Self and Society William Irwin Thompson, 2004 The studies in this volume concern cultural history They grew out of the author's work over the last two decades with colleagues in the Lindisfarne Association and especially his eighteen year collaboration with the chaos mathematician Ralph Abraham

Can Oxford be Improved? Anthony Kenny, Robert Kenny, 2007 In 2006 dons at Oxford University caused turmoil by rejecting a set of governance reforms that were contained in a British Government White Paper and championed by their own vice chancellor This book is a response to these events addressed in large part to Oxford's funders and is essential reading for all with an interest in the future of this great university

The Party's Over Keith Sutherland, 2004 This book examines the historical forces that gave rise to the modern political party and questions its role in the post ideological age If we all now share the liberal market consensus then what is the function of the party

Forgiveness R. A. Sharpe, 2007 In his book *The Moral Case Against Religious Belief* the author argues that some important virtues cease to be virtues at all when set in a religious context In this sequel his tone is less generous because the intervening decade has brought home to us the terrible results of religious conviction

Religion, Politics, Evangelism Purna Chandra Jena, 2009 This book seeks to show how religion is controlled by political ideologies and how evangelism is moulded and manipulated by the demands of the dominant political order of the day Out of his experience as a Christian in India the author challenges churches and congregations to participate in political action as an expression of their commitment to evangelism and to a better society

Self and Society William Irwin Thompson, 2017-01-11 A series of essays on the evolution of culture dealing with topics including the city and consciousness evolution of the afterlife literary and mathematical archetypes machine consciousness and the implications of 9 11 and the invasion of Iraq The enlarged new edition contains extra essays and brings the author's comments on current affairs up to date with coverage of the election of Barak Obama as US President

Progressive Secular Society Tom Rubens, 2008 A progressive secular society is one committed to the widening of scientific knowledge and humane feeling This work reaffirms secular values in the face of aggressive supernatural religious doctrines and practices

The Enemies of Progress Austin Williams, 2008 This book examines the concept of sustainability and presents a critical exploration of its influence on society Williams argues for an end to the mantra of sustainability removing its status as orthodoxy and for the reinstatement of the notions of development progress and ambition in its place

Unlearning Nader N. Chokr, 2009 In this essay Chokr aims to show why unlearning is a crucial capability in and for education at this point in history He argues that unlearning enables to pose and take seriously the problem of governmentality

The British National Bibliography Arthur James Wells, 2009

Questions of Civil Society Adam Jarosz, 2014-07-03 This book is devoted to questions and research problems generated by the issue of civil society It contains contributions from mostly young scientists who develop various approaches to the position and functionality of civil society examining different examples from both the past and the present based on

theoretical approaches to this concept As a result the volume adopts an interdisciplinary perspective which allows the identification of various levels of the concept of the civil society and insight into its multiformity in terms of its reality and its interpretation and depiction as a means of political and social self determination The book provides fluid interpretation patterns and avoids working with the term civil society in any fixed definitional mode The editors and authors aim as well as the main objective of the volume is to refresh and stimulate the discussion and point out exemplary fields of research which will bring interesting explanations and impulses to the formulation of innovative research questions regarding the concept of civil society Finally the book explains and underlines the pivotal role of the civil society in the upheavals of the 21st century as well as provides an understanding of it as a fundamental structural element of the necessary renegotiation of the relations between the state and society
