learned ways to break free of that hurt and to live in God's future. Today when someone walks through the doors of Vince's innovative church located just off the Las Vegas Strip, he offers a Restore class as one of three core classes that every member takes. He knows how important it is to learn to break free of these old hurts and bad habits. The essence of that popular class is contained in this book: *Move past your past, heal your hurts, and break your bad habits*. **Why?** Carmen DiCello, 2007-01-01. Nothing so baffles the mind or staggers the soul than the reality and sheer intensity of human suffering. How can we explain such widespread malevolence in a world ruled by a benevolent God? What is the proper response to such pain and puzzlement? Skeptics and believers alike are compelled to ask: Why? Some have advocated an overly confident and simplistic theodicy while others have retreated to a place of doubt or even unbelief. But neither of these options will do. Carmen DiCello urges that we reject both unwarranted confidence and outright skepticism, favoring an approach in which human knowledge and human ignorance are held in tension. Providing a helpful framework for thinking through these issues, DiCello balances what we can know with what we can't, showing that there is reason enough to believe along with ample cause to rest our hearts and minds in a good sovereign but also mystifying God. Why? provides spiritual and intellectual guidance for all who are willing to venture into these troubling waters and who desire to emerge with a realistic faith and a sustaining hope. **Pathway to the Soul** E. Joel Van Hoogen, 2014-02-01. Do you believe in God? It's a simple question, and it's one you must ask unbelievers as you begin a gospel conversation with them. It could lead him or her to making the most important decision anyone can ever make: the decision to follow Christ. Whether the answer to the question is yes or no, filled with philosophical imagery or intellectual smokescreens, *Pathway to the Soul: Reaching People through Spirit-Led Dialogue* will give you the tools you need to face down your fears of sharing Christ and enter into the conversation with spiritually lost people. *Full Service* Siang-Yang Tan, 2006-03-01. Although servanthood is often discussed as an important part of leadership, it is also the basic calling of every follower of Jesus Christ. Siang-Yang Tan takes a fresh approach to servanthood, exploring it as loving obedience to God in and of itself, regardless of personal greatness, fulfillment, or success. He lays out the biblical case and practical guidance to help all Christians live out their foundational call of being a servant of God in all areas of life. Tan's focus on servanthood alone, in contrast to the many books on servant leadership, will appeal to pastors, church leaders, and all Christians interested in a biblical perspective on servanthood. **Scripture Commentary Sampler** Dave Martin, 2019-07-29. This book provides a brief introduction to the literature of Bible commentaries. Its purpose is to present some of the best thoughts from Bible scholars and inspire readers to further explore this rich genre. This Sampler aims to whet the appetite of people who may not have seminary degrees but who nevertheless desire a deep dive into God's Word. **Church Plantology** Peyton Jones, 2021-04-20. The first comprehensive textbook on effective church planting from a veteran church planter. The Apostle Paul was a veteran church planter who laid a foundation like a wise and master builder, and there is much we can learn from his example. Paul indicated that there were basic skills and experiences required to

successfully plant a church Church Plantology examines the wide variety of church planting methods and ideologies in contemporary pastoral practice and outlines a biblical model based on the New Testament During his time in prison Paul spent much of his time writing to Titus Timothy and others who d served alongside him in the trenches to complete their training as church plantings We can continue to apply these time tested proven methods following the pioneering example of the early church Today the casualty rate in is high What if we could reduce the odds of failing Church Plantology by Peyton Jones is a robust guide to planting that will help planters to provide the foundation necessary to survive beyond the initial first years so that they don t end up a walking statistic *Heaven in the American Imagination* Gary Scott Smith,2011-06-01

