

A black and white portrait of William Butler Yeats, showing him from the chest up. He is wearing a dark suit jacket over a white shirt and a dark bow tie. His right hand is raised to his chin, with his index finger resting against his cheek. He has a serious expression and is looking slightly to the right of the camera. Selected Poems And Four Plays:

Selected Poems And Four Plays William Butler Yeats, 2011-11-08 Since its first appearance in 1962 M L Rosenthal's classic selection of Yeats's poems and plays has attracted hundreds of thousands of readers. This newly revised edition includes 211 poems and 4 plays. It adds *The Words Upon the Window Pane*, one of Yeats's most startling dramatic works in its realistic use of a seance as the setting for an eerily powerful reenactment of Jonathan Swift's rigorous idealism, baffling love relationships and tragic madness. The collection profits from recent scholarship that has helped to establish Yeats's most reliable texts in the order set by the poet himself. And his powerful lyrical sequences are amply represented, culminating in the selection from *Last Poems and Two Plays* which reaches its climax in the brilliant poetic plays *The Death of Cuchulain* and *Purgatory*. Scholars, students and all who delight in Yeats's varied music and sheer quality will rejoice in this expanded edition. As the introduction observes: Early and late he has the simple indispensable gift of enchanting the ear. He was also the poet who while very much of his own day in Ireland spoke best to the people of all countries. And though he plunged deep into arcane studies his themes are most clearly the general ones of life and death, love and hate, man's condition and history's meanings. He began as a sometimes effete post-Romantic heir to the pre-Raphaelites and then quite naturally became a leading British Symbolist but he grew at last into the boldest, most vigorous voice of this century. **Selected Poems and Four Plays** represents the essential achievement of the greatest twentieth-century poet to write in English.

Selected Poems And Four Plays William Butler Yeats, 1996-09-09 Remaining the definitive selection of W B Yeats's finest work, this revised edition of M L Rosenthal's classic selection of 211 of Yeats's poems and four of his plays represents the essential achievement of Ireland's greatest lyric poet.

The Collected Works of

W.B. Yeats Volume XIII: A Vision William Butler Yeats, 2013-02-12 The *Collected Works of W B Yeats Volume XIII A Vision* is part of a fourteen-volume series under the general editorship of eminent Yeats scholar George Bornstein and formerly the late Richard J. Finneran and George Mills Harper. One of the strangest works of literary modernism, *A Vision* is Yeats's greatest occult work. Edited by Yeats scholars Catherine E. Paul and Margaret Mills Harper, the volume presents the system of philosophy, psychology, history and the life of the soul that Yeats and his wife George and E. Hyde Lees received and created by means of mediumistic experiments from 1917 through the early 1920s. Yeats obsessively revised the book and the revised 1937 version is much more widely available than its predecessor. The original 1925 version of *A Vision*, poetic, unpolished, masked in fiction and close to the excitement of the automatic writing that the Yeatses believed to be its supernatural origin, is presented here in a scholarly edition for the first time. The text minimally corrected to retain the sense of the original is extensively annotated with particular attention paid to the relationship between the published book and its complex genetic materials. Indispensable to an understanding of the poet's late work and entrancing on its own merit, *A Vision* aims to be all at

once a work of theoretical history an esoteric philosophy an aesthetic symbology a psychological schema and a sacred book It is as difficult as it is essential reading for any student of Yeats *The Collected Works of W.B. Yeats Vol. VI: Prefaces and Introductions* William Butler Yeats,2008-06-30 Prefaces and Introductions Volume VI of The Collected Works of W B Yeats brings together for the first time thirty two introductions by Yeats to the works of such literary greats as William Blake J M Synge Lady Gregory Oscar Wilde Oliver St John Gogarty Lionel Johnson and Rabindranath Tagore The introductions which span the Nobel laureate s entire career reflect the broad reach of Yeats s literary and cultural interests Always insightful and often charming Prefaces and Introductions reveals the breadth of Yeats s talent as essayist critic folklorist and raconteur

The Collected Works of W.B. Yeats Vol X: Later Article William Butler Yeats,2010-06-15 The Collected Works of W B Yeats Volume X Later Articles and Reviews is part of a fourteen volume series under the general editorship of eminent Yeats scholars Richard J Finneran and George Mills Harper This first complete edition includes virtually all of the Nobel laureate s published work in authoritative texts and with extensive explanatory notes Later Articles and Reviews consists of fifty four prose pieces published between 1900 and Yeats s death in January 1939 and benefits from the notes and emendations of Yeats scholar Colton Johnson The pieces collected here are occasional and they reflect the many interests and engagements of Yeats in his maturity No longer a reviewer or polemicist Yeats is an international figure a senator in the fledgling Irish state a defining modern poet a distinguished essayist And here we have him writing with grace wit and passion on the state of Ireland in the world on Irish language and Irish literature on his artistic contemporaries on the Abbey Theater on divorce on censorship on his evolution as a poet and dramatist on his own poetry Volume X also includes texts of ten radio programs Yeats broadcast between 1931 and 1937 This is not only the first collection but also the first printing of Yeats s radio work which constitutes the largest previously uncollected body of his writings and possibly the most important to remain largely unstudied Carefully assembled from manuscripts typescripts broadcast scripts and fragmentary recordings the programs range from a scripted interview on contemporary issues to elaborate stagings of his own and others poetry One of the radio programs is presented in an appendix complete with the commissioned musical score that set Yeats s poetry to music Yeats s own emendations on the BBC broadcast script and the diacritical notes with which the broadcast reader indicated Yeats s interpretive instructions Here then is seasoned Yeats writing and speaking vigorously and with keen personal insight about the modern age and his place in it **American Poetry** David Caplan,2022 American poetry s two characteristics American English as a poetic resource Convention and idiosyncrasy Auden and Eliot two complicating examples On the present and future of American poetry **Midnight Stroll** Janice Kulyk Keefer,Natalka Husar,Claire Weissman Wilks,Goran Petkovsky,2006 A unique collaboration that explores themes of love and family this collection features poems that are based on works of art placed alongside the very works that inspired them It includes paintings by Natalka Husar drawings monotypes and lithographs by Claire Weissman Wilks and photographs by Goran Petkovsky **Ontological Necessities**
