Truth About the Split Hazrat Mirza Bashir-ud-Deen Mahmood Ahmad, 2007-03-27 Truth About the Split the English translation of Aina-e-Sadaqat written by Hazrat Khalifatul Masih II (ra) is a detailed reply to The Split by Maulawi Muhammad Ali who after having denied the institution of Khilafat had seceded from the main body of the Ahmadiyya Muslim Jama'at and established his party headquarters at Lahore Truth About the Split has been divided into two main parts The first part consists of the refutation of the eleven misstatements and unfounded charges leveled against Hazrat Khalifatul Masih II (ra) in The Split and of the thoroughly fabricated story of the

Ahmadiyya dissension First few misstatements revolve around a person named Zahiruddin who was believed to be by the Lahore Party the originator of the belief of the prophethood of the Promised Messiah as Another controversy was whether those who denied the Promised Messiah as should be regarded as Muslims or Kafir bil Ma mur In fact Hazrat Khalifatul Masih II ra had already proved that the Promised Messiah as regarded them as the latter Another controversy generated by Maulawi Muhammad Ali was that people had pledged Bai at with the second Khalifa in ignorance and that they had later renounced their Bai at with him The second part of the book deals with the true story of the split It elaborates how Khawaja Kamaluddin Maulawi Muhammad Ali and few others intrigued to bring down the Institution of Khilafat during the time of Hazrat Khalifatul Masih I ra how they openly showed their hostility after his demise by proposing delay in the election of the next Khalifa and what finally impelled them to set up their own separate organization The book then sets out in clear terms in the light of Al Wasiyyat by the Promised Messiah as as to who Anjuman or the Khalifa should actually succeed the Promised Messiah as

Routledge Revivals: The Islamic Jesus (1977) Don Wismer, 2016-09-13 First published in 1977 this book is intended as a record of sources in Islamic prophetology which focus on the prophet Isa Jesus in Christian theology The Islamic Isa differs markedly from the Christian Jesus most obviously in that although considered an important prophet he is overshadowed by Muhammad The doctrine of tawhid the indivisible oneness of God also necessarily means the rejection of Christ s incarnation or dual nature The primary of role of Jesus in Islam as with all Islamic prophets is to reaffirm the primeval religion of man best expressed by the Shadada and Islam This book collects as comprehensively as possible bibliographic sources in English and French from the time of the earliest available texts circa 1650 providing annotated commentary and source information making it an invaluable research tool for anyone who wishes to study the Islamic Jesus in more detail
