## **Running Being The Total Experience:**

**Running & Being** George Sheehan, 2014-04-01 A New York Times bestseller for 14 weeks in 1978 *Running Being* became known as the philosophical bible for runners around the world More than thirty years after its initial publication it remains every bit as relevant today Written by the late beloved Dr George Sheehan *Running Being* tells of the author's midlife return to the world of exercise play and competition in which he found a world beyond sweat that proved to be a source of great revelation and personal growth But *Running Being* focuses more on life than it does specifically on running It provides an outline for a lifetime program of fitness and joy showing how the body helps determine our mental and spiritual energies Drawing from the words and actions of the great athletes and thinkers throughout history Sheehan ties it all together with his own philosophy on the importance of fitness and sport as well as his knowledge of training injury prevention and race competition Above all Sheehan describes what it means to experience the oneness of body and mind of self and the universe In this Sheehan argues we have the power to discover the truth that makes men free

**Running and Being** George Sheehan, 1979 **Running and Being** George Sheehan, 1984-05-15 **Mind over Matter: How Spirituality Changes Lives**, 2025-02-27 *Mind over Matter* is an interdisciplinary collection of essays exploring how spirituality changes lives in a variety of ways Unlike much philosophically rooted literature on spirituality it encourages an understanding of what can be achieved through faith belief and self confidence without reliance on specific or necessarily any religious doctrines or views From theistic non theistic or atheistic perspectives each chapter addresses a distinctive phenomenon for example spirituality and healing spirituality and art spirituality and running and spirituality as a response to disaster Not only do they integrate the results of scientific research and other intellectual investigations to illuminate accomplishments and sometimes possible sources of failure but they are also written by academics with practical experience in relevant areas or at least informed by ideas of practitioners

**The Lion that Swallowed Hemingway** Ernest Stocco, 2014-07-06 The saddest people in the world are those that have been brought as far as life can take them in the evolution of their individuality because the longing in their soul for wholeness and singleness of self cannot be satisfied by life and one does not know what to do to fill the hollow in their soul and be the person they are destined to be like my high school hero Ernest Hemingway No matter how much life he experienced he never seemed to get enough of it like marlin fishing in the Gulf Stream which so tested his manhood that he had to prove himself over and over and over again and in the process winning trophies and adulation that fed his massive ego which in turn demanded more attention a never ending cycle that drove the great author to despair and suicide

**Sports Competitions for Adults Over 40** Thomas A. Jones, 2009-06-08 A healthy lifestyle is a popular way to deal with aging but the serious fun and games don't have to end once middle age sets in This guidebook is aimed at men and women over 40 or 50 or 60 or 70 who seek the challenge of athletic competition The book focuses on those sports requiring significant physical exertion and includes team sports such as soccer
