Rumors of War C. A. Cesaretti, Joseph T. Vitale, 1982 **The Nuclear Freeze Debate** Paul M Cole, William J Taylor Jr, 2019-06-26 From a local ballot initiative in Massachusetts the nuclear weapons freeze movement has grown during the last three years into an important national issue By 1983 Congress had been asked to consider more than two dozen freeze resolutions and more than 25% of the voters in the U S had the opportunity to vote on state wide and regional freeze initiatives This book explores the issues behind the current debate over nuclear weapons and the freeze movement from a wide range of perspectives The contributors assess the goals and implications of the freeze movement examine its origins in religious and secular pacifism explain the amendments to the original freeze proposal introduced in Congress and discuss the reaction and policies of the Reagan administration The nuclear freeze movement is placed in an international context with discussions of recent arms negotiations European views of U S policies and the possible effects of a freeze on NATO allies and on U S national security The book includes a comprehensive annotated bibliography Modern Just War Theory Michael P. Farrell, 2013-06-20 Contributions to Illuminations A Scarecrow Press Series of Guides to Research in Religion provide students and scholars lay readers and clergy with a road map to research in key areas of religious study All commonly constructed with introductions to the topic and reviews of key thinkers concepts and events each volume includes surveys of the primary and secondary sources with critical evaluations of their places in the canon of thought and research on the topic Focusing primarily on the knowledge required by today s students and scholars each guide is a must have for any student of religion The twentieth century saw an explosion of wars and an accompanying explosion of literature on the morality of war Thinking among Christian clerics and scholars on the idea of just war shifted with developments on the battlefield Alternatives to just war theory such as pacifism and realism found new proponents in the published work of the neo Anabaptists and Niebhurians Meanwhile proponents of Christian just war theory had to address challenges from competing ideologies as well as ththose presented by the changing nature of warfare Modern Just War Theory A Guide to Research by scholar and librarian Michael Farrell serves as a manual for students and scholars studying Christian just war theory helping them navigate the wealth of just war literature produced in the twentieth and twenty first centuries Farrell s guide provides an introduction to the major developments of just war theory in the twentieth century including sections on how to research just war theory an overview of some of the most important theorists and developments of the twentieth century and discussions of key search terms and related topics Farrell then surveys and evaluates key primary and secondary sources for researchers on just war theory as well as related sources on Christian realism and the responses of just war theorists to proponents of pacifism and secular just war theories Modern Just War Theory will appeal to students and scholars of theology military history international law and Christian ethics **The Catholic Heritage** Lawrence S. Cunningham, 2002-03-01 A charming and powerful example of how a great mass of material can be presented in an

interesting and accurate manner An excellent book for personal reading but the perfect text for religion courses C C D programs and adult education Spirituality Today A unique people oriented approach to the history of the Roman Catholic church An ambitious enlightening study not strictly for Catholics and suitable both for teaching and individual research Booklist A Catholic would welcome it as a gift Andrew M Greeley American Bookseller A work important both for itself and for the method it uses Cunningham manages to convey a sweep of Catholic history and tradition that is remarkable it may well become a classic in its own right Best Sellers An attractive text for an introductory course on Catholicism for college undergraduates something many of us have been looking for in vain in recent years Cross Currents In a novel and engaging way it presents a rather comprehensive picture of the many faceted Roman Catholic tradition Emphasis is on the spiritual rather than on the political or doctrinal A list of Readings and Trajectories at the end of each chapter enhances the value of the book The Living Light A good book written out of classroom experience waiting to be taken back into the classroom New Catholic World *Divine Rebels* Deena Guzder,2011-05 In an effort to reclaim the fundamental principles of Christianity moving it away from religious right wing politics and towards the teachings of Jesus the American Christian activists profiled in this book agitate for a society free from racism patriarchy bigotry retribution ecocide torture poverty and militarism These activists view their faith as a personal commitment with public implications their world consists of people of religious faith protecting the weak and safeguarding the sacred Recounting social justice activists on the frontlines of the Christian Left since the 1950s including Daniel Berrigan Roy Bourgeois and SueZann Bosler this book articulates their faith based alternative to the mainstream conservative religious agenda and liberal cynicism and describes a long standing American tradition which began with the nation s earliest Quaker abolitionists *Thanks: Giving and Receiving Gratitude for America's Troops* Edgar S. Welty Jr.,2015-07-14 This is a book about faith and moral issues facing American troops and veterans As someone who spent four years wearing a U S army uniform Edgar S Welty has plenty of soldier stories But he does not start this book with those stories Instead Welty introduces his work with the telling of Simon s service when he carried the cross of our Lord Jesus Christ He argues that service is the same as Jesus s call to go an extra or second mile Americans are called by Jesus to walk a second mile for American troops and veterans This act of service is necessary because many troops are in trouble as is demonstrated by suicide rates Each section of this book focuses on a new issue surrounding troops and veterans **The Living Church** ,1962 Arms Control and Disarmament, Defense and Military.
