## **Running Poems And Drawings:**

Running Nathan Whiting, 1975      **Art on the Run** Kostas Patinios, 2015-07-31      *American Poetry in Performance* Tyler Hoffman, 2013-05-29 American Performance Poetry is the first book to trace a comprehensive history of performance poetry in America from Whitman through the rap meets poetry scene and to show how the performance of poetry is bound up with the performance of identity and nationality in the modern period This book will be a meaningful contribution both to the field of American poetry studies and to the fields of cultural and performance studies as it focuses on poetry that refuses the status of fixed aesthetic object and in its variability performs versions of race class gender and sexuality both on and off the page Relating the performance of poetry to shifting political and cultural ideologies in the United States Hoffman argues that the vocal aspect of public poetry possesses or has been imagined to possess the ability to help construct both national and subaltern communities In doing so American Performance Poetry explores public poets confrontations with emergent sound recording and communications technologies as those confrontations shape their mythologies of the spoken word and their corresponding notions about America and Americanness      Poems, Paintings & Pontification Colin Baker, Join me on this journey as I follow hopes and dreams From youthful adolescence to an essence of love themes Reminiscing childhood warm thoughts of better days Contemplating changes for a futuristic phase Appreciating beauty and the wonders of the Earth Discovering the treasures of pastimes fun and mirth Questioning my choices of how I came to be Acknowledging the voices who may someday hold the key You may not see my vision and dismiss my clumsy rhyme But if you stay the distance you might well enjoy the climb      **Art as Music, Music as Poetry, Poetry as Art, from Whistler to Stravinsky and Beyond** Peter Dayan, 2016-04-08 In 1877 Ruskin accused Whistler of flinging a pot of paint in the public's face Was he right After all Whistler always denied that the true function of art was to represent anything If a painting does not represent what is it other than mere paint flung in the public's face Whistler's answer was simple painting is music or it is poetry Georges Braque half a century later echoed Whistler's answer So did Braque's friends Apollinaire and Ponge They presented their poetry as music too and as painting But meanwhile composers such as Satie and Stravinsky were presenting their own art music as if it transposed the values of painting or of poetry The fundamental principle of this intermedial aesthetic which bound together an extraordinary fraternity of artists in all media in Paris from 1885 to 1945 was this we must always think about the value of a work of art not within the logic of its own medium but as if it transposed the value of art in another medium Peter Dayan traces the history of this principle how it created our very notion of great art why it declined as a vision from the 1960s and how in the 21st century it is fighting back      **The Golden Book Magazine**, 1929      **Golden childhood; or, The child's own annual of pictures, poetry and music [afterw.] Merry sunbeams [afterw.] Golden childhood**, 1878      **Poetry in Depth: Unveiling the Art and Artistry of Wallace Stevens** Pasquale De Marco, 2025-04-22 Dive into the Poetic Universe of Wallace Stevens A Comprehensive Exploration of His Life Works and Legacy Wallace Stevens a towering figure in
