To Meddle with Matters of State Christoph Ketterer, 2020-03-09 Die Studie analysiert die politische Dimension protestantischer und römisch-katholischer Predigten an den Höfen von Karl II 1660-1685 und Jakob II 1685-1688-89 vor dem englischen Parlament und in den Kirchen Londons Vor dem Hintergrund ungelöster politischer und konfessioneller Spannungen nach der Restauration suchten Predigten mit Kritik an Machthabern und deren Beratung Einfluss auf den religiösen und politischen Diskurs zu nehmen Das Verhältnis von geistlicher und weltlicher Macht sowie der Umgang mit der multikonfessionellen Situation in England sind dabei zentrale Themen Das Vorhandensein einer differenzierten Rezeptionskultur für die Predigten als einmalige Aufführung und als Texte bedeutsam waren zeigt die fortbestehende Wichtigkeit der Predigt in der Restauration In this volume Christoph Ketterer analyses political preaching during the reigns of Charles II 1660-1685 and James II 1685-1688-89 He argues that the political importance of sermons preached at court before Parliament and in the churches of London is based on the unsolved political and confessional tensions of the era Preachers relatively freely discussed questions of religious tolerance models of political power and could offer counsel and criticism to those in power They were in a position to influence the political and religious discourse of Restoration England In addition a refined culture of reception existed and listeners readers as well as preachers were acutely aware of the sermon genre's performative dimension Sermons therefore continued to be of central importance for the political and religious discourse of the Restoration

Catalogue of Printed Books British Museum. Department of Printed Books, 1900 **The Observing Self (Routledge Revivals)** Graham Good, 2014-08-01 First published in 1988 this title is a study of the essay as a literary genre not just in terms of its general intellectual and literary history but as an exploration of the creative possibilities of the form The rise of the essay is discussed in relation to the rise of the novel and the emergence of empiricism in science but the main focus of Graham Good s study is on the inner workings of the essay itself Drawing on criticism by Adorno and Lukacs Graham Good presents the genre as an expression of individualism freed from tradition and authority in which the self constructs itself and its object through independent observation Through analysis of the work of such essayists as Montaigne Bacon Virginia Woolf T S Eliot and George Orwell the potential of the genre for independence and individualism is illustrated and the essay is resituated as an intellectually challenging form of creative and critical writing **Religion and Myth in T.S. Eliot's**

Poetry Michael Bell, Scott Freer, 2016-08-17 T S Eliot was arguably the most important poet of the twentieth century Nonetheless there remains much scope for reconsidering the content form and expressive nature of Eliot s religious poetry and this edited collection pays particular attention to the multivalent spiritual dimensions of his popular poems such as The Lovesong of J Alfred Prufrock The Waste Land Journey of the Magi The Hollow Men and Choruses from The Rock Eliot s sustained popularity is an intriguing cultural phenomenon given that the religious voice of Eliot s poetry is frequently antagonistic towards the unchurched or secular reader You Hypocrite lecteur This said Eliot s spiritual development was not a logical matter and his devotional poetry is rarely didactic The volume presents a rich and powerful range of essays by leading and emerging T S Eliot and literary modernist scholars considering the doctrinal religious humanist mythic and secular aspects of Eliot s poetry Anglo Catholic belief Barry Spurr the integration of doctrine and poetry Tony Sharpe the modernist mythopoeia of Four Quartets Michael Bell the felt significance of religious poetry Andy Mousley ennui as a modern evil Scott Freer Eliot s pre conversion encounter with modernist theology Joanna Rzepa Eliot s religious agrarianism Jeremy Diaper the maternal allegory of Ash Wednesday Matthew Geary and an autobiographical reading of religious conversion inspired by Eliot in a secular age Lynda Kong This book is a timely addition to the return of religion in modernist studies in

the light of renewed interest in T S Eliot scholarship *Eliot's Dark Angel* Ronald Schuchard, 2001 Schuchard's critical study shows how Eliot's personal voice works through the sordid the bawdy the blasphemous and the horrific to create a moral world and the only theory of moral criticism in English literature The book also erodes conventional attitudes toward Eliot's intellectual and spiritual development
