Selected Stories Of H G Wells:

Selected Stories of H. G. Wells H. G. Wells, 2007-12-18 Ursula K Le Guin's selection of twenty six stories showcases H G Wells's genius and reintroduces readers to his singular talent for making the unbelievable seem utterly plausible He envisioned a sky filled with airplanes before Orville Wright ever left the ground He described the spectacle of space travel decades before men set foot on the moon H G Wells was a visionary a man of science with an enduring literary touch and his originality and inventiveness are fully on display in this essential collection Wells imagined both dark and bright futures because his creed allowed both while promising neither and because the eighty years of his life were years of immense intellectual and technological accomplishment and appalling violence and destruction Ursula K Le Guin from the introduction Everything one imagines in the way of genius and fun Rebecca West Including these stories A Slip Under the Microscope The Remarkable Case of Davidson's Eyes The Plattner Story Under the Knife The Crystal Egg The New Accelerator The Stolen Body The Argonauts of the Air In the Abyss The Star The Land Ironclads A Dream of Armageddon The Lord of the Dynamos The Valley of Spiders The Story of the Late Mr Elvesham The Man Who Could Work Miracles The Magic Shop Mr Skelmersdale in Fairyland The Door in the Wall The Presence by the Fire A Vision of Judgment The Story of the Last Trump The Wild Asses of the Devil Answer to Prayer The Queer Story of Brownlow's Newspaper The Country of the Blind The Country of the Blind and Other Stories (the Selected Stories of H. G. Wells) H. G. Wells, 2012 The early short stories of an essential 20th century literary personage Herbert George Wells was perhaps best known as the author of such classic works of science fiction as The Time Machine and War of the Worlds But it was in his short stories written when he was a young man embarking on a literary career that he first explored the enormous potential of the scientific discoveries of the day He described his stories as a miscellany of inventions yet his enthusiasm for science was tempered by an awareness of its horrifying destructive powers and the threat it could pose to the human race A consummate storyteller he made fantastic creatures and machines entirely believable and by placing ordinary men and women in extraordinary situations he explored with humor what it means to be alive in a century of rapid scientific progress For more than seventy years Penguin has been the leading publisher of classic literature in the English speaking world With more than 1 700 titles Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up to date translations by award winning translators **The Country of the Blind and other Selected Stories** H. G. Wells, 2007-05-31 Herbert George Wells was perhaps best known as the author of such classic works of science fiction as The Time Machine and War of the Worlds But it was in his short stories written when he was a young man embarking on a literary career that he first explored the enormous potential of the scientific discoveries of the day He described his stories as a miscellany of inventions yet his enthusiasm for science was tempered by an awareness of its horrifying destructive powers

and the threat it could pose to the human race A consummate storyteller he made fantastic creatures and machines entirely believable and by placing ordinary men and women in extraordinary situations he explored with humor what it means to be alive in a century of rapid scientific progress

Selected Stories E. M. Forster, 2001-03-01 Although he is best known for his novels several of which have been made into popular movies E M Forster also published stories This volume which collects those stories published during Forster s lifetime provides an opportunity for readers to discover these less familiar works Rich in irony and alive with sharp observations on the surprises life holds the stories often feature violent events discomfiting coincidences and other disruptive happenings that throw the characters perceptions and beliefs off balance In their keen Introduction David Leavitt and Mark Mitchell discuss Forster s place in both the short story tradition and in the tradition of gay literature For more than seventy years Penguin has been the leading publisher of classic literature in the English speaking world With more than 1 700 titles Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up to date translations by award winning translators
