## **Running On Empty:**

Running on empty Lucas, Karen, 2004-10-13 Running on empty argues that past failure to address fundamental inequalities in the ability of low income households to access adequate transport has undermined effective delivery of welfare policies in the US and UK describes the new policies and initiatives being developed to address this oversight outlines the case for including transport as an area of social policy inquiry identifying key factors and uses case study examples of practical initiatives from both sides of the Atlantic to draw lessons for future policy and practice The book is aimed at students researchers policy makers and practitioners with an interest in understanding the social effects of transport policy The comparison between US and UK policy and practice adds an important new dimension to those familiar with the subject while its easy to read format and well illustrated case study examples make it an ideal first text for newcomers to the field

*Running on Empty* Marshall Ulrich, 2011-04-14 117 marathons 52 days 32 pairs of shoes 57 years old A fascinating glimpse inside the mind of an ultramarathon runner and the inspirational saga of his phenomenal journey running across America The ultimate endurance athlete Marshall Ulrich has run more than 100 foot races averaging over 100 miles each completed 12 expedition length adventure races and ascended the Seven Summits including Mount Everest all on his first attempt Yet his run from California to New York the equivalent of running two marathons and a 10K every day for nearly two months straight proved to be his most challenging effort yet Featured in the recent documentary film Running America Ulrich clocked the 3rd fastest transcontinental crossing to date and set new records in multiple divisions In Running on Empty he shares the gritty backstory including brushes with death run ins with the police and the excruciating punishments he endured at the mercy of his maxed out body Ulrich also reached back nearly 30 years to when the death of the woman he loved drove him to begin running and his dawning realization that he felt truly alive only when pushed to the limits Filled with mind blowing stories from the road and his sensational career Ulrich s memoir imbues an incredible read with a universal message for athletes and nonathletes alike face the toughest challenges overcome debilitating setbacks and find deep fulfillment in something greater than achievement Watch a Video Running on Empty Peter G. Peterson, 2004-08-01 When Bush came to office in 2001 the 10 year budget balance was officially projected to be at a surplus of 5.6 trillion But after three big tax cuts the bursting of the stock market bubble and the devastating effects of 9/11 on the economy the surplus has evaporated and the deficit is expected to grow to 5 trillion over the next decade The domestic deficit is only the half of it Given our 500 billion trade deficit and our anemic savings rate we depend on an unprecedented 2 billion of foreign capital every working day If foreign confidence were to wane this could lead to the dreaded hard landing Peter G Peterson a lifelong Republican chairman of the Blackstone Group and former secretary of commerce under Nixon shatters the myths with hard facts and a harrowing view of the twin deficit s real impact Republicans and Democrats alike have mortgaged America s future through reckless tax cuts out of control spending and Enron style accounting in Congress And the situation

will only get worse as the Baby Boom generation begins to retire making unprecedented demands on entitlement programs like Social Security and Medicare Despite what Bush says we are on a path that could end in economic meltdown and we simply cannot grow out of the deficit In Running On Empty Peterson sounds the warning bell and prescribes a set of detailed solutions which if implemented early will prevent the need for draconian measures later He takes us behind the politicians smoke and mirror games and forcefully explains what we must do to rescue the future of our country **Running On**
