## **Selected Plays Of Thomas Middleton:**

*The Selected Plays of Thomas Middleton* David L. Frost, 1978-05-25 T S Eliot said of the Jacobean dramatist Thomas Middleton 1580 1627 that he wrote one tragedy which more than any other play except those of Shakespeare has a profound and permanent moral value and horror Middleton has increasingly been recognised as one of the most important if not the most important Jacobean dramatist after Shakespeare himself This volume contains *The Changeling* of which Eliot gave so high an estimate together with Middleton's other surviving tragedy *Women Beware Women* his best comedy *A Chaste Maid in Cheapside* and a more light hearted early play *A Mad World My Masters* Though Middleton is typical of many university trained writers of the period who eked out a living in popular entertainment his work has a cold satiric stance a grimly determinist flavour and a savage economy which make it unique He wrote plays for the boys companies in the early 1600s and later for Shakespeare's own company the King's Men but seems never to have established himself as more than a jobbing dramatist *Thematic Imagery in Selected Plays by Thomas Middleton*, 1975
