In-text URLs can be accessed via the Features tab of the publisher's website. Conductors face a multitude of hurdles as they strive to obtain a foothold in the professional world. Once they have attained a position, there are obstacles both on and off the podium to keeping that position as well as advancing in the profession. Founding conductor of the Cleveland Pops Orchestra, pedagogue and frequent guest conductor for both pops and classical concerts, Carl Topilow is in a unique position to help conductors navigate their careers. *The Orchestral Conductor's Career Handbook* takes readers through the step-by-step process of establishing a career in orchestral conducting. Through his experiences with professional pops, conservatory, community, youth, summer festival, opera, and ballet orchestras, Topilow provides practical tips for conductors of any orchestra type and at any level of their development. Filled with personal stories from Topilow's career, the handbook provides insights on an array of topics including applying for conducting programs and conducting positions, connecting with audiences, developing interpersonal relations within the orchestra family, starting your own orchestra, interacting with donors, and beyond. It also presents fresh ideas for programming, rehearsing, and approaches to standard repertoire pieces. **Modernist Diaspora**, Richard D. Sonn, 2022-02-10. In the years before, during, and after the First World War, hundreds of young Jews flocked to Paris, artistic capital of the world and center of modernist experimentation. Some arrived with prior training from art academies in Kraków, Vilna, and Vitebsk; others came armed only with hope and a few memorized phrases in French. They had little Jewish tradition in painting and sculpture to draw on, yet despite these obstacles, these young Jews produced the greatest efflorescence of art in the long history of the Jewish people. The paintings of Marc Chagall, Amedeo Modigliani, Chaim Soutine, Sonia Delaunay, and others, and the sculptures of Jacques Lipchitz, Ossip Zadkine, Chana Orloff, and works by many other artists, now grace the world's museums. As the *coeur de Paris* was the most cosmopolitan artistic movement the world had seen, the left bank neighborhood of Montparnasse became a meeting place for diverse cultures. How did the tolerant bohemian atmosphere of Montparnasse encourage an international style of art in an era of bellicose nationalism, not to mention racism and antisemitism? How did immigrants not only absorb but profoundly influence a culture? This book examines how the clash of cultures produced genius. *Music at Michigan*, 1982. **International Who's who in Music and Musicians' Directory**, 1996.
