Run Heather Baxter, 2015-06-30 Winning the spiritual Race does not depend upon how fast you Run it is determined by how you Run There is a right way and wrong way to Run Having an organized Training plan is your only chance to make it to the Finish Line This book study will become a personal Training manual Run will give you instructions and resources that will equip you to win the Race The Christian life is often described as a Race one designed by God In it we are called to fulfill His purposes for us We need to be in spiritual shape Trying to run a marathon is very different from Training to run a marathon Lets get fit we cant quit when the going gets rough We can go through all the religious stunts but unless there is a desire to Train to be like Jesus few make it and many fall to defeat A great factor in success is consistency We may start out in front leading but if we do not stay consistent we become entangled in the affairs of this life God has called you to Run the Race set before you Fall on your knees through this study and embrace your Race Its possible to Run the entire Race and even cross the Finish Line only to realize you have been disqualified because you did not Run in such a way Life is not a game with no lasting consequences The way we Run has eternal consequences Lace up friend you have a Race to win
