Top Notch Executive Resumes Katharine Hansen, 2008-07-15 Branded resumes that illuminate the candidate's unique value proposition and ROI are a must in today's quest for the executive suite. Top Notch Executive Resumes not only explains how to integrate branding into career marketing communication but also how to craft resumes that address your fit with the organization's mission and meet an employer's specific business needs. Hansen instructs high level professionals in framing past accomplishments so that the employer can visualize the executive's strategic vision and industry insights as well as what he or she can contribute. Highlights of the book include a huge collection of resume samples in cutting edge formats organized by profession for easy navigability. Examples of a wide variety of complementary documents including leadership profiles and executive bios that top level professionals need to round out their executive portfolios. Special additional features including the preferences and peeves of hiring decision makers, guidelines for working with recruiters, frequently asked questions and case studies detailing complete job search marketing campaigns. Let Top Notch Executive Resumes get you into that corner office.

Directory of International Direct and E-marketing, 2002 Unique reference source. Compiled with assistance from the industry's two leading international associations. Includes over 4,000 direct and e-marketing companies from over 50 countries. Includes country by country regulatory material. Sixth edition, right up to date information. A comprehensive annual directory that analyzes Direct Marketing strategies and trends and that lists providers of DM services in over 50 countries. At its core is a country by country directory of marketing and e-marketing service providers. It also includes a series of overview articles on key topics affecting the development and delivery of direct and e-marketing around the world. In two parts, the first examines new opportunities in the field and includes statistics, new techniques, regulatory regimes, regional developments and the internationalization of sales. The second part is a country by country directory of providers that also contains profiles giving basic demographic and economic data, language and cultural considerations, legislation and consumer protection information on postal services and local DMA addresses.
