self reliance Enter Jerramy Fine an unabashed feminist who is proud of her life long princess obsession and more than happy to defend it Through her amusing life story and in depth research Fine makes it clear that feminine doesn t mean weak pink doesn t mean inferior and girliness is not incompatible with ambition From 9th century Cinderella to modern day Frozen from Princess Diana to Kate Middleton from Wonder Woman to Princess Leia Fine valiantly assures us that princesses have always been about power not passivity And those who love them can still be confident intelligent women Provocative insightful but also witty and personal In Defense of the Princess empowers girls women and parents to dream of happily ever after without any guilt or shame *Billboard* ,2003-07-26 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends **Billboard** ,1998-08-22 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends **Billboard** ,2002-08-03 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends **Billboard** ,2003-05-17 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends
