**The Ruffian on the Stair** Rosemary Dinnage,1990      Julian Barnes from the Margins Vanessa Guignery,2020-03-05 Exploring the archives of the Man Booker prize winning novelist Julian Barnes including notebooks drafts typescripts and publishing correspondence this book is an extraordinary in depth study of the creative practice of a major contemporary novelist In Julian Barnes from the Margins Vanessa Guignery charts the genesis and publication history of all of Barnes s major novels from his debut with *Metroland* through *Flaubert s Parrot* and *A History of the World in 10 1 2 Chapters* to *The Sense of an Ending*      **The Revival of Death** Tony Walter,2002-01-31 Talking about death is now fashionable but how should we talk Who should we listen to priests doctors counsellors or ourselves Has psychology replaced religion in telling us how to die This provocative book takes a sociological look at the revival of interest in death focusing on the hospice movement and bereavement counselling It will be required reading for anyone interested in the sociology of death and caring for the dying the dead or bereaved      **Death Liturgy and Ritual** Paul P.J. Sheppy,2017-07-05 This title was first published in 2003 *Death Liturgy and Ritual* is a two volume study of Christian funerary theology and practice presenting an invaluable account of funeral rites and the central issues involved for compilers and users Paul Sheppy writes from direct experience of conducting funerals and of drafting liturgical resources for others In Volume I *A Pastoral and Liturgical Theology* Sheppy argues that the Church ought to construct its theological agenda in dialogue with other fields of study He proposes a Christian statement about death that finds its basis in the Paschal Mystery since human death must be explained by reference to Jesus death descent to the dead and resurrection Using the three phases of van Gennep s theory of rites of passage the author shows how the Easter triduum may be seen as normative for Christian liturgies of death The companion volume Volume II *A Commentary on Liturgical Texts* reviews a wide range of current Christian funeral rites and examines how they reflect both the Church s concern for the death and resurrection of Christ and the contemporary secular demand for funerals which celebrate the life of the deceased      Death and the Author David Ellis,2008-07-17 At the heart of *Death and the Author* is a dramatic account of D H Lawrence s desperate struggle against tuberculosis during his last days and of certain often bizarre events which followed his death Around this narrative David Ellis offers a series of reflections about what it is like to have a disease for which there is no cure the appeal of alternative medicine the temptation of suicide for the terminally ill the diminishing role of religion in modern life the institution of famous last words the consequences of dying intestate and so on These are clearly not the most immediately appealing of topics but they have an obvious significance for everyone and the treatment of them here is by no means lugubrious even if in the nature of the case most of the jokes fall into the category of gallows humour Lawrence is the main focus throughout but there are extended references to a number of other famous literary consumptives such as Keats Katherine Mansfield Kafka Chekhov and George Orwell Not a long book *Death and the author* is divided into three parts called *Dying Death and Remembrance* and is made up of twenty two short
