Shelley,1951 *Shelley's Broken World* Bysshe Inigo Coffey,2021 Shelley s Broken World aims to transform the philosophical scientific and aesthetic contexts in which Shelley is positioned It is the first study to refer to and include images of the unpublished Marlow List a record of the books Shelley left behind him on his departure for Italy in 1818 The book represents an exciting new departure in the study of a major Romantic poet *Selected Poetry and Prose* Percy Bysshe Shelley,1965 **Selected Poetry** Percy Bysshe Shelley,2022-07-26 During his short and restless life Percy Bysshe Shelley produced a great number of poems three verse plays and numerous prose works as well as many essays in which he propounded his philosophical views and radical political ideas These together with his highly unconventional itinerant life and his literary connections make him one of the most important and intriguing figures in British Romanticism This volume provides a generous selection of his poetry from the sonnet Ozymandias to famous lyrics such as Ode to the West Wind and Lines Written among the Euganean Hills to the longer poems of his maturity Adonais and Epipsychidion all thoroughly annotated and presented in chronological order Shelley's theory of poetry Earl J. Schulze,2015-07-24 No detailed description available for Shelley s theory of poetry *Poetry as Epitaph* Karen Mills-Courts,1990 Mills Courts English SUNY at Fredonia maintains that all poets attempt to embody meaning in words that are inherently epitaphic and explores the strategies they employ to defend the illusion of voice and presence in their works against the disseminative forces of representation Paper edition unseen 16 95 Annotation copyrighted by Book News Inc Portland OR *Shelley's Living Artistry* Madeleine Callaghan,2017 This study of the poetry and drama of Percy Bysshe Shelley reads the letters and their biographical contexts to shed light on the poetry tracing the ambiguous and shifting relationship between the poet s art and life For Shelley both life and art are transfigured by their relationship with one another where the poet participates in the eternal the infinite and the one but is equally bound up with and formed by the society in which he lives and the past that he inherits Callaghan shows that the distinctiveness of Shelley s work comes to rest on its wrong footing of any neat division of life and art The dazzling intensity of Shelley s poetry and drama lies in its refusal to separate the twain as Shelley explores and finally explodes the boundaries between what is personal and what is poetic Arguing that the critic like the artist cannot ignore the conditions of the poet s life Callaghan reveals how Shelley s artistry reconfigures and redraws the actual in his poetry The book shows how Shelley s poetic daring lies in troubling the distinction between poetry as aesthetic work hermetically sealed against life and poetry as a record of the emotional life of the poet
