminist theologian Ivone Gebara Tirres examines the distinct yet interconnected philosophies of these figures showcasing their unified critique of colonial Christendom and their deep commitment to the marginalized He adeptly articulates how their diverse religious and philosophical backgrounds come together in a shared vision of spirituality as a fundamental aspect of

human life and intelligence He further illuminates how these thinkers advocate for spirituality as a non reductive life affirming practice transcending traditional boundaries and offering an integrated approach to faith culture and social justice Their collective insights form a persuasive case for re envisioning spirituality as a crucial element in the quest for a more just and compassionate world *Liberating Spiritualities* is not only a tribute to these six influential figures but also a critical reflection on the relevance of their ideas in today s global context Tirres s transdisciplinary study bridges liberationist and pragmatic insights offering readers a fresh highly original interpretation of socially engaged spirituality making this book an essential resource for those seeking to understand the transformative power of spirituality in the pursuit of social justice and human dignity

The Course of Andean History Peter V. N. Henderson, 2013-08-01 The only comprehensive history of Andean South America from initial settlement to the present this useful book focuses on Colombia Ecuador Peru and Bolivia the four countries where the Andes have played a major role in shaping history Although Henderson emphasizes the period since the winning of independence in 1825 he argues that the region s republican history cannot be explained without a clear understanding of what happened in the pre Hispanic and colonial eras Henderson carefully explores the complex relationship between the Andean peoples and their land up until the fall of the Inka Empire in 1532 before addressing the Spanish conquest and the colonial aftermath emphasizing the syncretism often unwillingly forced upon the original inhabitants of the region His account of the nineteenth century discusses the attempts of the Andean elite to fashion modern nation states in the face of many divisive factors including race The final chapters carry the story from 1930 to the present as the Andean countries debated different ways to create a more inclusive and prosperous society

The World Come of Age Lilian Calles Barger, 2018-07-02 On November 16 2017 Pope Francis tweeted Poverty is not an accident It has causes that must be recognized and removed for the good of so many of our brothers and sisters With this statement and others like it the first Latin American pope was associated in the minds of many with a stream of theology that swept the Western hemisphere in the 1960s and 70s the movement known as

liberation theology Born of chaotic cultural crises in Latin America and the United States liberation theology was a trans American intellectual movement that sought to speak for those parts of society marginalized by modern politics and religion by virtue of race class or sex Led by such revolutionaries as the Peruvian Catholic priest Gustavo Guti rrez the African American theologian James Cone or the feminists Mary Daly and Rosemary Radford Ruether the liberation theology movement sought to bridge the gulf between the religious values of justice and equality and political pragmatism It combined theology with strands of radical politics social theory and the history and experience of subordinated groups to challenge the ideas that underwrite the hierarchical structures of an unjust society Praised by some as a radical return to early Christian ethics and decried by others as a Marxist takeover liberation theology has a wide raging cross sectional history that has previously gone undocumented In *The World Come of Age* Lilian Calles Barger offers for the first time a systematic retelling of the history of liberation theology demonstrating how a group of theologians set the stage for a torrent of new religious activism that challenged the religious and political status quo
