Run and Change Your Life Josue Rojas, 2016-10-07 We all are runners in life We must have goals to achieve whether they are business job carrier finding the right person to start a family with or reaching an economic and social level among other goals In order to get them we must make the first step To figure out how to overcome difficulties that may appear on our path we only must proceed with the certainty that we will achieve what we proposed and believe that we'll get it and that any obstacle or mental cluster will be overcome with our faith The race of life is to know how to run it and to be focused on the goal It will teach you how to deal with the trials when tiredness and pain surround you You may change your steps or pace but never your vision toward your goals or dreams You may take a pause to refresh yourself to catch up your breath or to deeply remove habits that may be burdens or obstacles that hold you from advancing Todos somos corredores en la vida Todos tenemos metas que alcanzar pueden ser un negocio un trabajo una carrera universitaria encontrar la pareja correcta para formar un hogar al cansar un nivel economico y social entre otras metas De manera que para llegar a obtenerlas tenemos que dar el primer paso Saber vencer las dificultades que se encuentran a nuestro paso tenemos que avanzar solo con la certeza de que lograremos lo que nos proponemos y creer que llegaremos entonces cualquier obstaculo o barrera mental se sobre pasa con nuestra fe La a carrera de la vida hay que saber como correrla es permanecer enfocado en la meta eso te enseña como tratar las dificultades en el trayecto cuando el cansancio y el dolor te agobie Puedes cambiar el paso o el ritmo pero nunca tu vision a tus metas o sueños Puedes hacer una pausa para refrescarte respirar profundamente despojarte de hábitos arraigados que te sean carga u obstáculos que no te dejen avanzar

The Running Life Steven McCann, 2021-09-09 Running is a part of our consciousness and subconsciousness all through life We run as children chasing kites and ice cream trucks and run away from irate parents We run as teenagers in our sports We run as adults to stay in shape and as elderly people we run after toddlers that suddenly escape our protection We run in nightmares We run in happy dreams for the exuberance of pure freedom We run to catch subways buses and planes We run to meet our lovers Our clocks run fast or slow and we run late or early My running stories capture some of the ways we run A kindergartener chases his mother for an entire mile so he can walk her to the grocery store A high school track athlete runs to win the heart of a classmate A college coed wakes up late for her final exam and runs frantically across campus to preserve her grade point Another young woman runs to escape a rapist An elderly man watches joggers sweep by on a country road from his seat in a wheelchair holding in his heart all the wonderful miles he once ran himself

Our Life on the Run Marlin Keesler, 2005-10 Marlin Keesler entered his first marathon never imagining that it would become the first leg of a six and a half year race across America that he and his family would embark on one in which the benefits of travel would do far more for his two children afflicted with a rare learning disorder than any classroom could offer

Marathon Quest Martin Parnell, 2012 In Marathon Quest Guinness World Record holder Martin Parnell gives honest and often humorous insight into why an ordinary man would attempt to do something extraordinary with no assurance that he can succeed