Does heaven exist If so what is it like And how does one get in Throughout history painters poets philosophers pastors and many ordinary people have pondered these questions Perhaps no other topic captures the popular imagination quite like heaven Gary Scott Smith examines how Americans from the Puritans to the present have imagined heaven He argues that whether Americans have perceived heaven as reality or fantasy as God s home or a human invention as a source of inspiration and comfort or an opiate that distracts from earthly life or as a place of worship or a perpetual playground has varied largely according to the spirit of the age In the colonial era conceptions of heaven focused primarily on the glory of God For the Victorians heaven was a warm comfortable home where people would live forever with their family and friends Today heaven is often less distinctively Christian and more of a celestial entertainment center or a paradise where everyone can reach his full potential Drawing on an astounding array of sources including works of art music sociology psychology folklore liturgy sermons poetry fiction jokes and devotional books Smith paints a sweeping provocative portrait of what Americans from Jonathan Edwards to Mitch Albom have thought about heaven **Beautiful Resistance** Jon

Tyson,2020-07-21 In a time of compromise and disillusionment God is calling his people to a movement of beautiful resistance We live in a time when our culture is becoming increasingly shallow coarse and empty Radical shifts in the areas of sexuality ethics technology secular ideologies and religion have caused the once familiar landscape of a generation ago to be virtually unrecognizable Yet rather than shine as a beacon of light the church often is silent or accommodating This isn t a new phenomenon During World War II pastor and theologian Dietrich Bonhoeffer was deeply troubled by the compromise in the German church Their capitulation to the Nazi party brought shame and dishonor to the gospel In response he helped create an underground movement of churches that trained disciples and ultimately sought to renew the church and culture of the day In our compromised church we need new underground movements of discipleship and resistance Widely respected New York pastor Jon Tyson unveils a revived vision for faithful discipleship one that dares to renew culture restore credibility and replace compromise with conviction For all who have felt this conflict in the soul between who we are and who God calls us to be Beautiful Resistance is a bold invitation to reclaim what s been lost regardless of the cost Praise for Beautiful Resistance Beautiful Resistance is one of the most compelling and defiant books I ve read in a long time I love Jon s radical

Williams,2020-12-22 God does not suggest he commands that we do justice Social justice is not optional for the Christian All injustice affects others so talking about justice that isn t social is like talking about water that isn t wet or a square with no right angles But the Bible s call to seek justice is not a call to superficial kneejerk activism We are not merely commanded to execute justice but to truly execute justice The God who commands us to seek justice is the same God who commands us to test everything and hold fast to what is good Drawing from a diverse range of theologians sociologists artists and activists *Confronting Injustice without Compromising Truth* by Thaddeus Williams makes the case that we must be discerning if we are to truly execute justice as Scripture commands Not everything called social justice today is compatible with a biblical vision of a better world The Bible offers hopeful and distinctive answers to deep questions of worship community salvation and knowledge that ought to mark a uniquely Christian pursuit of justice Topics addressed include Racism Sexuality Socialism Culture War Abortion Tribalism Critical Theory Identity Politics *Confronting Injustice without Compromising Truth* also brings in unique voices to talk about their experiences with these various social justice issues including Michelle Lee Barnwall Suresh Budhaprithi Eddie Byun Freddie Cardoza Becket Cook Bella Danusiar Monique Duson Ojo Okeye Edwin Ramirez Samuel Sey Neil Shenvi Walt Sobchak In *Confronting Injustice without Compromising Truth* Thaddeus Williams transcends our religious and political tribalism and challenges readers to discover what the Bible and the example of Jesus have to teach us about justice He presents a compelling vision of justice for all God s image bearers that offers hopeful answers to life s biggest questions **A Practical Primer on Theological Method** Glenn R. Lake,Matthew I. Ayars,2016-02-17 *Holy Is a Four Letter Word* responds to the need for an accessible and simple articulation of the holy life and what it means for the collective church as well as for individual believers This goal is accomplished by taking the fundamental tenets of holiness doctrine and shaping them around twelve four letter words 1 Holy

2 Self 3 Full 4 Pure 5 Will 6 Mind 7 Body 8 Love 9 Rest 10 Life 11 Sent and 12 Call Each chapter deals with holy living according to scripture as it pertains to each four letter word Setting the concept of holiness against the backdrop of modern and often profane media culture accomplishes two objectives 1 it reveals the relevance and urgency of holy living amongst a super charged secular media culture and 2 defining holy living first and foremost by what it is not thereby accentuating holy as being set a part for the purposes of God
