Runway Reflections On The Ten Commandments:

The Runway Robert G. Tuttle,1997 In an era of ever increasing secularism have the Ten Commandments become irrelevant principles of life Tuttle explores this gripping question reaffirming the Commandments vital importance as eternal benchmarks of human relations Readers by rediscovering the importance of these timeless principles will be empowered to follow a straight and fulfilling course down the spiritual runway of life that God intended for us all to follow **American Book Publishing Record** ,1997 *Toward a Culture of Freedom* Thorwald Lorenzen,2008-03-01 The Ten Commandments belong to the classics of Western culture They are an authoritative part of the Hebrew and the Christian Scriptures Since they come to us from an ancient past it is both necessary and worthwhile to inquire what they may mean for us today Thorwald Lorenzen contends it is important to hear God s invitation to an alternative lifestyle you shall not kill you shall not commit adultery you shall not covet His thoughtful reflections on the commandments for today s tumultuous world begin with the God who speaks ten word to liberate God s people from oppression Grounded in God s liberating yes the ten words are neither laws nor rules They are elements for a culture of freedom in which people are invited to celebrate life *Thoughts I Hope You've Had Too* James Steger,2004-05 In his book *Thoughts I Hope You've Had Too* James Steger pulls no punches in his assessment of the current state of our society He doesn t hold back in saying what many people today are thinking about unscrupulous lawyers smug judges arrogant politicians incompetent parents and an irresponsible news media He tells it like it is in describing the drug and alcohol usage your children see everyday Your eyes will be opened to the impact the disintegrating family structure and current trends in entertainment are having on the way your children behave You ll read about parents who act more like agents when it comes to handling their children s athletic careers while attacking standards and expectations they perceive as threats You will find out how our current educational policies are cheating good students while catering to bad students You will find out the truth regarding the principle of separation of church and state Other topics include Acceptance of Everyone And Everything Pet Peeves We Are Our Only Predators The 10 Commandments Revised From Winners To Whiners Double Standard Death Sentences and more Go ahead read one page and see what you think You will finally feel good about feeling so bad *With My Whole Heart* James Jones,2012-05-17 As James Jones waited for his heart operation and began to recover from it he had the Psalms with him day and night and these are reflections based on each occasion the word heart is used in the Psalms 70 times These reflections invite the reader to make a new relationship with the psalms and with the familiar translation of them in the Book of Common Prayer They include a prayer to say in response to each meditation **Subject Guide to Books in Print** ,2001 *Susan's Coffeebreak* Susan Pippin,2011-11-21 The Daily Devotions Coffee Break began in March of 2006 and has truly been inspired by God and is now reaching across this nation and others touching the lives of both women and men The Devotions are taken from life experiences and reveal how God s Word relates to each one My desire is that hearts and lives be changed by the Word of God

and I pray that these Devotions will be a blessing to all Thank you for being a part of this outreach to bring others to the saving keeping and loving knowledge of Jesus Christ Susan and her husband Ken reside in Tarpon Springs Fl and are the pastors of Highest Praise Family Church Susan is the mother of two handsome sons two beautiful daughters in law and six awesome grandchildren She is an ordained minister with the Assemblies of God and is currently the Women s Ministries representative for the St Pete Clearwater area in Florida
