India's Sentinel: Select Writings of Air Commodore Jasjit Singh AVSM, VrC, VM (Retd) Dr Manpreet Sethi, Dr Shalini Chawla, 2014-07-15 Air Commodore Jasjit Singh was one of India's foremost strategic analysts The only constant for him in over three decades of research analyses and writing was the centrality of national interest Indeed the man never let the nation down whether as an air warrior or a strategist ever ready to voice his views irrespective of how the wind was blowing and always remaining practical in approach Ever an optimist he believed that India would inevitably rise to power by the sheer size of its economy and human resource potential A greater concern for him however was the need to sensitize his compatriots to the national security challenges that would arise as the country rose and to equip them with the capability to optimally address these He did so through his writings and talks This book is a modest compilation of his select writings on two specific issues nuclear strategy and Pakistan since he considered these as critical amongst India's many security challenges Of course the range of Jasjit Singh's writings and the expanse of his knowledge is immense and beyond capture in one book But this is a small effort in the direction of spreading his message ideas to the current and future generation of scholars and policy makers Hopefully it will encourage students of national security to look for more of his writings beyond the few that we have been able to carry in this volume **Collected Writings of Charles Brockden Brown** Philip

Run, David, Run! Steven T. Mann, 2013-04-15 In this book Steven Mann highlights the role of theology in the story of David s departure and return as told in 2 Samuel 14 20 Mann s method of narrative analysis employs a philosophy of language called speech act theory His primary interest is ways in which speech act theory has been applied to biblical narrative and he concentrates specifically on speech acts that include theological propositional content that is words used to denote God In this way Mann analyzes the theological speech acts of the narrative and then suggests a way to view the narrative itself as a speech act The thesis of this study is that speech act theory illuminates the integral role of theology in the story of David s departure and return Theology is not merely one aspect of the story but is in fact a catalyst necessary to the plot Furthermore the act of telling the story as 2 Sam 14 20 does is the very act of portraying David s faith in Yhwh David s speech acts demonstrate that he believes that Yhwh is someone who intervenes and who finds ways to bring his banished ones back to him The narrative portrayal of David s faith can be understood as an illocutionary act with the potential effect of encouraging an audience a perlocutionary act In other words Man demonstrates that this story can inspire any readers who see this narrative as a story not only about David but about themselves
