## **Selected Poems Of Pak Mogwol Introduced And Translated By Uchang Kim:**

*Selected Poems of Pak Mogwol* Mog-wöl Pak, 1990      **On Translating Modern Korean Poetry** Jieun Kiaer, Anna Yates-Lu, Mattho Mandersloot, 2021-09-16 *On Translating Modern Korean Poetry* is a research monograph exploring the intricacies and complexities of translating modern Korean poetry. This monograph highlights the difficulties entailed in translating Korean poetry due to the lexical structural social expressive and attitudinal levels with which the translator must be engaged. Featuring all new translations, this book explores the question of what exactly modern Korean poetry is, increases the representation of female poets, and includes poems addressing modern historical events, globalization, diaspora, and mental health. Each chapter provides commentary on both the original and translated texts and looks at some of the issues that arose during the translation process. By doing so, the authors draw attention to the intricate trans-cultural and trans-creational process of Korean poetry translation. Collating contemporary Korean poetry and intricately exploring the translation process, this book is ideal for researchers and advanced level students of Korean Studies, Translation Studies, and Literature with an interest in translation.      *Issa, Cup-of-tea Poems* 茶の詩集, 1991      **Encyclopedia of World Writers, 1800 to the Present** Marie Diamond, 2020-07-01 In recent years, schools have started introducing more inclusive syllabi, emphasizing the works and ideas of previously overlooked or underrepresented writers. Readers of all ages can now explore the rich contributions of writers from around the world. These writers have various backgrounds, and unlike most writers from the U.S. or the United Kingdom, information on them in English can be difficult to find. *Encyclopedia of World Writers 1800 to the Present* covers the most important writers outside of the U.S., Britain, and Ireland since 1800. More than 330 insightful A to Z entries profile novelists, poets, dramatists, and short story writers whose works are anthologized in textbooks or assigned in high school English classes. Entries range in length from 200 to 1,000 words each and include a biographical sketch, synopses of major works, and a brief bibliography. Dozens of entries are new to this edition, and many existing entries have been updated and significantly expanded with new Critical Analysis sections. Coverage includes Chinua Achebe, Margaret Atwood, Roberto Bolaño, Albert Camus, Khalid Hosseini, Victor Hugo, Mohammad Iqbal, Franz Kafka, Stieg Larsson, Mario Vargas Llosa, Naghib Mahfouz, Gabriel García Márquez, Kenzaburo Oe, Marcel Proust, Leo Tolstoy, Emile Zola, and more.      **The Best Books for Academic Libraries**, 2002 Books recommended for undergraduate and college libraries listed by Library of Congress Classification Numbers      *Selected Poems of Pak Mogwol* Mog-Weol Pak, 1990      *Contemporary Literature of Asia* Arthur W. Biddle, Gloria Bien, Vinay Dharwadkar, 1996 Edited by regional experts, this anthology of contemporary Asian literature offers a broad selection of recent fiction, drama, and poetry in the best translations, many otherwise unavailable in English in North America. It focuses on the contemporary literature from India, Nepal, Pakistan, Sri Lanka, Bangladesh, Indonesia, Malaysia, Singapore, the Philippines, China, Hong Kong, Taiwan, Korea, Japan, and Vietnam, focusing on post-colonial writing with most selections written since 1960 that reveals the cultural, social, and political concerns of today's emerging and newly

independent nations and provides introductory essays for each major section written by regional experts who chose the selections that offer brief histories cultural information and literary background essential in understanding the works
