Rush Limbaugh Story:

The Rush Limbaugh Story Paul D. Colford, 1993 The Rush Limbaugh Story is the first full length account of the life and times of the conservative funny man who has become America's most listened to radio host a popular television commentator a best selling polemicist and a political power in his own right It is a no holds barred look at the public and private life of this huge media star Rush Limbaugh's worldview was forged by a domineering ardently Republican father and a small town Missouri upbringing far removed from the tumult of the 1960s Paul D Colford a New York media columnist who has covered him for five years details young Rusty's entry into radio as a teenager an enthusiasm that eventually prompted him to quit college and set out on the gypsy path of a rock and roll disc jockey Rush lost job after job along with two wives but found his calling when he switched to talk radio and his liberal bashing pranks earned him a wildly receptive following on Sacramento's KFBK AM A shrewd syndicator spun him off to a national audience in 1988 The Rush Limbaugh Story sets his emergence against the changing landscape of network radio as it explores the foibles the deals the marriages the controversies the bombast the riches and the ego of the conservative pitbull whose influence was actively courted by President Bush in the 1992 campaign Today he reaches more than sixteen million listeners a week via six hundred stations And those numbers continue to grow while the question remains Who is Rush Limbaugh BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved [The Most Dangerous Man in America](#) John K. Wilson, 2011-03-01 John K Wilson the author of President Trump Unveiled tackles the ideologies of America's most notorious conservative radio talk show icon in *The Most Dangerous Man in America* Rush Limbaugh's Assault on Reason Rush Limbaugh is the most prominent figure in the conservative movement with millions of listeners every week on more than six hundred stations a larger media platform than almost any other individual in the nation And this is why he is so dangerous Despite refusing to uphold even the most basic standards of journalism Rush has been given an extensive wide reaching platform with which to spew his venom And spew it he does In this book author John K Wilson uses the most damning evidence of all Rush's own words to deliver the ultimate indictment of Limbaugh's bankrupt ideology and how it embodies the decline of the conservative movement Wilson catalogs the world according to Rush from the political conspiracies to his disdain for scientific evidence and apparent love of racist sexist and homophobic stereotypes and shows how the radio personality poisons any rational political rhetoric with an endless stream of slurs lies and intimidation Most revealingly the author demonstrates how Limbaugh's blustering baseless proclamations and love for savage personal attacks have had a chilling effect on both parties as he viciously targets not only liberals but also any Republican who dares question one of his conclusions Meanwhile Rush's viselike grip on the political arena has created a media monster so powerful that even liberal commentators are forced to engage with him and his polarizing discourse *The Most Dangerous Man in America* reveals Rush Limbaugh to be just that No matter what you thought about the man before you will never feel the same way about him again *The Rush Limbaugh*
