Salt And Saffron:

Salt and Saffron Kamila Shamsie, 2013-06-04 Aliya may not have inherited her family's patrician looks but she is as much a prey to the legends of her family that stretch back to the days of Timur Lang. Aristocratic and eccentric the clan has plenty of stories to tell and secrets to hide. Like salt and saffron which both flavor food but in slightly different ways it is the small subtle differences that cause the most trouble in Aliya's family. The family problems and scandals caused by these minute differences echo the history of the subcontinent and the story of Partition. A superb storyteller Kamila Shamsie writes with warmth and gusto. Through the many anecdotes about Pakistani family life she hints at the larger tale of a divided nation. Spanning the subcontinent from the Muslim invasions to the Partition this is a magical novel about the shapes stories can take turning into myths appearing in history books and entering into our lives.

Salt Leslie Bilderback, 2016-09-06 Salt has been an essential dining element since the invention of the kitchen table. But today specialty salts come in a vast variety of forms and flavors. Smokey salts, salts infused with clay or charcoal, herby and spicy salts, salt with extra umami or a hint of sugar are being added to many recipes to layer more flavor and not simply to enhance the flavors already there. It's a feast for the tongue and colorful salts also add visual interest to dishes and the varying textures add crunch. But how do you decide which to buy and how do you get the most out of them once you've brought them back home to your kitchen? Salt will show you how to choose and how use them in simple delicious recipes for every meal of the day. You will learn how to cook, cure and bake with them. Plus you'll find a market guide that describes the different types of specialty and infused salts, discover ways to cook with salt blocks and even how to organize your own salt tasting at home. More than 100 mouthwatering recipes plus nearly 50 varieties of infused salts with beautiful full color photography will help you transform this classic humble ingredient into a star seasoning.
