**Research in Education**, 1970

English and American Literature William McPherson, 1987 This outstanding volume on the art of selection contains sections on the basic disciplines in the humanities social sciences and science and technology Especially useful are the complete bibliographic citations given for the tools as well as the evaluative comments on the contents of each publication and the publication's general usefulness Library Resources Technical Services

The Scholar-Critic F. W. Bateson, 2024-01-15 First Published in 1972 The Scholar Critic argues that it's a mistake to consider literary criticism and literary scholarship as each other's antitheses The two approaches to literature are except at the most superficial level complementary both indispensable both equally honourable aspects of a single discipline The book deals with themes like the sense of fact works of reference the literary object style and interpretation textual criticism and literary history and presentation This is an interesting read for scholars and researchers

of English literature      **Cultural Treasures of the East Indies** Willem Henri Helsdingen, 1946      **Readers' Guide to Periodical Literature** Anna Lorraine Guthrie, Bertha Tannehill, Neltje Marie Tannehill Shimer, 1910      **Literary Research Guide** James L. Harner, 2008 James L. Harner's *Literary Research Guide* which Choice calls the standard guide in the field evaluates important reference materials in English studies Since the publication of the first edition in 1989 tens of thousands of students and educators have used the Guide as an aid to scholarly research In the new edition Harner has added entries describing resources published since May 2001 and has revised nearly half the entries from the fourth edition The fifth edition contains more than 1 000 entries which discuss an additional 1 555 books articles and electronic resources and cite 723 reviews Readers of earlier editions will notice the inclusion of substantially more electronic resources particularly reliable sites sponsored by academic institutions and learned societies to account for the proliferation of bibliographic databases text archives and other online resources This edition also features a new section on cultural studies      Foreign Commerce Weekly United States. Department of Commerce, 1943      *The New Cambridge Bibliography of English Literature: Volume 2, 1660-1800* George Watson, Ian R. Willison, 1971-07-02 More than fifty specialists have contributed to this new edition of volume 2 of *The Cambridge Bibliography of English Literature* The design of the original work has established itself so firmly as a workable solution to the immense problems of analysis articulation and coordination that it has been retained in all its essentials for the new edition The task of the new contributors has been to revise and integrate the lists of 1940 and 1957 to add materials of the following decade to correct and refine the bibliographical details already available and to re shape the whole according to a new series of conventions devised to give greater clarity and consistency to the entries      **Middle English Literature** Charles W. Dunn, Edward T. Byrnes, 2013-11-26 For the first time available in paperback this classic anthology provides readers with important literary works composed during the Middle English period 1100 1500 in England Scotland and Ireland The editors provide glosses for all unfamiliar words and obscure phrases and every selection refers to at least one definitive edition where details of recent scholarship can be found Modern punctuation and capitalization are used throughout and variant spellings are kept to a minimum to avoid unnecessary confusion The introduction discusses important literary and linguistic questions the headnotes and bibliography offer extensive guidance to secondary sources and the appendixes clarify pronunciation verb use and dialect variations      *Literary Research and the British Renaissance and Early Modern Period* Jennifer Bowers, Peggy Keeran, 2010-04-13 Recognizing that every literary era presents scholars with particular challenges this volume covers the best practices and describes important reference resources both print and electronic that can be used in conducting literary research of the British Renaissance and Early Modern period Although the primary emphasis is on literature produced in England the guide also covers literature from Scotland Wales and Ireland This book addresses specific research characteristics integral to studying the period including a more inclusive canon and the predominance of Shakespeare a dual environment of print and manuscript production the

challenges of reading early modern handwriting a lack of reviewing media the role of translations and researching non standardized genres among others Central to this volume and to literary research of the era are the equally valid approaches to studying this literature through the more traditional Renaissance lens or through the varying theoretical approaches falling under the rubric early modern Bowers and Keeran explore primary and secondary research resources of this era including general literary research guides union library catalogs print and online bibliographies scholarly journals manuscripts and archives microfilm and digitization projects 17th century periodicals contemporary reception translations and lexicons genres and electronic texts journals and Web resources A final chapter entitled Researching a Thorny Problem demonstrates how many of the research tools and strategies presented in the volume can be employed to explore a question that perhaps has no definitive answer Each chapter addresses how research methods and tools are best used to extract relevant information and compare and evaluate sources The strengths and weaknesses of core and specialized electronic and print research tools and standard search techniques are also examined making this book an invaluable guide to any scholar of the Renaissance and early modern era
