Rufus and Rose (Annotated and Illustrated) Horatio Horatio Alger Jr., 2017-09-05 This Book is annotated it contains a
detailed biography of the author An active Table of Contents has been added by the publisher for a better customer
experience This book has been checked and corrected for spelling errors In presenting to the public the last volume of the
Ragged Dick Series the author desires to return his thanks for the generous reception accorded both by the press and the
public to these stories of street life Several of the characters are drawn from life and nearly all of the incidents are of actual
occurrence Indeed the materials have been found so abundant that invention has played but a subordinate part The principal
object proposed in the preparation of these volumes has been to show that the large class of street boys numbering
thousands in New York alone furnishes material out of which good citizens may be made if the right influences are brought to
bear upon them In every case therefore the author has led his hero step by step from vagabondage to a position of
respectability and in so doing has incurred the charge in some quarters of exaggeration Student and Schoolmate , 1869
