

# Self Is Not Self-Constructions

- Self-constructions are the self-esteem objects (self-concepts, self-images) that you use to replace and remove self from life.

**1** Self-constructions cannot sense.

**2** Self-constructions cannot have sensations.

**3** Self-constructions cannot have experiences.

**4** Self-constructions cannot have feelings.

**5** Self-constructions cannot have intentions.

**6** Self-constructions cannot have behaviors.

**7** You do sense and have sensations, experiences, feelings, intentions, and behaviors. Therefore, you cannot be self-constructions (ego objects).
