Rural Industrialisation Problems And Issues

Xiao-yuan Dong

Rural Industrialisation Problems And Issues:

Rural Industrialisation T. M. Dak, 1989 Viewed mainly as the growth of manufacturing sector as opposed to agriculture and the increased use of inanimate sources of power in the production of goods and services rural industrialization offers the greatest scope for absorbing the existing and growing labour force outside the field of agriculture However rural industrial scene continues to be characterised by the concentration of labour force in agriculture predominance of traditional crafts low levels of technology hereditary mode of production poor productivity and returns and low labour efficiency and utilisation Besides glorification of traditional crafts and self employment caste industry nexus and above all policy bias in favour of agriculture as against industry and large and medium capital intensive industries as against small village and cottage industries also worked as strong impediments to the development of rural crafts Drawing from the nationwide experiences this book examines the problems of the growth and modernisation of rural industries from socio economic perspectives and probes into the organisational and technology system underlying their production structure with all its implications and ramifications The reversal of the policy favouring large modern industry sector and the spread of tiny small industries throughout the country with full package of organisational technical financial and marketing support in adequate measure have been strongly advocated In addition the integration of the development of rural industries with the overall programme of industrialisation was emphasized

Issues and Challenges of Development Bikram Keshari Pattanaik, 2025-04-24 This book presents a balanced and accessible introduction to the core issues and challenges of development It covers the key aspects of development in contemporary times its relationship with agriculture industrialization and services sustainable and inclusive development issues of marginalization and women's empowerment This volume focuses on the uniquely multi dimensional challenges faced by developing countries which extend to the fields of economics sociology administration politics and environment The sectoral issues in development which comprise agriculture industries and services sectors are useful subjects for enhancing economic growth and development of the nation states Replete with case studies of different countries juxtaposed with the Indian scenario this book caters to student needs across various disciplines It will be useful to undergraduate and postgraduate students researchers and teachers of development studies economics sociology political science and public administration It will be equally useful for administration officials of the central and state governments policymakers non governmental organization NGO staff and corporate sector functionaries dealing with corporate social responsibilities

Problems And Prospects Of Small Industries R.N. Misra, 2005 Agriculture plays a vital role in Indian economy from the very inception of economic planning Agriculture alone cannot solve all the basic problems of the country like unemployment So small Industries play a key role for economic development of the country India is a country of resources unless these resources are utilised in full the development of the country is not possible so establishment of small industries in rural as well as in urban areas are essential This book is of immense value It throws light on various angles of

Small Industries of our country The book is very helpful to the planners teachers research scholars students government agencies and non government agencies which are concerned with the economic development of the country as a whole

Through stories of diverse landscapes from around the world this book captures human cultures and their land use practices in the environments they inhabit The chapters cover topics from heritage in the 21st Century appreciating and safeguarding values while facing challenges wrought by change This title will lead readers through fascinating stories of landscapes and people We learn of the physical and spiritual structure of rice terraces of the Honghe Mountains in China maintained by following a 1300 year sustainable practice of water allocation while the colonial tea plantations of the Sri Lankan highlands are managed by Indian Tamils who now seek tourism as a means of additional income Sustainable agricultural methods in the USA are being introduced to prevent landscape loss while in Australia a challenge confronting family farms is progressing to rural industrialisation Challenges are further outlined in the mythical story of Finland s Saint Henrik pilgrimage and in the intangible Ui won gardens of Korea The huge challenge for Japan s landscapes is the legacy from fierce natural 21st Century disasters while in Australia s Dampier Archipelago an avoidable yet brutal development on a unique Aboriginal rock sculptured landscape highlights serious concerns about heritage governance These remarkable stories of landscapes and their management are inseparable from the communities that inhabit them This book was originally published as a special issue of Landscape Research *China's Post-jiang Leadership Succession: Problems And Perspectives*

John Wong,Yongnian Zheng,2002-10-25 The lack of institutionalization around China s leadership succession was brought into focus again in the run up to the 16th Congress of the Chinese Communist Party and the widespread speculation on the final leadership line up The essays in this volume take a more analytical approach This book first looks at the political structures of leadership transition in China and secondly seeks to understand the real and potential problems that China s younger fourth generation leaders will have to grapple with as they take over the reigns of power **Geography and Environment** ,1986 Quantitative Techniques in Employment Planning Rashid Amjad,International Labour Office,1990

The Indian Journal of Agricultural Economics ,1998 Vols include Proceedings of the conference of the Indian Society of Agricultural Economics *The Social Consequences And Challenges Of New Agricultural Technologies* Gigi M Berardi,Charles C Geisler,2019-07-11 Although formal social impact assessment of changing technologies in U S agriculture is still in its infancy scholars have been documenting the effects of new technology throughout the twentieth century In this

collection Professors Berardi and Geisler bring together historically relevant research and a carefully chosen cross section of contemporary work Their review of the literature is followed by an evaluation of the effects of mechanization on labor and production written in 1904 which provides a backdrop for papers from the 1940s and 1950s examining the mechanization of agriculture in the South in the Midwest and in rural areas in general Subsequent chapters offer present day insights on such topics as the socioeconomic consequences of automated vegetable and tobacco harvesting center pivot irrigation and organic and no till cultivation The authors also look at compensation and adjustment programs for displaced labor the relationship between technology and agribusiness growth and the effectiveness of university programs that prepare students to perform social impact assessments in agriculture The edited proceedings of a spirited roundtable discussion on new directions for the study of the social impacts of farm technology and the political economy of agriculture provide the thought provoking conclusion to this overview of the field

China's Agricultural Development Xiao-yuan Dong, 2017-03-02 This book identifies the main challenges Chinese agriculture is confronting and considers how these challenges might be met The performance of China's agricultural production is comprehensively assessed while the factors that affect agricultural productivity are examined through detailed econometric analysis and up to date nationally representative data
